I accordingly used your Sarsaparilla a short time and there was a marvellous change wrought in me. I am now in health, all over the city. I raise no blood, and no pain left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 67 Chatham st.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, *"The turn of life"* should neglect to take it as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be *delayed for several years by using this medicine.* Nothing is less valuable for those who are approaching the period, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It renews the whole system, renews premature decay of constitution, by removing the impurities of the body, not as for stimulating as to produce subsequent reaction, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful cases of opera tions may be prevented.

Beauty and Health.

Cosmetics Chalk and a variety of preparations are in use, when applied to the face will prove injurious to the pores. They clog the pores of the skin, obstruct circulation, which when nature is right, is the disease or powder, or the skin inflamed. Cosmetics used in dress, beautifies its own production in the human face Divine," as well as in the cultivated and delicately tinted and variegated flowers. Active and healthy circulation of the fluids or life, is the giving of the pure, rich blood to the extremities, which paints the countenance in the most exquisite hue. It is that which imparts the indescribable and fascinating of loveliness that all admire and can describe. This beauty is the offspring of nature—not of powder or soap. If there is not a free circulation, there is no beauty. If the lively fluid is driven away, if the point, and use cosmetics, the blood is thick, cold and impure, she is not healthy. If she be brown or yellow, and there is yellow and green blood, it gives a rich bloom to the cheeks and a brightness to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies are so much admired. Ladies in the north, if they take but little exercise, or are confined to the house, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain the elasticity of step, buoyant spirits, sparkling eyes and a beautiful complexion, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it are delighted. Leaves are delighted. Leaves are expressed from our office daily.

Notice to the Ladies.

Beware that imitate Dr. Townsend's Sarsaparilla, is probably called their stuff a *great Remedy for Dropsy, &c., &c.*, and have copied our bills and circulars in the complaints of women, &c. Ladies, or men who put up medicine, have since the success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs although they did not. A number of these Mixtures are injurious to females, as they aggravate disease, undermine the constitution. Dr. Townsend's Sarsaparilla and best remedy for the numerous female complaints it rarely, if ever fails of effecting a permanent cure. It can be taken by the most delicate female in any case, or by those expecting to become mothers with the greatest advantages, as it prepares the system, prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

MEDICAL.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. E. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 19th, 1847.

R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deterred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pill have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth, have suffered much, employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1846-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used, being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years, sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superseded almost every other pill in this neighborhood, and in a short time will banish them all. Earnestly recommend them to all persons needing physic, whether for Liver Complaint or Bilious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours,
J. L. MORRIS

CAUTION—As there are other Pills before the public called Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R. E. SELLERS, No 57 Wood st between Third and Fourth streets.

Hydropathy, or the Water Cure.

DR. FOR BENJ. W. MORRIS returns his sincere thanks to the citizens of Pittsburgh and Allegheny city, for the very liberal support and encouragement he has received within the last six months. That the Water cure should acquire such celebrity, is neither strange nor mysterious, when it is considered how great a number of cases of every variety of diseases, both acute and chronic, have been cured by a judicious use of it. In Germany, where it originated, six thousand of the worst cases, that were given up by the most skillful physicians of Europe as incurable, were cured by the immortal Priessnitz, the founder of the Water Cure. In England, France and America, thousands of hopeless cases have been cured by it, and the numerous Hydropathic establishments now in successful operation in the United States, speak volumes in favor of the practice.

Dr Morris having permanently established himself in the city of Pittsburgh, three doors southwest of Irwin's alley on Penn street, is now prepared to take a number of boarders and treat them at his house, and those who prefer being treated at their own dwellings, will be punctually and faithfully attended. He may be consulted at his office from 7 o'clock till 3 P. M., and from 7 to 10 in the evening.

N. B.—Every variety of baths made use of in the Water cure, both for ladies and gentlemen, can be obtained at the Establishment, on Liberty street, where they have been recently erected for the express use of Hydropathic patients, and where every attention will be given by the polite and attentive proprietors.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found it to relieve the distress in one case. The pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine in disorders of the stomach and bowels. A SHINN

Purify Your Blood.

MR. O. E. SIBLEY—Dear Sir: Last Spring, and during the previous winter, I was severely afflicted with a scrofulous complaint in my legs, and had been for some months under the care of physicians. They said my case was almost incurable, and they could do but little for me. I was nearly helpless, but with the aid of crutches could with difficulty get about. I purchased of you, and commenced using Bates's Sarsaparilla. After the use of two bottles, the sores commenced healing, and I laid aside my crutches, using only a cane. I dispensed with my cane, and at the end of the fourth, was as well as to assist all day in attending to my business. In all, I used five bottles. The scrofula and sores have all healed up, and since last summer I have seen no appearance of the disease, but have continued, and am now, in the most perfect health. I state this with confidence, hoping that others may be benefited in the same way, that the Sarsaparilla sold by you, has been the means and the only means of effecting the cure. CORNELIUS J. ROSE.

Pulmonary Balsam.

MESSRS. RILEY & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect on which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases preventive, and prevention is better than cure, I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

SELLERS IMPERIAL COUGH SYRUP.—It has proved to cure Pittsburgh, Feb. 14, 1847.

R. E. SELLERS.—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsful of Syrup always stops it.
