Dr. Leidy's Blood Pills and Worm Tea, for sale by Myers & Haverstick.

WHO EVER HEARD OF

Dr. Leidy's celebrated Ointment

failing to cure the Tetter, Itch, Dry and Wattery Pimples of the face and body, Scaly Eruptions and all Diseases of the Skin?

Of the many thousand bottles sold, (it is put in bottles with the words 'Dr. Leidy's Tetter and Itch Ointment" blown in the side) never has an instance been known or heard, from where it failed. A number of references can be made, where it has been used, in schools, factories, on board of vessels, and in families, and certificates could be published of them, but for the delicacy in having names published in connection with so loathsome and disagreeable affections. By using Dr. Leidy's Sarsaparilla blood Pills and this Ointment together, the combined effects must be to renovate the inner as well as the outer man. Now is the time to cleanse and purify the blood, and make smooth, clear and clean the skin and complexion. Price 25 cents a bottle.

Dr. Leidy's Tetter and Itch Ointment.

AN infallible remedy for various affections of the Skin, removing Pimples, Pustules, and Eruptions, of the Skin, and particularly adapted to the cure of Tetter and the Itch.

This ointment has been used in numerous schools throughout the city and county, as well as Factories, employing numerous girls and boys, and among whom Tetter and Itch, as well as other Affections of the Skin, prevailed, with the most unexampled success. Names of School Teachers, as well as Superintendants and Proprietors of Factories, could be given, confirming the above, but for the delicacy they feel in having their names published in connection with such loathsome and disagreeable affections.

IT CANNOT BE DENIED

(For Truth is Mighty) that

☞ *DR. LEIDY'S SARSAPARILA* ☜

Is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made.

It is warranted to be stronger than 6 bottles of MOST others—stronger than four of SMME, and stronger than three of the STONGEST prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in preference to any other. All who have ever used it, have derived more benefit from one bottle than three to ten of others; and those who, after having used other's preparations, without benefit, will use Dr Leidy's, will soon be convinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts used in his preparation of Sarsaparilla is prepared is the only one in the United States imported by Dr. Leidy himself from the celebrated house of Pelletier & Cavenlou, in Paris, at a great expense, and is capable of extracting the medical virtues of Sarsaparilla and other roots, more effectually than by any other process.

AS SEVERAL HUNDRED CERTIFICATES OF remarkable cures, and recommendations from clergymen and physicians have been from time to time published, in different papers, it is only thought necessary to keep the public acquainted as to where Dr Leidy's Sarsaparilla can be obtained in this city genuine, namely, at Dr. Leidy's Health Emporium, 191 north Second street, near Vine st. (sign of the Golden Eagle and Serpent), Fred. Brown's James Bond's and Fred. Klett's Drug Store. Price ONE DOLLAR per bottle, 4 bottles for $5 50.

Worms! Worms!

IF parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea they never would be without it in their families, as children are subject to all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much of times, from so many things being given them for worms, without any effect. Much medicine given to children has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12½ cents a small, and 25 cents a large package. Prepared only, and for sale, wholesale and Retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpent,) Philadelphia.

WISTAR'S BALSAM OF WILD CHERRY

GREAT REMEDY

FOR

CONSUMPTION OF THE LUNGS

Affections of the Liver, Asthma, Bronchitis, Coughs, Weakness of the Breast, or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs and all affections of the Pulmonary Organs.

NATURE'S OWN PRESCRIPTION.

A compound Balsamic preparation of the *Prunus Virginiana* or "Wild Cherry Bark," combined with the *Extract of Tar*, prepared by a new chemical process approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

NO QUACKERY!!! NO DECEPTION.

In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are labouring under affliction, nor do we desire to eulogize it more than it justly deserves. Yet when we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly or say too much in its favor.

Such, indeed, are the

SURPRISING VIRTUES.

Of this Balsam, that even in the advanced stages of CONSUMPTION, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despaired of.

