PITTSBURGH BOARD OF TRADE
COMMITTEE FOR AUGUST.
JAS. MARSHALL. JOS. PENNOCK. GEO. WEYMAN.

OFFICE PITTSBURGH GAZETTE, Friday Morning, August 11, 1848.

In reviewing the operations of the market yesterday, we find no variation in prices. Almost every thing dull, and transactions generally are confined to the regular limited or retail sales to trade.

The weather continues very warm and dry, and the river is gradually approaching the low water mark, but with some 4 feet water in channel, the middle and smaller class boats are performing with ease their regular trips to ports below.

FLOUR—The receipts yesterday were more full than for several days past. We note sales on the wharf of 100 bbls at 4,18, and of 100 bbls in different lots at 4,12½; 200 bbls were reported to us as having been sold before arrival, on private terms, supposing to be 4,12½. Sales of 150 bbls in lots from store at 4,25 ⅌ bbl, and a few small lots of a fine article at 4,31.

RYE FLOUR—Sales from store in a small way at 3 ⅌ bbl.

CORN MEAL—We note limited sales by the bbl at $1,50@1,62 as in quality.

BACON—The market is steady, and some activity is manifested in the way of general sales.—We quote regular sales of city cured at, for shoulders, 4c; sides, 4¼@4¼, and hams at 6c ⅌ lb. Sales of prime western cured bacon at, for shoulders, 4c; sides 4¼, and hams at 6c ⅌ lb.

GROCERIES—We have no change to notice in the market. Moderate sales of N O sugar are effected at prices ranging according to quality from 4¼ to 5½c ⅌ lb. In molasses the market is also very firm, with sales at 27½@28c ⅌ gall. Sales of S H at 40@45c. Coffee is a little dull, with sales of Rio to a limited extent at 7½@7¾c ⅌ lb. Sales of rice at 4½@5c ⅌ lb.

FISH—The market remains very steady, with no change in prices. Sales of 20 bbls No 3 mackerel in limited lots at $6 ⅌ bbl. Other kinds unchanged.

SOAP—Sales of common rosin at 4½@5c, and of variegated at 10½@11c ⅌ lb.

CANDLES—Sales of Pittsburgh star at 21c; of mould at 10½c, and of dipped at 9c ⅌ lb.

BUTTERSales of 20 kegs at 9½@10c ⅌ lb.—Sales of fresh roll from store at 12½ ⅌ lb, and of good cooking butter at 10c ⅌ lb.

☞ THE CLIMATE is strongly destructive to the human cuticle, (or skin) the sudden change from heat to cold, and the smoke creases yellow, dark, coarse complexions. Then it is reasonable that the pores of the skin should be kept open—that their mouths should be freed from impurity—twas thus the ancient Roman Philosophers cured all diseases—they compared that more diseases had their origin in subtle vapors flit through the pores of the skin, than any other outlet of the body It is necessary, there fore, to keep the pores open—all humors are dispelled, from the skin from the pores, when they wash with Jones' Italian Chemical Soap. I have seen it cure the worst and oldest cases of Salt Rheum, Erysipelas, Old Sores, Barber's Itch, Sore Head, Ringworm, where every other internal and external remedy had failed—is effect rendering the skin white, clear and soft, though it be yellow and coarse, is wonderful—it removes Freckles, Tan, Sunburn, Morphew, and disfigurement of the skin—but persons must be particular and ask for JONES Soap—to be had in Pittsburgh at WM. JACKSON'S, sign of the big boot, 89 Liberty st. Price 50 cents. nov18d&wly

THEY ACTED LIKE A CHARM!—The original, only true and genuine Liver Pill, prepared by R E Sellers, Pittstown, Va., June 7th, 1848.

MR R E Sellers—Some years since I was much benefited by using your Liver Pills, and as I am a great sufferer now, I enclose you one dollar, and wish you to send me the worth of it in Liver Pills, by mail. Be particular to send the same kind—they acted like a charm when I took them before. Yours, &c
A G CHAMBLIN

Prepared and sold by R. E. SELLERS, 57 Wood st. Sold by Dr. Cassel, 5th ward; D M. Curry, Allegheny; W. J. Smith, Temperanceville, and P Bravo, Lawrenceville.

CAUTION—All other pills called Liver Pills are counterfeits or imitations. je21

☞ Citizens are honorably assured that the following are the actual qualities of a da. bottle of Jones' Coral Hair Restorative. If they doubt our word, they cannot these highly respectable citizens, who have tried it:

Mr. Geo. Beckett, 41 Elm st, New York.
Mrs. Malina Reeves, Myrtle avenue, Brooklyn.
Mr. Wm. Tompkins, 92 King st, New York.
Mr. Thomas Jackson, Montour's Island.
J. Cullen, late barber steamboat S. America.

