PITTSBURGH BOARD OF TRADE COMMITTEE FOR MARCH.

P. LORENZ. ROBT. BELL. C. ZEG.

OFFICE, PITTSBURGH GAZETTE, Tuesday Morning, March 13, 1849.

The markets yesterday were generally without change, every thing was quiet, and quotations were without any material change. The river continues in fine navigable order, and business along the wharf presents considerable activity.

FLOUR—Considerable lots arrived by river yesterday, but up to a late hour, holders were asking higher figures than met views of purchasers, and sales were limited. Sales in small lots were effected at $4.50 ⅌ bbl. $4.56@$4.60 were about the ruling brackets at the river.

RYE FLOUR—Receipts continue light, and there is a fair request from store at $3.12½@$3.18 ⅌ bbl.

CORN—Supplies are limited, and little doing in the way of sales. We may quote nominal at 52@55c ⅌ bushel.

GROCERIES—The market is unchanged in every particular. No heavy transactions have taked place. We can, therefore, only quote a fair regular run of sales to city trade as follows:—N O sugar, common, 4½ fair 4¾@5 and prime at 5¼@5½ ⅌ lb. N O molasses 27@32c, sugar-house 30@35c. Rio coffee is steady at 7½@7½c. St Louis refined loaf sugar 8@10c, as to quality. Further sale of rice at 4½ ⅌ lb in bulk.

PROVISIONS—Good bacon is in fair request with regular sales in lots of 500 to 1,000 lbs. at, for shoulders 4½, sides 5½, and hams at 6@6½ ⅌ lb. Of bulk meat we hear of no sales to any large amount, as a general rule, held at 4c, hog round. Lard is inactive, with jobber sales only at 5½ in bbls, and 5@5½ in kegs, according to quality.

BUTTER—Receipts have been light and with small supplies in market, we notice limited sales only at from 12c in bbls for common to prime, and 15@16c for good keg.

CHEESE—Sales W R at 5½@6c, old cream at 7c and of Goshen at 8@9c ⅌ lb.

ASHES—We notice nothing new in the market. We quote limited sales to city consumers, at the following figures.—Pearls 6c, Pots 4½@5c.

BEANS—Sales of small white at $1 25@$1 30 ⅌ bushel.

SEEDS—Cloverseed—Sales at 3c ⅌ lb.

FEATHERS—Sales of Western at 30c ⅌ lb.

FISH—Sales of salmon at $15.50 ⅌ bbl No 1 mackerel at $11.50, No 2 $8.50, and No 3 at $6 ⅌ bbl. Sales of herring at $6, and of codfish at $4.50@5.50 ⅌ drum.

FOR NASHVILLE—The fine light draught steamer Geneva, Capt. Wilkins, having been unavoidably detained, will leave as above this day, without fail. She is an excellent boat and offers superior accomodation to travellers.

STEAMBOAT ACCIDENT—The favorite packet, Madison Belle, while running near Carrollton, Monday evening, broke a shaft, and threw the piston out through the cylinder, breaking out both heads. Fortunately no person received any injury by the accident. The Belle is now tying up at Madison for repair.—Cin Com

CINCINNATI, March 5, 1849.

MIAMI CANAL—The water was let in below Dayton on Monday, and will reach here this morning. The canal will be full by to-morrow night, and we expect all that the obstruction near Dayton will be removed by Saturday, when boats will be able to go through to that place.—Cin Atlas

"ECONOMY IS WEALTH," and if Mr Shields had that been governed by the above motto, he might have saved money and himself much physical suffering, but read the following letter, dated April 10th, 1845:

Mr. Wm. Shields, a respectable farmer of this vicinity, was taken ill; called in a Doctor who dosed him for Dyspepsia for one year, but he still got worse. He then discharged his Doctor, and paid him thirty dollars. He then got a vial of your vermifuge, and one box of Sanative Pills, and by the use of these medicines (costing only 50 cents) he discharged, he says, at least one thousand worms, and in two weeks was so improved in health as to attend to his business, and has been in good health ever since, and says Dr Byrne's Vermifuge and Sanative Pills have made a sound man of him. Notice to Daguerreotype Artists.

JUST received a small invoice of VOIGTLANDER'S QUICK WORKING INSTRUMENTS of construction. The instruments do possess great advantages over all other instruments in use. Size Plate, reduced the time of sitting one half and producing a sharper, clearer and more defined picture. The Lenses are of the best quality, and are made expressly for the Daguerreotype. Price for the Lens $25.

Also, a variety of American Instruments, from $5 upwards. A small assortment of Daguerreotype Materials, at the lowest prices.

Persons in Western Pennsylvania, Western Virginia and Ohio, can have the instruments sent to them by forwarding the money to the subscriber, Pittsburgh.
