Consumption and Death

Will most assuredly be the early fate of those who neglect themselves when afflicted with the promonitory symptoms of consumption, such as cold, cough, bronchitis, or soreness of the throat, hoarseness, difficult expectoration, asthma, spitting of blood, &c. Dr. Duncan's expectorant remedy is expressly prepared for the removal and cure of those dangerous and troublesome diseases. Therefore, you who are laboring under the influence of these complaints, procure immediately this medicine before it be too late. One bottle may be the means of prolonging your life. Always ask for Dr. Duncan's Expectorant Remedy, and see that you get it, and not be persuaded by some who sell different medicines to take some of their medicine in preference. These persons obtain some cheap thing, and palm it on the public at full price. It is therefore important for purchasers to be on their guard.

Dr. Duncan's Expectorant Remedy is put up in large sized bottles, and enveloped in blue paper.—The outer form contains a fine steel plate engraving representing "Hope in a Storm."

E. ROBINSON & CO.

Have located in Carlisle for the purpose of manufacturing and selling

Hathaway's Patent "Hot Air Cooking Stoves."

And being aware that the people in this place and vicinity, have been much imposed upon by the introduction of new and highly recommended articles which they have been induced to purchase, and which have been so slightly made, and of such bad material, that in a short time they have failed and become useless. We, therefore, do not intend offering stoves for sale until they are fairly tried in this community, and pronounced more durable in their construction, better adapted to the purposes of boiling, baking and all the varieties of cooking than any other stove; also; that they are a great saving of fuel as well as labour.

☞We earnestly invite farmers as well as residents of this place and the neighboring villages, to call on us at S. Wunderlich's hotel, or notify us by letters (postage unpaid) that they are willing to try our stove—and the stove shall be placed in the kitchen of every person giving us such notice, and taken away after trial, without any expense to persons making the trial.

The stoves will be kept for sale at the Tin Shop of Mr. Jacob Fridley, and at the Foundry of Messrs. Lay and Stouffer, in Carlisle.

Having contracted for *One Hundred Tons* of Castings, we will, in a few days, supply stove dealers with all the different sizes, on the most liberal terms.

EEZAZOR ROBINSON, of Carlisle, is agent for selling the right to make and vend the HOT AIR STOVE, and will dispose of counties in this and the adjoining States.

We publish the following recommendations from some of those who are using the stove, to encourage others to try it.

Carlisle Sept. 12, 1841.

I have in use in my kitchen one of Hathaways patent Hot Air Cooking Stoves, and can recommend it as a very superior article. The one I have is No. 3. It has 3 boilers and an oven sufficiently large to bake six loves of bread. The baking, roasting and broiling can all be done at the same time and with much less wood than is required for any stove which we have used.

This size appears to be peculiarly calculated for Farmers, and for their benefit I invite them to call and see the stove in use, as I shall take pleasure in showing this stove to all whom interest or curiosity may lead to examine it.

SIMON WUNDERLICH.

Carlisle, Sept. 11, 1841.

Messrs. E. Robinson & Co.—GENTLEMEN, I have during the few days I have had your Hathaway's Hot Air Stove in use, become convinced of its great superiority over all other stoves I have used or seen. I find by the trial that boiling, roasting, baking and broiling may all be done at the same time, in a most perfect manner, and with less than one fourth the fuel I have ordinarily used for the same purposes. I have heretofore been of the opinion that bread could not be well baked in a cooking stove, but I am convinced upon trial that it can be done as well in your stove as in a brick oven.

I believe that the general introduction of your stove into use will be very beneficial to the public, therefore I shall take pleasure in recommending it to my friends. Yours respectfully,

WILLIAM MOUDY.

Carlisle, Sept. 10, 1841.

Messrs. E. Robinson & Co.—Gentlemen, I have fairly tested the "Hot Air Stove" which you put up at my house, and can recommend it as possessing principles of economy and convenience far surpassing any other stove which I have ever seen.

The boilers coming in immediate contact with the fire gives it great facilities for boiling, and the oven is heated on such a principle that bread is baked in as fine a manner as in a brick oven. I find it also a great saving of fuel and labour, and would advise all to adopt it. MITCHEL McLELLAN.

Chambersburg, Sept. 6, 1841.

I do certify that I am now using one of Hathaway's Patent Hot Air Cook Stoves, No. 3, and do recommend it as superior to any stove I have seen, the great saving of fuel, and the variety that can be cooking at the same time, makes it an object to those who wish to facilitate the operations of the kitchen.

