Car Time at Ridgway.

Table with 2 columns: Direction (East/West) and Time (e.g., 2:00 a. m., 2:15 a. m., etc.)

MAPLE sugar has made its appearance here.

MEASLES and hooping-cough are having a run here. Three or four cases have been reported.

LUTHERAN SERVICES in the Court House next Sunday, morning and evening, by Rev. J. Breuneman.

DIED.—Milton Chase, an old resident of this county, died at his residence in Benecize last Sunday, April 7th, 1872, at about forty-five years of age, of typhoid fever.

WORK is rapidly progressing on the cellar for the new building of Messrs Service & Wheeler, on Main street, above the bank.

MARRIED.—On Saturday, March 30th, 1872, at the residence of Mrs. J. C. Chapin, by Rev. H. A. Pattison, Mr. John Holquist to Miss Matilda Bargason, all of Ridgway.

Is an incredible short space of time Nature's Hair Restorative has won its way into public favor. Why? Because it does the work, and leaves no ill effects. See advertisement. 6x2t.

THE WORCESTER (Mass.) Gazette says: "They who wish to advertise judiciously and cheaply can find no better medium through which to reach the great public than through Geo. P. Rowell & Co's Agency, New York."

FIRST BIG EGG OF THE SEASON.—Henry Warner at this place, brought rather a large sized egg into our market a few days ago. We suppose the hen noticed our advertisement for big eggs, and thought she would try her hand—another proof of the benefits derived from advertising. Said egg was the production of a small-sized Spanish hen and measures 4x8 inches.

FLOOD.—At last "that flood" so much has been said about has come. On Monday last the ice went out of the Clinton and the water commenced to rise. This put our lumbermen in a state of good humor, and preparations were at once commenced to take advantage of the opportunity offered for floating the lumber to market. Tuesday morning the indications were still good and it is believed that most if not all the lumber in this section will be taken to market.

A preparation so widely and favorably known as Hall's Vegetable Sicilian Hair Renewer, needs few words of praise from us. This compound has won its way to the highest favor in the public mind; and multitudes, who have vainly used other remedies for the restoration of their hair, have, on trying the Sicilian Renewer, been made glad by the speedy restoration of their gray hair to its natural color, and the thin locks thickened up, as in the days of early youth. It also prevents the hair falling out, makes it soft and glossy, and is altogether the best preparation for its intended purposes before the public.—[Pittsburg Chronicle.]

SILVER CORNET BAND.—The instruments were received last Saturday, and Ridgway now has a Silver Cornet Band, or at least—as the Irishman said—the making's of one. And now all through the day, and sometimes late into the night, may be heard from some portion of the village terrible sounds, closely resembling the last call of a sick owl, emanating from 14 silver instruments, including two drums and 1 pair of brass cymbals. Happy Ridgway! with street lamps and a Silver Cornet Band your cup is full.

FREE LECTURE.—Last Friday evening Rev. J. C. Sullivan lectured in the Court House at this place on "Habit." The lecture was free, but owing to the fact of its being advertised as a temperance lecture very few attended, but those in attendance were well paid for their trouble by hearing an able and instructive lecture on a subject of interest to every one. Mr. Sullivan handled the subject well; his illustrations were good; his address pleasing and his points well taken. We hope to see Mr. Sullivan here again at no far distant day.

GODY'S LADY'S BOOK for April, 1872.—A beautiful number of illustrations are presented to the subscribers in this number. Commencing with the steel plate we have "Grandfather's Pet"; then a tinted cut, "The Sports of April," suitable for the season; a pretty colored fashion plate; a view of Miss Lollipop's dressing-room for gentlemen; and another of those large sheets of braiding and embroidery patterns, printed in blue. Besides all these superior embellishments, there is a large extension sheet, containing any number of the latest designs for the toilet. We need not speak of its literature. A perusal of it will repay you.

Who was the straightest man mentioned in the Bible? Joseph—because Pharaoh made a ruler of him.

MANHOOD: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure of certain weaknesses, the effects of Errors and Abuses in early life.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of such errors and abuses may be radically cured without the dangerous use of internal medicine or the application of the knife, pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent under seal, in plain envelope, to any address, postpaid on receipt of six cents, or two post stamps.

Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the Publishers, CHAS. J. C. KLINE & CO., 127 Broadway, New York. Post-Office Box 4,586. v1n47yl.

ONE MILLION OF LIVES SAVED.