In the first stages of the disease termed "*Catarrhal Consumption*," originating from *neglected* COLDS, it has been used with unfailing success and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone.—In that form of *Consumption* so prevalent amongst delicate young females, commonly termed debility, or

"GOING INTO A DECLINE,"

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicine we have ever possessed.

For particulars, certificates, &c., see Dr. Wistar's pamphlet.

FACTS WORTH KNOWING

Dr. Leidy's

Sarsaparilla Blood Pills,

Are the only Pills in existence containing Sarsaparilla.

Their composition is of a peculiar character, composed of Vegetable Extracts that are diuretic, sudorific, expectorant and cathartic, by which combination they are adapted to most forms of disease and may be taken at all times, by young and old, robust and feeble, with perfect safety, without interfering with habits, occupation, or regular course of living.

They will, at all times, be found serviceable as a Purgative cleansing the stomach and bowels, as well as a purifier of the blood and animal fluids, in addition to their other qualities; because, containing Sarsaparilla and other valuable medical extracts in their composition, and which makes them preferable to all other Pills.

More than 1,000 *Certificates*

have been published at various times of their efficacy in various diseases, and where all other medicines had failed; as the public must have read many of them, further publication of them is deemed unnecessary, on account of the great expense.

More than 100,000 *Boxes*

have been sold in Philadelphia alone, the past year; thus showing that in the place where they are manufactured, they have a reputation, greater than any other pills—which arises from the fact that Dr. Leidy is well known at home as a regular Physician, and his pills are consequently employed with greater confidence than any other; in addition to their known efficacy.

Let it be remembered

'tis not the quantity' of pills or other medicine you can get for the same money, is the best or cheapest—'but the quality.' Of cheap medicines or pills, you, of course, get the most; and you are induced to take the more, under the impression if a little does good, more will do more good, and you make drug shops of your stomchs, causing oftentimes serious injury to yourselves for life.

Dr. Leidy's Blood Pills are composed of more expensive ingredients, and require more nicety and labor in their preparation than any other pills—the apparatus alone for preparing the extracts contained in his pills, costing over three thousand dollars.

Price 25 cents a box.

They are prepared only, and sold wholesale and Retail, at Dr. Leidy's Health Emporium, No 191 North Second street below Vine st. Also by

THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA.

For the Prevention and Cure of

Pulmonary Consumption.

OF all diseases incident to our climate there is none so universal and at the same time so insidious and fatal as Consumption. In this country especially Pulmonary Consumption is emphatically a scourge, and in its resistless career sweeps o'er the land as a destroying Angel, laying low with relentless hand the strongest and fairest of our race! Hitherto all efforts to arrest this dread disease have proved in vain and all that seemed within our power was at best the alleviation of suffering, rendering somewhat smoother the certain progress to the tomb!

The Compound Syrup of Tar is a combination heretofore unknown, exerting a power over the disease scarcely conceivable having a specific action on the mucous tissue and at the same time bringing the whole system under its powerful influence it completely eradicates the cause of disease be it hereditary or otherwise; and thus by striking at the root of the complaint imparts tone to debilitated organs, affords renewed vigor to the general system and thus restores the patient to permanent health.

This invaluable medicine is put up in bottles, having the following words blown in the glass "Thompson's Compound Syrup of Tar for Consumption" without which none is genuine.

Price 50 cents per bottle. Six bottles for $2,50.

OAKLEY'S

COMPOUND DEPURATIVE SYRUP.

For the cure of Obstinate Eruptions of the Skin; Pimples or Pustules on the Face; Biles which arise from an impure habit of body; Scaly Eruptions; Pains in the Bones; Chronic Rheumatism; Tetter; Scrofula or King's Evil; White Swellings; Syphilitic Symptoms; and all disorders arising from an impure state of the blood, either by a long residence in a hot and unhealthy climate, the injudicious use of Mercury, &c.

This Medicine has frequently been found highly beneficial in Chronic Coughs, or Colds of long standing.