COUGHS & COLDS,

THE CAUSE OF CONSUMPTION—Simple as these complaints are usually considered, no one can deny their being the *most common cause of this* fatal and distressing disease. It is indeed a melancholy truth, that thousands fall victims to Consumption every year from no other cause than *neglected colds.* Yet we find hundreds, nay thousands who treat such complaints with the greatest indifference, and let them run on for weeks and even months without thinking of the danger. At first you have what you may consider a slight cough or cold; you allow business, pleasure or carelessness to prevent you from giving it any attention; it then settles upon your breast, you become hoarse, have pains in the side or chest, expectorate large quantities of matter, perhaps mixed with blood, a difficulty of breathing ensues, and then you find your own folly; neglect has brought on this distressing complaint. If then you value life or health, be warned in time, and don't trifle with your Cough, or trust to any *quack nostrum* to cure you, but immediately procure a bottle or two of that famous remedy, the "BALSAM OF WILD CHERRY" which is well known to be the most speedy cure ever known, as thousands will testify whose lives have been saved by it.

☞Be very particular when you purchase to ask for "Dr WISTAR'S BALSAM OF WILD CHERRY," as there is also a SYRUP of this name in use.

Prepared, wholesale and retail, by WILLIAM'S & Co., Chemists, No. 33 South Fourth street, Philadelphia.

ANOTHER LIFE SAVED.

By the extraordinary virtues of that unrivalled medicine, the "BALSAM OF WILLD CHERRY," the well-known famous remedy for CONSUMPTION AND LIVER COMPLAINT, COUGHS, COLDS, ASTHMA, BRONCHITIS, CROUP, WHOOPING COUGH, &c. &c.

Williamsburg, Sept. 4, 1841.

To Dr. WISTAR—Dear sir, it gives me great pleasure to say, I have found much relief from your Balsam that I have to send to you for more. I have only used three bottles out of the half dozen purchased, yet it has done me more good than all the medicine I have ever taken before. A neighbour of mine whose wife was very low with *Consumption*, persuaded me to let him have some of it, and bought three bottles, which she has taken also. I saw her a few days ago, and she told me she believed it was the only thing that had saved her life. She had tried every thing before, but nothing did her any good, and when she commenced taking it was sick in bed, but is now up, and looks better than I ever saw her before. As for myself I am sure it will cure me entirely, for I feel better every day. Send me six bottles more by the bearer, as my neighbor wants three more.

Read what it has Done.

And if you have a friend, a relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them without delay to try that famous and unrivaled medicine, the "BALSAM OF WILD CHERRY," which has cured thousands of this complaint after every thing else had failed. Read the following undoubted proofs of its efficacy.

ROXBOROUGH, Sept. 10 1841.

DEAR SIR:—Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believed this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months. Yours, respectfully,

JAMES KELLY.

HOLMESBURG, Sept. 12. 1841.

FRIEND WISTER:—I must again trouble thee to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,

JACOB HOLLOWAY.

BRISTOL, Sept. 8 1841.

DEAR DOCTOR.—Hearing so many people talk of the wonderful cures your Balsam of Wild Cherry has made in Consumption, I sent to one of your Agents the other day for a bottle, and have found it to have relieved me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used Jayne's Expectorant and other medicines besides, but nothing has ever done me as much good as yours has. Send by the steamboat Bolivar.

Yours truly, WILLIAM THOMAS.

☞Besides its astonishing efficacy in Consumption, it is also the most effectual remedy ever discovered for LIVER COMPLAINTS, ASTHMA, BRONCHITIS, COUGHS, CROUP, WHOOPING COUGH, &c., as hundreds will testify who have been cured by it after all other remedies had failed.

DRUGGISTS and DEALERS will find this medicine a valuable addition to their stock, and should always keep it on hand, as it is universally acknowledged to be one of the most useful family medicines now in use.

CROUP IN CHILDREN.

MOTHERS, BE ON YOUR GUARD.—This is the season when this destructive complaint attacks your interesting little children, often robs you of those you fondly doat on, and carries hundreds to the grave. Every mother should therefore, know its symptoms, watch them closely, and always be prepared with a remedy to cure it, as many are daily sacrificed by such neglect. At first the little patient is seized with a shivering, it grows restless, has flushes of heat, the eyes become red and swollen, it breaths with difficulty, and then comes that fearful cough that will surely terminate in convulsions or death unless something is immediately given to check it. In this complaint the "*Balsam of Wild Cherry*," is well known to be the most speedy cure ever discovered. It is indeed a precious remedy—mild, safe and innocent, and is sure to give the little sufferer immediate relief, and quickly restore it to safety and health. Families residing in the country and indeed every mother who loves her children, should always keep this medicine in the house and give it to them early, by doing so you may often save the life of one you fondly love. Remember this is the famous remedy of this distinguished physician, Dr. Wistar, which has cured thousands of CROUP, WHOOPING COUGH, ASTHMA, CONSUMPTION, &c., after every other medicine has failed.