It is one of the most remarkable facts of this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but its wifiting victims. Now, we would not be understood to say that any one regards dyspepsia with favor, or feels disposed to rank it among the luxuries of life. Far from it. Those who have experienced its torments would sooner give up their lives than to be afflicted with it. All dread it, and would gladly dispense with its unpleasant familiarities. Mark Tapley, who was jolly under all the trying circumstances in which he was placed, never had an attack of dyspepsia, or his jollity would have speedily forsaken him.

Of all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. There are diseases more acute and painful, and which more frequently prove fatal, but none the effects of which are so depressing to the mind and so positively distressing to the body. If there is a wretched being in the world it is

A CONFIRMED DYSPEPTIC. We have said that dyspepsia is perhaps the most prevalent of human diseases. This is implicitly the case in the United States. Whether this general prevalence is due to the character of the food the method of its preparation, or the hasty manner in which it is usually swallowed, is not our province to explain. The great fact with which we are called to deal is this:

DYSPEPSIA PREVAILS almost universally. Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, when a certain, speedy and safe remedy is within the easy reach of all who will avail themselves of it? But says a dyspeptic: "This is the remedy to which I have recourse, but it does not seem to do me any good."

Let it be REMEMBERED, first of all, that HOOFLAND'S GERMAN BITTERS is a run beverage. They are composed wholly of the pure juice of vital principle of roots. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their effects can be beneficial only in all cases of the biliary system. Hooiland's German Bitters stand without an equal acting promptly and vigorously upon the liver; they remove its torpidity and cause healthful secretion of bile—thereby supplying the stomach with the most indispensable elements of sound digestion in proper proportions.

They purify the blood, cleansing the vital fluid of all harmful impurities and supplanting them with the elements of genuine healthfulness. Now, there are certain classes of persons to whom extreme Bitters are not only unpalatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC has been specially prepared. It is intended for use where a slight alcoholic stimulant is required in connection with the well-known Tonic properties of the pure German Bitters.

HOOFLAND'S TONIC acts with almost marvelous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach thorough, perhaps less prompt than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Biliousness, Physical or Nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirit, and inspires cheerful ness. But Dr. Hooiland's benefactions to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Tonic. He has prepared an other medicine, which is rapidly winning its way to popular favor because of its intrinsic merits. This is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substitute for mercury without any of mercury's evil qualities.

These wonderful Pills, which are intended to act upon the Liver, are mainly composed of Podophyllin, or the vital principle of the mandrake root. It is the medicinal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly upon the Liver, stimulating its functions and causing it to make its biliary secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury, entirely and permanently disappear. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach, one upon the lower bowels, and prevents any griping effect, thus producing a pill that influences the entire digestive and alimentary system, in an equal and harmonious manner, and its action entirely free from nausea, vomiting or griping pains common to all other purgatives.

Possessing these much desirable qualities the Podophyllin becomes invaluable as a FAMILY MEDICINE.

No household should be without them. They are perfectly safe, require but two for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hooiland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dyspepsia, or any of the disorders to which the system is ordinarily subject.

PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appetite to the stomach, and thus build up the invalid anew.

Dr. Hooiland, having provided internal remedies for disease, has given the world one mainly for external application, in the wonderful preparation known as Dr. HOOFLAND'S GREEK OIL.

This Oil is a sovereign remedy for pains and aches of all kinds. Rheumatism, Neuralgia, Toothache, Chilblains, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc. all yield to its external use.

Taken internally, it is a cure for Heartburns, Kidney Diseases, Sick Headaches, Colic, Dysentery, Cholera Morbus, Cramps, Pains in the Stomach, Colds, Asthma, etc.

These remedies will be sent by express to any locality, upon application to the PRINCIPAL OFFICE, at the GERMAN MEDICINE STORE, No. 631 ARCH ST., PHILADELPHIA.

CHAS. M. EVANS, Proprietor. Formerly C. M. JACKSON & CO. These Remedies are for sale by Druggists, Storekeepers, and Medicine Dealers everywhere. v1n24y1

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief when required.

Long experience has shown them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corrutions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This salutary effect is changed into health, the value of which, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to enable how to use them as a Family Physician, and for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Indigestion, Distention, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken in case to correct the diseased action or remove the obstructions which cause it.

Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continued until the system is changed to the healthy action of the system. With such change these complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where a serious derangement exists. One who feels unusually well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S VEGETABLE SICILIAN HAIR RESTORATIVE.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists and Dealers in Medicines. Price One Dollar.
