OFFICE PITTSBURGH GAZETTE, Tuesday Morning, October 24, 1848.

The markets yesterday were without any material change from previous day's quotations.

FLOUR—The receipts by river were light, and we could hear of sales only of a few small lots at 4,50@4,53c ⅌ bbl. The sales from store were also limited, being confined to dray load lots at 4,62 4,75 ⅌ bbl.

GRAIN—The market is without any material change; receipts are limited and operations light at former prices.

PROVISIONS—Nothing new to notice in the market. Small lots of bacon continues to arrive by river, and sales of good western are regularly effected in limited lots at 4¾, 4¾@4¾, and 7c ⅌ lb for shoulders, sides and hams. The supplies of city cured are light, with limited sales at ½ to 1c higher than the above figures. Lard may be quoted nominally at 7@7½c with light sales.

BUTTER—We note sales in bbls and kegs at 8½ to 9½c ⅌ lb. Receipts continue light.

CHEESE—Sales of good W R at 5@5½c as in quality, and of extra cream at 7@7½c ⅌ lb.

BRAN AND SHORTS—Receipts have been light, and supplies have fallen off. We note regular sales of the former from store at 70@71c, and of the latter at 14@18c ⅌ bu.

BEANS—Small sales are regularly effected from store at 70@75c ⅌ bu.

WHISKEY—Rectified remains firm, with regular sales in small lots at 21c ⅌ gall.

Counterfeit $100 bills, purporting to be on the Exchange Bank of Va., have been passed in that State. The bills are well executed but the paper is of whiter cast than the genuine notes.

RECEIPTS FLOUR, GRAIN, &c. AT THE WATER.—The quantity of Flour, Wheat, Corn and Barley left at tide water during the 2d week in October, in the years 1847 and 1848, is as follows:—

	Flour, bbls.	Wheat, bu.	Corn, bu.	Barley, bu.
1847,	103,584	50,286	124,811	137,391
1848,	129,686	162,037	80,272	82,093
Increase	26,102	111,751	Dec. 35,569	55,298

The aggregate quantity of the same articles left at tide water from the commencement of navigation to the 14th of October, inclusive, is as follows:—

	Flour, bbls.	Wheat, bu.	Corn, bu.	Barley, bu.
1847,	2,597,518	2,937,650	5,420,636	631,547
1848,	1,845,573	1,804,786	2,210,951	512,559
Decrease	1,051,945	1,132,894	3,209,685	118,988

By reducing the Wheat to Flour, the quantity of the latter left at tide water this year, compared with the corresponding period of last year, shows a decrease equal to 1,278,524 bbls of Flour.

New Bedford Oil Market, (week ending Oct. 16 Sperm—A good demand, and an advance of 1c ⅌ gall since our last. Sales include 1670 bbls at $1 01, and 150 on private terms. Whale quiet. A parcel of 1000 bbls, mostly N W Coast, sold at a neighboring port, at 34½c; 300 bbls do, here, at 35c cash, and a few small parcels, not worth reporting. Whalebone—Sale 8000 lbs N W Coast.

COFFEE SALES IN EUROPE—At Amsterdam: The Dutch Trading Company have recently made further sales of two lots, together 50,000 bags of Java, at about previous rates.

At Antwerp: There has been an increased demand, and 6000 bags Brazil sold at 17½@21c, 6500 St. Domingo, 20@22½; and 1000 do Java, 22½@27, the market closing firm.

At Hamburg: Of the recent arrivals there sold 6000 bags Brazil at 2 7-16@3¾; 1200 St. Domingo, 3@3¼; 5400 Laguayra, 3@3½; and 200,000 lbs Porto Rico, 3¼@4.

NEW YORK AND BOSTON WOOL MARKET.

New York, Oct. 18, 1848.