☞Be particular when you purchase to ask for "Dr. WISTAR'S BALSAM OF WILD CHERRY," as there is a SYRUP of this name advertised that is entirely a different medicine.

DAVIES'

Family Anti-Bilious Pills.

These valuable pills are very gentle in their operations causing neither pain, griping nor any unpleasant sickness. They exercise a powerful influence over the stomach and bowels and clearing the alimentary canal of the accumulating mass of vitiated humors, they carry off phlegms, watery matter, putrid green stools, black jaundice, pains in the side and limbs, headache, piles, sick stomach, disordered bowels and worms. This medicine is also an infallible cure for fever and ague.

☞ALSO,☜

Davies Panacea Blood Pills,

For the cure of consumption, diseased wind-pipe, ulcerated sore throat, lungs and liver complaint, night sweats, flushes of heat, burning in the stomach tightness across the chest, pains in the breast and side, inward cancers, piles, sore eyes, sore legs, ulcers of every description, swellings, rheumatisms; they stop the spitting of blood and heal the part affected. The Panacea Blood pills are prepared expressly for the strengthening of every part of the system and healing all sores and sores, purifying and removing all bad humours from the blood, which is often brought on from too much sitting or standing, or by exposure from sudden heat to cold. Weakly debilitated persons are particularly advised to use them, as they strengthen the body in a superior manner; they are not intended to operate on the bowels so much as on the blood, as too much purging will destroy any weakly constitution, and has carried off its thousands to a world unknown to us. Take the advice of one who studies to save life and not to kill; weakly and debilitated persons should not purge more than once a year as it often times brings on consumptiveness.

ALWAYS BEAR THESE IN MIND.

Stafford county, Va Sept. 7 1840.

Dear Sir:—I write to let you know that the Lord has done great things for me, whereof I am glad—When I saw you in Fredericksburg, I think I said I had been afflicted with a very acid (sour) stomach, and subject to a violent pain in my head for more than twenty years, for which I took rhubarb and soda three or four times every day for this many years, with little or no relief, and my legs and ankles were so much swelled that I was unable, at times, to attend to my business. But since you made me a present of a box of your Family Pills I have taken one or two of them at night in going to bed, and now my acid stomach is relieved, the swelling in my legs has nearly disappeared, and I do not think that I have been hindered one day with the pain in my head since I began to take your valuable medicine. I think the Lord directed you to Fredericksburg, to administer to my relief. (Blessed be his holy name, I am greatly relieved.) There is living in my neighborhood a poor old woman who had been sick a long time and could get no relief, at length I purchased a box of your pills and gave them to her, after a while I saw her out and about her business, and she said that the one box had cured her. I have spread the fame of your valuable medicine amongst my acquaintances, and many have purchased. Now, as it respects myself, my friends tell you the reason why I go to town, that they have not seen me look so well for many years, and I say to them, "I will tell you the reason why; a short time ago I met with a Dr. Davies in town, and he gave me a box of pills, and they have made me look as you now see me." And now, my friend, I hope that the Lord will continue to be with you, and make you useful to your fellow-creatures, as he has hitherto done. I remain with respect,

CHARLES BRUCE.

Several Females have been cured of the falling of the womb, by taking very small doses at intervals.

Harper's Ferry, August 11, 1840.

DR. WM. DAVIES—Dear Sir:—I am happy to inform you and the public, that I have been cured of that dreadful disease the Rheumatism, by taking your Family Pills. I have been labouring under that disease for more than a year, during which time I tried the skill of the best physician without effect, at length I was induced to try your medicines; I found relief after taking half a box, I continued to take them until I had taken five boxes; my age is 71 years, and I consider that none but the old and rheumatic persons know how grateful I feel to the medicine that has restored me to health.

Yours, respectfully, JOHN DYE

WE, the undersigned, are agents at Harper's Ferry for the sale of Dr. Davies' Family Pills, we know our neighbour, Mr. Dye, sold him the pills of which he speaks so highly, and believe his statement to be substantially true.

Respectfully, W. & S. B. ANDERSON.

Mrs. C. Burton, near Locust street, was diseased or seven years with a lump in the left side, bumps all over her skin pains around the small of her back running into her stomach, which prevented her (to use her own words,) from eating one particle of meat; the first dose removed the lump, and two boxes set her at liberty.

I was severely diseased with the blind piles for twenty months, and prostrated from the loss of blood; and one and a half boxes of Davies Family Pills has made an entire cure of me. J. JOHNSON.
