GABELL & HUGHES

South 8th street, below Market St., Philadelphia, Agents for

LOWBEB'S PATENT TIN PLATED

LEAD PIPE,

The attention of the trade and consumers is solicited to a perfect article of

TIN PLATED LEAD PIPE.

manufactured by an entirely new process, for which letters patent have been received, which plates the pipes on the inside with an even coat of pure mixed tin.

The advantages secured by rendering so soft and easily oxidated a metal as lead, sweet and uncorrosive, by plating with tin—at the same time giving it additional strength and preserving its cheapness of the former metal unimpaired—are too obvious to require comment.

Great perfection having been attained in the manufacture, the subscribers are enabled to offer this superior article at the price charged for common lead pipe.

All pipe sold by us *is warranted not to burst or split*, free from flaws, scales or other imperfections perfectly uniform in thickness, and not surpassed in quality by that of any other manufacturer.

Also, Sheet Lead,

which we can recommend as superior to any other in the market, and which we will sell as low as any other can be procured for.

Specimens of the above Lead Pipe may be seen at GEORGE HECK'S Tin Shop in *Chambersburg* or at HENRY LUTZ'S in *Harrisburg*, who are the authorized Agents for its sale.

NOTICE.

IN the case of the petition of James McKeehan to the Court of Common Pleas of Cumberland county in the State of Pennsylvania, for a rule to show cause why a commissioner should not be appointed to take the testimony of witnesses "in perpetuam rei memoriam," in reference to the title to a tract of land situate in West Pennsborough township, in the county and State aforesaid, bounded by lands of Samuel McKeehan, Rev. Robert McCachren, James McCullough, Jacob Sites and others, containing about one hundred and seventy-six acres, which said tract of land was devised by James McKeehan, sr. deceased, by a certain paper writing purporting to be the last will and testament of said decedent, and the title to which the aforesaid James McKeehan the petitioner avers was vested in him at the time and before the execution of the aforesaid paper writing purporting to be the last will and testament of the aforesaid James McKeehan, sr. deceased.

And now, to wit: 19th August, 1845, the Court grant a rule on all the parties interested, to wit: Samuel McKeehan, James McClure, Jos. McClure, Mary McClure, Nancy McClure, Jane McClure and Ann McClure, children of Margaret McClure, deceased, John McKeehan and Elizabeth McKeehan his wife, Henry Adams and Mary Adams his wife; also on James Reed, William Reed, Samuel Reed, John Reed, and John Creigh and Sarah his wife, late Sarah Reed, children of William and Nancy Reed, the said Nancy being now deceased. Also, on the following named minor children of the aforesaid William and Nancy Reed, by their father and next friend, the aforesaid William Reed, to wit: Alexander Reed, George Reed, Richard J. Reed, Margaret Reed, and Nancy Reed, to appear at a Court of Common Pleas to be held at Carlisle in and for said county and State, on the ninth day of December, Anno Domini, 1845, and there state, if any they have, or know why a commission shall not issue under the seal of the Court to such person or persons as the Court shall appoint for the examination of witnesses "in perpetuam rei memoriam" for the proof of the matters aforesaid.

BY THE COURT.

STATE OF PENNSYLVANIA, }
CUMBERLAND COUNTY, ss. }

I, Thomas H. Criswell, Prothonotary of the Court of Common Pleas of said county, do certify that the foregoing is a true copy of the original petition and proceedings had thereon as full and entire as the same remains of record in this office.

Given under my hand and the seal of said Court at Carlisle, the twenty-fifth day of August, Anno Domini, one thousand eight hundred and forty-five.

TO COLLECTORS AND TAX PAYERS!

THE recent payment of the State Tax by the Commissioners of Cumberland county, out of the funds in the County Treasury, renders it necessary to require immediate and prompt payment of the State and county taxes to enable the Commissioners to meet the current county expenses, and the payments becoming due under the contract for the erection of the Court house.

Under the provisions of the Act of 29th April, 1844, if the State tax of any county be not paid to the State Treasurer before the 20th Tuesday in January in each year, the deficiency is required to be paid out of any money in the County Treasury and any State tax remaining unpaid by any individual or corporation after said tax is payable by the county to the Commonwealth, shall bear an interest of SIX PER CENT., and *be a lien on the estate on which it is charged* till the same and interest.

From the foregoing it will be seen that although the State tax has been paid to the State Treasurer, every tax payer who does not pay the Collector before the 15th of January next, must be charged six per cent. interest thereon till paid, which interest every Collector must calculate and collect from each individual named in his duplicate who does not pay his tax prior to that date, and said tax, together with the interest thereon, is made a lien on the real estate of the payer.

It is therefore hoped that every Collector and tax payer will see the importance and necessity of paying the whole tax charged in the duplicate prior to the 15th of January next to avoid the trouble and inconvenience of calculating and collecting interest on every individual tax, which must be done if not collected before that date.