The New York market still continues inactive and depressed. Sales reaching 15,000 lbs of quarter to full blood merino at 24, 26, and 27 cents, and some 30,000 of city pulled at 22 and 23 cents, cash, and 4 months for No 1; and 24 and 26 cents for superfine. In the latter grades of fleece there is little or nothing doing, at least, not worthy of reporting.

In mind, however, he had at some prices, and it is the interest of the manufacturer and seller to share in the loss or discount, if it must come, before coming into the manufacturers hands; as also it is of the consumers to share the same between himself and the manufacturer whenever existing; for, in the long run, the interests of the grower, manufacturer and consumer are identical.

In Boston there has been a fair demand for domestic fleece, and late current prices are more readily obtained. In foreign there have been sales of washed at 21@22 cents, 6 months.

Our quotations are confined to sales.

Cattle Markets.

Baltimore, Oct. 20.—Cattle—The supply of beeves at market on Monday was pretty large and the demand was fair at about the same rates as last noticed. The offerings at the scales were to the extent of 1400 head, of which 1000 head were purchased by Philadelphia, Prices ranged from $2@2,57½ ⅌ 100 lbs on the hoof, equal to $4@4,50 net, and averaging 2,5½ gross.

Hogs—Sales of live hogs have been made during the week at $5@5,25.

Philadelphia, Oct. 19.—At market, 1520 beef cattle, 290 cows and calves, 1150 hogs, and 3500 sheep and lambs.

Prices—Beeves nearly all sold within the range of 4,75@5,50 the 100 lbs, 550 head were driven to New York and 60 left over.

Cows and Calves—Sales were mostly made $7 @$14 for dry, $14@$23 for springers, and $18@ $33 for fresh cows.

Hogs—Plenty and dull at 4,75@5,25 the 100 lbs.

Sheep and Lambs sold at $1@3 for sheep, and $1,50@2,50 for lambs, each as in quality.

Hay—Supply moderate and prices nearly steady. The bulk of the sales of timothy were at 70@80 the cwt. Straw brings $6@7 the 100 bundles.

New York, Oct. 16.—At market, 1600 beef cattle, (500 Southern,) remainder from New York State, 300 cows, 3200 sheep and lambs.

Prices—Beef Cattle—Market tolerably well attended during the week, and a demand prevailed sufficiently brisk to sustain prices, which we quote at 5@7c ⅌ lb. About 200 head undisposed of.

Sheep and Lambs—Prices—Sheep $1,12½ to $2, plenty, and come in faster than purchasers buy. Lambs—Unsold, 500.

COUGHS AND COLDS.—The frequent changes in the weather at this season of the year, invariably bring along with them coughs and colds, which by timely attention are easily cured by simple remedies. SELLERS' IMPERIAL COUGH SYRUP has been in use for the last 12 years, and has gained more reputation for the cure of coughs (not requiring active medical treatment) than any other preparation ever offered to the citizens of Allegheny county. The Imperial Cough Syrup is very pleasant to the taste, and in this respect is a great favorite with children. The doses are carefully graduated, in the directions, to suit all ages. That this long tried and highly popular cough remedy may be within the reach of all, it is sold at the low price of 25 cents per bottle.

Prepared and sold by R. E. SELLERS, 57 Wood st, Pittsburgh, D. M. Curry, Allegheny, and druggists generally in both cities. oct3

☞ Worms, by their irritation, augment the secretion of mucus or slime in the stomach, in which, all so, they involve themselves; and it is said they feed upon it, and if deprived of it they die. The celebrated Vermifuge prepared by B. A. FAHNESTOCK, Pittsburgh, Pa., is admirably adapted in its operation; first, to remove the protecting mucus, and secondly, to expel the worms rendered helpless and tender by being thus denuded. It is a remedy in which every confidence can be placed; and that it has answered the purpose is manifest from the hundreds of certificates given in its favor.

☞ The soft, Angelic expression of some females is grateful to view, while the repulsive, coarse, muddy yellow faces of others, excites disgust—the same with males. Could such people be induced to try a cake of the true Jones' Italian Chemical Soap, they would be enraptured with the change. They would have a delicate, clear, white skin, while every disfigurement or eruption would be removed and cured.

