THE COUNTERFEITERS.

He must be a miserable villain indeed, who would place the life of a fellow being in danger, for the purpose of making money.

TO HONEST CITIZENS.

What do Druggists prove by making and selling Counterfeit Pills purporting to be

Brandreth's Vegetable Universal Pills

1st.—That they are without HONEST and HONORABLE principles.

2d.—That no other medicine is required by the public; or why do not these druggists counterfeit other pills in the same way they do Brandreth's?—Simply because no others save Brandreth's Vegetable Universal Pills ever effected the extraordinary cures that these Pills are known—UNIVERSALLY KNOWN—to have effected.

There never was a person who used the

VEGETABLE UNIVERSAL PILLS,

Who did not recommend them in terms of the most unequalled praise.

Nevertheless, these counterfeiting druggists have done & are doing the character of the Genuine a great deal of injury; but it is hoped that individuals will not allow themselves to be deceived by designing persons, whose only object is to make money, and who are perfectly careless of consequences. It is a matter of no importance to them whether the poor child is rescued from a bed of sickness and restored to the yearning arms of its parents, or whether him on whom a large family rely solely upon for support, is prevented from filling an early and untimely grave. The time may come when the greatness of their guilt shall become clear to their benighted understandings, and then it is hoped they will endeavor to make some amends by the after parity of their lives.

Every authorized agent has a copperplate certificate of agency, and has it exhibited in his store. Never purchase unless this is seen; and have some regard also to the character the agent bears among his fellow citizens. He must be a miserable villain who would place the life of a fellow creature in danger for the purpose of making money.

Dr. Brandreth's Offices in Philadelphia,

Principal, No. 8, North 8th Street.
Minor office, No. 43, Chestnut Street, near 2d st.

Remember the above officers are kept exclusively for the sale of the true and genuine Brandreth's Pills.

The following persons are duly authorised Agents for the county of Cumberland, in the State of Pennsylvania, whose respective names are:

GEORGE W. HITNER, Carlisle.
S. CULBERTSON, Shippensburg.
JOHN MOORE, Newvie.

N. B. No druggist, apothecary or pedlar, is allowed to sell the genuine Brandreth's Pills, under any circumstances whatever. Also observe when you purchase of any advertised Agents, that they have a certificate of agency, signed and sealed by me,

INDIAN QUEEN HOTELL

SOUTH FOURTH STREET, PHILADELPHIA.

DAVID MILLER,

RESPETFULLY informs his friends and the public, that he has removed from the Western Hotel in Market street, to that large and commodious hotel formerly kept by Mr. B. Duke, sign of the

INDIAN QUEEN.

This hotel is situated in South Fourth street, between Market and hestnut streets, in the very centre of the business part of the city, and will therefore be found very convenient for merchants and business men generally.

The buildings have been thoroughly and completely repaired by the subscriber, and no expense has been spared in arranging and furnishing the rooms so as to promote the comfort and convenience of those who may favor the house with their custom.

Gentlemen travelling with their families can have private parlors furnished in the best manner with chambers attached to them, where they can enjoy privacy and seclusion, or the companionship of their friends, as may be most desirable.

The BAR and CELLARS have been provided with the best LIQUORS and the choicest WINES of every description.

The TABLE will at all times be supplied with every delicacy which the season and market can afford, and every exertion made to please the palate of for customers.

The READING ROOMS are well supplied with the leading journals of different cities, as well as with a great variety of the country journals of the State.

The SERVANTS will be found careful and trust worthy.

Attached to the hotel are very extensive STABLES, calculated to accommodate one hundred horses, and under the superintendance of careful and attentive hostlers.

D. M. returns his sincere acknowledgements for the very liberal encouragement heretofore received; and feeling confident that he can furnish his guests with fare which will lose nothing by a comparison with other houses, and that his appartments, and their furniture, are fully equal to those of any other hotel in the city, he respectfully solicits a further share of public patronage.

TEETH.

SILICIOUS METALLIC, OR MINERAL INCORRUPTIBLE TEETH.

Is has for many years been a great desideratum among European and American Dentists, to manufacture Teeth from incorruptible materials which should imitate the natural living Teeth.

Many have devoted years to unsuccessful operiments, and others have succeeded in manufacturing teeth of materials similar to the porcelain ware, but generally they have an opaque white appearance, by which they are easily distinguished from the human teeth.

After long and tedious experiments, the subscriber has succeeded in manufacturing teeth of materials entirely incorruptible, and perfectly in imitation of human teeth. They have a semi-transparency, and are made of various sizes and shades.

In cases where absorption of the aveolar process, or other causes may render it necessary, he will cast of he same materials attached to the teeth, artificial gums, which shall imitate the gum and supply the loss of substance

It is entirely impossible for these teeth to change their color, or cause foetid breath.

He will insert them from one to entire sets, in such manner that they will make articulation of the voice perfect, and materially assist in mastication, and so that they cannot be distinguished from the most beautiful natural living teeth by the most scrutinizing observer.

He also performs all the various operations in Dental Surgery, according to the late scientific improvements in the art.

He flatters himself that by strict attention to business and a disposition to please, to merit and receive a share of public patronage.
