MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is putup in 1 quart bottles; it is as sweet (mean cheap) as Molasses, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating depression.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it Eradicates Disease it fortifies the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed the most astonishing cures. More than 15,000 cures of Severe Cases of Disease; of least 5,000 of these were given in Pittsburgh. More than

3,000 cases of Chronic Rheumatism;
3,000 cases of Dyspepsia;
400 cases of Great Debility and Want of Energy;
7,000 cases of different Female Complaints;
1,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
9,500 cases of Disease of the Kidney and Dropsy;
2,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with the numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affection, &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to test of character. It is the best medicine for the removal of disease known. It undoubtedly saved the live of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them to the Summer season.

UNITED STATES OFFICER.

Capt. G. W. McCLEAN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature; has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I may add, I believe it saved my life, and would recommend it to all in ill health.

I remain, very truly, G. W. McLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

PITTSBURGH, Dec. 29, 1846.

Dr. TOWNSEND—Dear Sir; I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

ISAAC W. CRAIG, 103 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is the safest, surest and speedy cure in the world for Obstruction, Barrenness, Leucorrhea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general weakness and wasting of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, from taking it, are soon made healthy and full of energy and vigor to a wonder. It immediately counteracts the nervousness of the female frame, which is the great cause of hard remedies.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have blessed us for the information.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and weakness of the lower bowels, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also having seen Esq. Hetzendorf cured of a disease such as is described, I obtain a bottle of your Extract of Sarsaparilla, and followed the directions you gave me in a short period it cured her entirely, and restored her to perfect health. We are grateful for the benefits she received, I take pleasure in this acknowledging it, and recommending it to the public. M. D. MOORE, Corner Of Grand and Lydia sts.

Albany, Aug. 11, 1846.

COZZACKIN, Sept. 29, 1845.

Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla with the most astonishing effect; she was shaking and grievous to her confinement, under the care of a physician, and was much troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion, she left the consultation of those bed; with my persuasion, she left the consultation of those bed; with my persuasion, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the removal of the complaint, but after the expulsion of one or more of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had long for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to use it.

I subscribe myself your most obedient and obliged servant,

S. S. LANDER.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been specially prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, or *The turn of life*, should be without it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delightful or dreadful, according to this medicine. Not *Physic*, but a perfect cordial to those who are approaching womanhood, as it is cheerful to assist nature by quickening the blood and invigorating the system. Mothers, this medicine is invaluable for all the delicate diseases to which women are subject.

It brings the whole system, renews permanently the natural energies—by removing the impurities of the body—not for stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits" use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your system, improve the freckles and blotches, and give you animation, sparkling eyes, the spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No food or medicine has ever been discovered which so nearly resembles the gastric juice as a means in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BASE DEPARTMENT, Albany, May 10, 1845.

Dr Townsend, Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with sour sick of stomach, pain in the stomach, costiveness, heartburn, and a loss of appetite to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence, but after using two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have

ALMOST A MIRACLE

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, and I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and sinking very fast; my doctor said he could do nothing for me. I was in the last two weeks of being benefitted, but was pronounced there incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die; I was confined to my bed, and was obliged to have watchers; indeed I cannot give you any description of what I would be to describe my sufferings, as witnessed by my friends and the good recovery; I had tried a great number of remedies, and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it, I did so, and am very thankful I did. I commenced to mend from the first, and continued improved so to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and I raise but very little, and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.

Yours Respectfully, Cor. Of Grand and Lydia sts.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the advertising car of Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the ornamental landscape paintings are beautiful, which, together with the scroll work, gilding, &c. of Grecian taste, made a show really equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has gained.

NERVOUS DEBILITY.

NEW YORK, March 27, 1847

Dr Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the back, and general debility, brought on no doubt by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try bottle of your Sarsaparilla, from which I found great relief. I have taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my st is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial results. I can safely say it as a family medicine cheap and good, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills. for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.