FASTIDIOUS NOTICE.—Persons who have bought cheap counterfeits and imitations of this, and have had no effect produced, must try this, the original. Mind, ask for Jones' Soap. For sale at WM. JACKSON'S, 59 Liberty street. mar24

☞ DYSPEPSIA is the bane of many a man's existence. No tongue can describe the sufferings caused by this distress ing disease. It unfits man for his station in life, wh atever it may be, and makes him feel as though he would rather not exist than endure such misery. Yet these sufferings are produced in the first place by derangement of the stomach, and if this were cured by using R. A. Fahnestock's Anti-Bilious Pills, the bowels would be cleansed, the accumulation of bile carried off, and a speedy and sure relief obtained. Prepared and sold by B. A. FAHNESTOCK & Co, corner 1st and wood, also corner 6th and wood sts. octi8

☞ Ladies who use Jones' Spanish Lily White, have always a fine white transparent skin. Of this a trial will satisfy any one. Sold only in Pittsburgh, at 59 Liberty st noy18andw1y

☞ Don't have yellow dark Teeth—they can be made pearly white by one time using a box of Jones Amber Tooth Paste. It hardens the gums, sweetens the breath, &c. Sold at 59 Liberty st. nov19d&w1y

☞ Don't have a Foul Breath—If you have, use a twelve shilling Bottle of Jones' Amber Tooth Paste. This will make your breath sweet, whiten your teeth, &c.—Sold at 59 Liberty st. nov19d&w1y

☞ The excessive or morbid secretions of bile is well known to cause violent disturbance of the digestive organs, and bring on malignant and unmanageable fevers, which often put an end to life. The stomach must be cleansed of these foul secretions, and this can most readily be accomplished by the use of B A Fahnestock's Anti-Bilious Pills, which are a most valuable family cathartic. They can be given with safety at all times, and afford relief in a very short time.

DR. M'LANE'S WORM RECEIPT.—M'Lane's Vermifuge has long been admitted to be the best medicine ever discovered for expelling worms from children. The following certificate speaks volumes in its favor:

"MARENGO, WATKE CO. N. Y.

"I certify that I have used M'Lane's Vermifuge, and found it all that it is recommended to be, and have sold it, and have in all cases found it a speedy and sure cure. WM. S. FARCHER."

Consulting Engineers & Counsellors for Patentees!

Office for procuring and defending Patents, imparting information on Mechanical subjects, and the application of Science to the Arts, and on American and Foreign Laws of Patents.

PROF WALTER R. JOHNSON, late of Philadelphia, and Z. C. ROBBINS of Washington city, (to be aided by Hazard Knowles, Esq., late Machinist to the United States Patent Office,) have associated themselves together for the prosecution of the above business, as a professional business, either in their office, at the Patent Office, or before the Courts, and will devote their undivided attention to investigating the merits of inventions and improvements, and others who may consult them or place business in their hands. Mr. Knowles has for the past twelve years held the post of Machinist in the United States Patent Office, and resigns that situation to join them in the present undertaking. His talents and peculiar fitness for the important office so long filled by him, have been fully recognised by inventors wherever his name is well known.

The office of Messrs. J. & R. is on F street, opposite the Patent Office, Washington, D. C., where all communications, post paid, will be promptly attended to; examinations made, drawings, specifications, and all requisite papers prepared—and models procured when desired—on reasonable terms. Letters of enquiry, enclosing $5 to be answered after examinations had, must be accompanied by a fee of five dollars.

In the duties of their office which pertains to the Patent Laws, Messrs. J. & R. will be assisted by a legal gentleman of the highest professional character, and fully conversant with Mechanics and other Scientific subjects. may20:d&w1y*

DOCTOR YOURSELF!

