MEDICAL.

DR. TOWNSEND'S SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without nauseating, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the entire system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine. And on this lies the grand secret of its wonderful success. It has performed within the past two years, more than 20,000 cures of Severe Cases of Disease; at least 5,000 of them were considered incurable. More than

5,000 cases of Chronic Rheumatism,
6,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
1,000 cases of Scrofula;
1,000 cases of the Liver Complaint;
8,000 cases of Disease of the Kidney and Dropsy;
2,000 cases of Consumption,
and Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Stomach, Spasms, Colics, &c., &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, where they have used the Sarsaparilla, and the results are astonishing. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them to do the Summer season.

UNITED STATES OFFICER,
CAPT. G. W. MCCLAN OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, JAN. 25, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that it does my system good. I believe it saved my life, and would not be without it under any consideration.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

The certificate conclusively proves that this Sarsaparilla has power to expel from the system the disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted with the disease for a long time, I have only taken four bottles; it took them every, for which I feel yourself under deep obligation. Yours, respectfully,

ISAAC W. CRANE, 105 WOOSTER ST.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a safe, pleasant and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, Female Complaints and Weakness, Pain in the side and general prostration of the system—no matter whether the result of inherent causes or causes, produced by irregularity, illness or sensitiveness.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, from long school and full of energy and life in an hour. It immediately counteracts the nervousness of the female frame, which is the great cause of half females.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can refer to persons in this city and Brooklyn, who have been repeatedly so pl. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have blessed the day they offered it.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain in the stomach, want of appetite, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases; I was induced to get her one bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed the complaints and weakness of which she had long labored under. Being grateful for the benefit she received, I take pleasure in thus acknowledging it, and recommending it the public. M. D. MOORE, 12 Ludlow st., N. Y. Sworn to before me this 4th day of August, 1844.

CORNELIUS SCOTT, Sept. 29, 1845.

Dr. Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with the exception, she was in the enjoyment of those who had tried it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in her recovery from confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one, who doubts of the success of the medicine, you are entirely welcome to it.

I remain yours, with your most obedient and obliged servant, S. SANDS.

TO MOTHERS AND MARRIED LADIES.

This Extract is a most valuable medicine, specially prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the change of life," should be without it, for it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delicately referred to as the change of life. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. In fact, this medicine is invaluable for all of the delicate diseases to which women are subject.

It leases the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent reaction, but by strengthening the system and giving tone to female weakness and disease.

GIRLS READ THIS.

You who have pimples, freckles, and all sorts, blotches on the face, rough skin, or freckles, and are "out of spirits?" use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, make your skin smooth, clear and white, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No trial or medicine has ever been discovered which so speedily removes the pain in the side, loss of appetite, costiveness and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BATH DEPARTMENT, Albany, May 10, 1843.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with sour stomach, want of appetite, costive habits, severe heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I have tried many remedies, but they had just little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and now am happy in being able to say, I feel no more of my early troubles. I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c., W. W. VAN ZANDT.

Nov 22, 1845. Staten Island.

ALMOST A MIRACLE

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cures performed by Townsend's Sarsaparilla.

Dr Townsend—Dear Sir: I was taken, a little over a year ago, with a severe cough and pain in my side. It increased every day, and I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, and was reduced so low, that my family and doctor said he could do nothing for me. I went into the hospital in hopes of being benefitted, but was pronounced there incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have my bowels opened. I cannot give you any description, that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies, and all seemed to do no good. I was induced, by some most extraordinary cures performed by your medicine, and so tell you the truth, I suspected there was some humbug in them. But I was induced to try it, as I was told, as very thankful as I did. I cannot say that I am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side and night sweats have left me, and raise but very little; and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.

PETER BROWN, 47 Little st, Brooklyn.

Opinions of Physicians.

Dr Townsend is almost daily receiving orders from physicians in different parts of the Union.

Extract of a letter from a respectable Physician of the City of Albany, here in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

Albany, April 1, 1845.

This is to certify that we, the undersigned, practicing Physicians of the City of Albany, have frequently prescribed Dr Townsend's Compound Extract of Sarsaparilla, from its superior excellence, we can recommend it to be public for secretorial, scrofulous, and other cutaneous diseases, in preference to any of the celebrated remedies inseparable. None genuine, unless put up in the large square bottles, which contain a quart and signed with the written signature of R P TOWNSEND, and his name blown on the Glass.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was the advertisement of Dr Townsend's Sarsaparilla, we think. The whole thing is got up in good taste; some of the ornamental lettering is very handsome, which, together with the broad work in gold, glistening in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe the virtues of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

N Dr. Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, costiveness, pain in the side, and general debility, brought on as I think by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several bottles, and I am unhesitatingly my opinion it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I used your Sarsaparilla. I think it deserves a better appellation than ever I had. By wife has taken it with the same beneficial results. I would recommend it as a family medicine highly worthy of public notice, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills for while it restores appetite, it also gives tone to the stomach and bowels thereby keeping them in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

SALTER'S GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS—The unprecedented success which has attended the use of the GINSENG PANACEA in all the various forms which termination of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changable weather which marks our fall and winter months, is a fertile source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

CONSUMPTION.

The question, then, how shall we nip the destroyer in the bud? Shall we suffer it to run its course, and our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced the extraordinary powers of this, with a mass of testimony from all parts of the country.—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY.

we have embodied in two pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been sold of this preparation,

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any one to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs have become too much disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unprincipled quacks, or the name of some established physician, and puffed into notoriety by extensive advertisements, persons equally unknown? Whilst a medicine of

ACKNOWLEDGED EFFICACY

is to be had, whose vouchers are at home—our neighbors,—many of whom it has

CURED AFTER PHYSICIANS GAVE UP THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by agents in nearly every town and village over the west, who are prepared to give full information relative to it.
