MEDICAL.

DR. TAYLOR'S BALSAM OF LIVERWORT

This medicine is prepared according to a recipe procured from a celebrated German physician, who has extensively used it in his practice for upwards of twenty years, in the treatment of THE LUNGS, upon which evidence it could be presented to the public—which induced him, after unasked tests in numerous cases of Pulmonary Complaints, to offer this preparation. It has been thoroughly tried by hundreds, now in good health, who can say that they owe their preservation from an early grave, to the use of this medicine