FOR 25 CENTS!—By means of the Pocket Esculapius, or every one his own Physician! twentieth edition, with upwards of a hundred engravings, showing the private diseases in every shape and form, and malformation of the generative system, by W. YOUNG, M. D. The time has now arrived, that persons suffering from secret disease, need no more become the victim of quackery, as by the prescriptions contained in this book any one may cure himself, without hindrance to business, or the knowledge of the most intimate friend, and with one tenth the usual expense. In addition to the general routine of private disease, it fully explains the cause of manhood's early decline, with directions to marriage—besides many other desirable matters which it would not be proper to enumerate in an advertisement.

Price only 25 cents enclosed in a letter. Any person sending 25 cents enclosed in a letter, post paid, will receive a copy of this book, by mail, or five copies will be sent for one dollar. Address "DR. W. YOUNG, No 152 Spruce street, Philadelphia," post paid.

WANTED—Proprietors of drug or book stores, and pedlers, in every town throughout the United States, to act as agents for the above work. oct7-d&d3m

EMIGRATION TO CALIFORNIA.—Among the emigrating parties to California, from Kentucky, of which we have heard, is one forming near Bloomfield, Nelson Co. under the name of 'The Californian Emigrating Society.' The Society consists at present of about 30 members, chiefly the heads of families. It is composed of the most worthy and respectable citizens, men of intelligence and substance. It is made up of professional men, farmers and mechanics, nearly all of them land proprietors and in independent circumstances. At the head of the Society is Dr. H. Bascom, brother of President Bascom of Transylvania University, a gentleman highly esteemed by his fellow citizens for his professional worth, piety, integrity, and intelligence.—*Louisville Courier.*

CORRECTION.—In our last number, in speaking of Mr. Delano's recent Taylor speech in this place, we stated that we understood that he had been a private letter in black and white, from Gen Taylor, to an individual, containing pledges that if elected to the Presidency, he would not use the Executive patronage, nor interpose the Veto power to prevent the application of the Wilmot proviso to the free territories.

It seems we misapprehended Mr. Delano in this matter, and we cheerfully make the necessary correction. Mr. D. in a personal interview, informs us that the letter referred to by him, was not from Gen. Taylor, but from a gentleman of high standing in Louisiana, who is well acquainted with Gen Taylor's sentiments in regard to the Executive patronage, the Veto power &c.—*Alt. Vernon Ohio Times.*

MONUMENT TO JAMES ROSS, ESQ.—We understood Mr. Joseph Maples, of Philadelphia, is erecting a very splendid monument, in the Allegheny Cemetry, to the late James Ross, Esq. The Philadelphia Inquirer, in a notice of the monument, says We take great pleasure in commending this excellent and enterprising artist to the citizens of Pittsburgh. It has been but a short time since we announced to the public, that this gentleman executed a monument to the memory of the late illustrious Senator from Louisiana, Hon. Alexander Barrow. The monument now erected we understand to be one of the largest and most splendid in Pittsburgh.

LOCO FOCO DIRGE.

Dedicated to Joseph Hoxie, Esquire.

We've gone in the Keystone'
Oh! oh! oh! oh! Wo! wo! wo! wo
We're beaten by Johnson,
All the *fat's* in the fire!
With the ague, we're shaking,
And we long in Sorrow;
For to Polk, comes no waking
To Dallas, no morrow.

The song of the reaper,
Was gladsome and cheering,
But the voice of the weeping,
Will spoils disappointing:
The ruthless Whigs rushing,
Seize the soils that were dearest
And our hopes were in flushing
When blighting was nearest.

Work Foote in Committee'
Barke rouse them from slumber,
Or Washington City
The Whigs will encumber!
Seize all that's worth taking,
From the Treasury borrow,
Or to Cass comes no waking
To Butler no morrow.

OHIO ELECTION.—The Ohio State Journal, of Saturday, states that the official returns, as they come in do not seem to change the result much on either side, but that there no longer remains a question of the election of Gen. Ford, by an extremely close vote, probably not over 300.
