"LIBERTY AND UNION,

ONE AND INSEPARABLE.
ONE COUNTRY,
ONE CONSTITUTION,
ONE DESTINY."

## THE UNION TEXT BOOK

**A Work Demanded by the Times,**

Containing Selections from the writings of that Unflinching Statesman and True Patriot,

## DANIEL WEBSTER.

Also, the Declaration of Independence; the Constitution of the United States; and Washington's Farewell Address; with copious indexes.

For the higher classes of Educational Institutions and for home reading. Large 12mo., with a Beautiful Steel Portrait of Webster. Price $1,00. Accompanied with a HANDSOME GIFT, worth from 50 cents to $3.00.

"THE UNION TEXT BOOK" is a volume of powerful interest for the present times. Its subjects, its authors, its style, accuracy and fullness entitle it to universal acceptance! Every Farmer should have it! Every Merchant should have it! Every Mechanic should have it! Every Lawyer, Physician, Politician and Patriot should have it! In fact, Everybody, whether Man, Woman or Child—whether of the North, South, East or West, should send for a copy of this—one of the most needed and acceptable Books ever submitted to the American public.

☞ The presentation of the Constitutional Text Book to the people of the United States, certainly needs no apology, for it contains the fundamental law of Our Country, with an introduction selected from the writings of him who has justly been termed the "Expounder and Defender of the Constitution." In making the selections from the writings of Mr. Webster, great care has been taken to select such parts as may be considered NATIONAL, and which will tend to strengthen the opinions of the old, and to impress the young with a love of country, a Veneration for the Constitution, a Respect for the Memory of the Great and Good Men who Founded our Republic, and who have passed away, a fervent attachment to the Union, to Liberty, to peace, to order and to law; and will also teach lessons of Wisdom, of Morality and of Religion. As a Class Book, this volume is most valuable, and when used as such, the instructor will readily find in the indexes suggestions for all the questions necessary to be asked, and the answers of the students should always be in the exact words of the text. UDOLPHO WOLFE'S
AROMATIC
SCHNAPPS
A SUPERLATIVE
TONIC, DIURETIC,
ANTI DYSPEPTIC
AND
## INVIGORATING CORDIAL

To the Citizens of New Jersey and Pennsylvania, Apothecaries, Drugists, Grocers and Private Families.

Wolfe's Pure Cognac Brandy.
Wolfe's Pure Madeira, Sherry & Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whiskey.

ALL IN BOTTLES.

I beg leave to call the attention of citizens of the United States to the above Wines and Liquors imported by Udolpho Wolfe, of New York; whose name is familiar in every part of this country for the purity of his Schiedam Schnapps. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at RETAIL by all Apothecaries and Grocers in Philadelphia.

George H. Ashton, No. 832 Market St. Phila'delphia, *Sole Agent for Philadelphia*

Read the following from the New York Courier:

Enormous Business For Our New York Merchant.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant can *go and purchase Wines & Liquors* as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Markfield street. His stock of Schnapps and rare foreign shipment could not have been less than thirty thousand cases, the Brandy some ten thousand cases—Vintages of 1815 to 1854, and ten thousand cases of Madeira, Sherry and Port Wine. Scotch and Irish Whiskey, Jamaica and St. Croix Rum some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c.) in casks under Custom House key ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and liquors for medical use should send their orders direct to Mr. Wolfe until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

WASHING MACHINE

Patented Sept. 9, 1856.

*BY RILEY SMITH*

THE WASHBOARD AND BEATER are the two first and most natural implements ever used in Washing Clothes. Notwithstanding it has been the study of inventors to do them away, and for that purpose several hundred patents have been issued, yet it has been of no effect. They have failed in their attempt. Their machines have been condemned and thrown away, and the Wash Board and Beater again used in their stead.

This machine combines them together, attached to a progressive lever in such a manner as gives great power to the Beater, while either may be used as the operator may desire. The motion of the Beater is quick and easy, the pressure gentle and powerful, which gives it the advantage over all other machines, and is so decided by competent judges.