This Medicine has been extensively used in the United States with decided benefit in Scrofula, Mercurial diseases, and in all cases of an ulcerated character. As an alterative in the spring and fall seasons, it is unequalled. It possesses many advantages over the decoction, and is introduced as a preparation more portable, not liable to injury by long keeping, and better adapted to the use of persons travelling or residing abroad.

The proprietor begs leave to call attention to the following certificates, selected from a large number approving its efficacy:

READING, March 3, 1839.

This certifies that my wife Mrs. Deem, had for nearly eleven years suffered from a scrofulous eruption resembling tetter which ate deep holes in her face, neck and arms; the constant discharge of which destroyed her health, and frequently confined her for different periods to her bed, during which time her sufferings were very great. The best medical attendance was obtained, and all the known remedies were tried without but an alleviation of her complaint; which always returned with increased malignity. Having lost all hopes of recovery, she had almost determined to give up the use of any other medicine; she was however, by persuasion, induced to try *Oakeley's Depurative of Sarsaparilla*, the use of five bottles of which has removed the disease, and restored her to perfect health.

THOMAS DEEM,
opposite the depot, Reading, Pa.

This is to certify that my little son, about eight years old, had suffered for a long time from extensive sores on the right knee and leg; supposed to have been white swelling, which I found, impossible to heal, even by the aid of the most respectable medical advice, until I was recommended to use Mr. Oakeley's Compound Syrup of Sarsaparilla, 3 bottles of which not only healed the sores, but perfectly restored the child's health, which had suffered much in consequence of this affection.

CATHARINE BINGEMAN,
7th, above Penn street, Reading.

The above case was presented to me both before and after the use of Mr. Oakeley's Syrup of Sarsaparilla, and I have no hesitation in believing that it was the agent of his restoration.

JOHN P. HIESTER, M D.

DOUGLASSVILLE, April, 19, 1843.

Mr. Oakeley:—My son Edmund Leaf, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect until recommended by Dr. Johnson, of Norristown, and also Dr. Isaac Hiester, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles; the use of which drove the disease entirely out of his system, the sores healed up, and the child was restored to perfect health, which he has enjoyed uninterruptedly ever since, to the astonishment of many persons who seen him during his affliction. I have thought it my duty, and send you this certificate, that others who have a like affliction to the family may know where to obtain so valuable a medicine.

Yours, truly, A. D. LEAF.

Red Ochre & Plough's.

THE Subscriber having obtained the right for Cumberland county, of the WITHEROW PREMIUM PLOUGH, is now manufacturing these and other ploughs which he has now for sale, at Cumberland Furnace. He designs by the first or middle of March next, to distribute a number of them through the different towns, and to other public places of this county, where farmers can judge of their excellence. The prices will be low in accordance with the times.

THE RED OCHRE

he also designs to put a supply of, in many of the public places, in and out of the County. A trial of its quality, will cost but little. Like all other paints it does best with flax seed oil; but for weather boards timber, or brick it answers very well with fish oil, milk, or even water. It adheres more closely than lime, or any other paint. Several rates, &c. in the neighborhood have been painted for a year past, some with milk, others with water, and are now as bright as when it was first put on. In either way it is a great preservative of timber, possessing great beauty.

CHILDREN CRY FOR SHERMAN'S LOZENGES, and grown people say they are the pleasantest and most effective medicine in use. Enormous quantities are sold, and every body likes them. Freeman Hunt, Esq., editor of the Merchants Magazine, says they cured his cough in a few hours.—The Rev. Mr. Dunbar, of the McDougal street church, was cured of a severe cough by them.

SHERMAN'S WORM LOZENGES have saved the lives of thousands. Ask W. E. Evans, Esq., 6 Walker st., the Hon. Edward J. Porter, Hon. B. B. Beardsley; Dr. G. Hunter, and nearly all our physicians, what they think of Sherman's Lozenges, and they will tell you they are excellent—the only infallible medicine known.

SHERMAN'S CAMPHOR LOZENGES are a real audidote to headache, palpitation, sea sickness, lowness of spirits and despondency—or