And more than a hundred others state, though this must suffice, that it will force the hair to grow on the head or face, stop it falling off, strengthen the roots, removing scurf and dandruff from the roots, and making light, red or gray hair assume a fine dark look, and keeping dry, harsh or wiry hair moist, soft, clean and beautiful, a very, very long time. Sold at WM. JACKSON'S 89 Liberty st. jy18

☞ Salt Rheum, Scurvy, Old Sores, Erysipelas Barber's Itch, Chaps, Sore Heads, Sore Breasts, Pimples.

Jones' Soap is used by many physicians in this city in curing the above, and we would not conscientiously sell unless we knew it to be all we state.

As a cosmetic, the true Jones' Soap is perhaps the only article ever known that removes impurities and clears and beautifies the skin, making it soft, clear, smooth and white as an infant's. Sold by WM JACKSON, 89 Liberty street. mar29

☞ The Soap, Angelic expression of some females is grateful to view, while the repulsive, coarse, muddy, yellow faces of others, excites disgust—the same with males. Could such people be induced to try a cake of the true Jones' Italian Chemical Soap, they would be entranced with the change. They would have a delicate, clear, white skin, while every disfigurement or eruption would be removed and cured.

PARTICULAR NOTICE.—Persons who have bought cheap cosmeticts and imitations of this, and have had no effect produced, must try this, the original. Mind, ask for Jones' Soap. For sale at WM. JACKSON'S, 89 Liberty street.

☞ Worms, by their irritation, augment the secretion of mucus or slime in the stomach, in which, all so, they involve themselves; and it is said they feed upon it, and if deprived of it they die. The celebrated Vermifuge prepared by B. A. FAHNESTOCK, Pittsburgh, Pa., is admirably adapted in its operation, first, to remove the protecting mucus, and secondly, to expel the worms rendered helpless and tender by being thus denuded. It is a remedy in which every confidence can be placed; and that it has answered the purpose is manifest from the hundreds of certificates given in its favor. je6

"That whiter skin of hers, than snow,
And pure as monumental alabaster."
All females have skin like the above, who use Jones' Spanish Lily White. It maketh pure snowy, yet naturally white. Sold at 89 Liberty street. jy15

☞ Ladies who use Jones' Spanish Lily White, have always a fine white transparent skin. Of this a trial will satisfy any one. Sold only in Pittsburgh, at 89 Liberty st nov18dnowly

☞ Don't have a Foul Breath—if you have, use a twelve shilling bottle of Jones' Amber Tooth Paste. This will make your breath sweet, whiten your teeth, &c—Sold at 89 Liberty st., jy18:d&wly

Smith Homans.

CONGRESS.

WASHINGTON, Aug. 9, 1848.

In the Senate, the Army Appropriation Bill was passed.

In the House, the Light House Bill was passed. The House is now engaged in discussing items in the Civil Bill.

The bill providing payment for the Armistead negroes was rejected.

WASHINGTON, August 10, 1848.

The Senate met at the usual hour and proceeded to the morning business.

The report of the Committee of Conference on the Naval Bill was adopted.

Also the bill ceding to Indiana the portion of the National Road in that State.

The Post Route bill was amended and postponed.

The Senate then laid aside the morning business and proceeded to consider the Oregon Territorial bill.

Mr. Webster in speaking of the bill declared himself opposed to the extension of slavery, under any and every form, now and forever,—and to all compromises.

Mr. Butler, of S. C., expressed opposite views, and called upon Southern men to emigrate to the new territories, and in spite of the Wilmot Proviso, to take their slaves with them.

Horse—A communication was received from Mr. Trist, giving a history of his agency in forming the Treaty with Mexico, charging the President with effecting the war to conquer and annex Mexico, and abusing the power entrusted to him, resorting to subornation of perjury. The communication was referred to the Committee on Foreign Relations.

AFTERNOON SESSION.

In the House, the Committee of Conference reported the Indiana Bill, with amendments, which were adopted. The House resolved itself into Committee of the Whole on the Civil Appropriation Bill Various amendments were considered,—that making appropriation for Savannah river was stricken out by a vote of 78 to 73.

The Committee arose and reported the bill, as amended, when the House took a recess until 5½ P. M.

In the Senate, the debate on the Oregon Bill was continued, and was of the most interesting character—Messrs. Douglas, Hale, Calhoun, Metcalfe, Niles, Johnson of Maryland, Berrien and Foote, taking part. The Senate took a recess until 5½ P. M..