YOU WANT IT,

YOUR WIFE WANTS IT,

YOUR CHILDREN WANT IT,

IT WILL CERTAINLY PAY,

AND YOU WOULD HAVE IT,

IF

you only knew how USEFUL, how INSTRUCTIVE, and how ENTERTAINING it is.

We refer to that "*first best*" that *largest*, most *instructive*, most *beautiful*, and yet *cheapest* journal in the world, for the HOUSEHOLD, for the FARM, and for the GARDEN, viz.: the

American Agriculturist

**YOU WANT IT**, because it contains so very many new and useful directions, hints, and suggestions about all kinds of out-door work, in the GARDEN, in the FIELD in the ORCHARD, on the *little plot of ground*, about Domestic Animals, etc. etc. The *Agriculturist* is not a stale rehash of theoretical stuff, such as goes the rounds from one paper to another, but it is filled with useful and new practical information, every word of which is *reliable*, because prepared by honest, practical WORKING MEN, who know what they write about.

Each volume contains *many hundreds of useful hints*, and it is certain that many of these hints will *each* be worth to you more than a dollar.—As an example, a subscriber writes: "...I obtained 5 bushels more per acre on a 10-acre field of wheat, (or in all 50 bushels) simply from a hint about preparing the seed given in my *Agriculturist*." ... *Another* says he obtained an extra yield of 11 bushels of corn per acre on a 15-acre field, and with no extra cost for culture, by applying one hint from the *Agriculturist*... *Another*, (a villager,) says he got $18½ worth extra of good garden vegetables, which he attributes wholly to the timely hints in the *Agriculturist*, which told him from time to time *what* to do, *how* to do it, and *when* to do it. Thousands of others have derived similar advantages. You are invited to *try* the paper a year, at a cost of only $1. If you desire, you can have, *free*, of charge, four, or five parcels of choice seeds, which the Publisher will distribute among his subscribers the present winter.

**YOUR WIFE** wants the *Agriculturist* because it has a large amount of valuable and useful information about all kinds of HOUSEHOLD WORK, from Garret to Cellar. Give her the benefit of this paper for a year.—You will find your home made better and money saved.

**YOUR CHILDREN** want the *Agriculturist*, for it contains a very interesting, useful, and entertaining department for Youth and Children, which will be of great value to their minds and hearts.

The above are truthful statements, that will be cheerfully attested by nearly a hundred thousand of the present readers of the *Agriculturist*. You are invited to try a single volume of the *Agriculturist*, which will cost only $1, and abundantly *pay*. Try it for 1861 (Vol. 20.)

JEFFREY'S DOUBLE-ACTING

SUCTION & FORCE PUMP

WITH

India Rubber Ba Valves.

THE SUBSCRIBER having purchased the right to make and sell this New Pump, feels a confidence that his efforts to bring it into general use, in this county, will be seconded by all who see its construction and operation.

Among the many advantages secured by the use of this Pump, the following may be enumerated:

1. A double action, by which twice the water can be raised at the same time.

2. Great ease in working, thus adapting the *Force Principle* to common wells.

3. The transformation, in a moment, of the Pump into an efficient FIRE ENGINE, thus rendering the loss of dwellings by fire, totally unnecessary.

4. Capability of watering gardens, Lawns, or sprinkling walks, washing windows, &c., with the utmost ease and thoroughness.

5. Power to raise water with slight labor to any reasonable height, as in supplying chambers &c.

6. The convenience of having the Pump in a kitchen, or other rooms of your dwelling, without regard to the location of the Well or Cistern.

7. The easy protection of the instrument against Frost.

8. The ease with which it may be mounted on wheels, or in other ways be made portable.

9. A *simplicity* which ensures great durability, protects it from being thrown out of order, and makes any repairs easy and of little cost.

10. Great *Cheapness*: for the first time bringing the cost of the Force Pump into the neighborhood of the common Suction and Chain Pumps, while it is immeasurably superior to both.

Manufactured and for sale by the subscriber, only, at his shop in Mechanicsburg.
