Reversible Filtering Cock
FOR PURIFYING WATER.
Which renders turbid water pure by removing all substances not soluble in water. The cotton water is N. York although clear and pure to the eye, yet when it passes an hour through this filtering cock, shows a large deposit impure substances, worms, &c. This is the case more or less with all hydrant water.

The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other Filterers, as it is cleansed without being detached from the water pipe, by merely turning the key to handle from one side to the other. By this easy process, the course of water is changed, and all accumulations of impure substances are driven out instantly, without unscrewing the Filter. It also possesses the advantage of being a stop cock, and as such in many cases will be very convenient and economical.

It can be attached where there is any pressure high or low to a cask, tank, tub, &c. with ease. To be had of the sole Agent,

J. W. WILSON,

YOUR COUGH MAY BE CURED

ALLEGHENY CITY, (3d Ward,) April 20, 1849

Mr R. E. Sellers: Being afflicted for some time with a cough, which was so severe as to unfit me for my daily employment. Frequently after coughing, I have been so much exhausted, as to be obliged to sit down and rest. Hearing of your good effects resulting from your Cough Syrup, I concluded to give it a trial, and am happy to say it produced the desired effect in me. After using it a short time, my cough left me entirely, and I am now perfectly well. JAMES JOHNSON

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies.

DR JACOB S ROSE, the discoverer and sole proprietor of these most popular and benefitial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of Chronic diseases, was a student of the celebrated physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease, and the application of remedies thereto.

Through the use of his inflating tube, in connection with Dr Physic's celebrated Syrup and other his remedies, he has gained an unparalelled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague. Fever of all kinds yield to his remedies, and all those obstinate diseases peculiar to females. Indeed every form of disease vanishes under the use of his remedies, and he can with truth say, that in the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, taken and used as prescribed for each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used are in no sense a cathartic, but a tonic alterative, and not a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness; as also his Golden Pills are admitted by the faculty throughout the star properties adapted to female diseases, but being satisfied that a care trial is sufficient to establish what has been said in the minds of the most skeptical.

The affiliated are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.

Jayne's Expectorant.

SALEM, Columbiana co., O., Apr. 24, 1841.

DR. D. JAYNE: I HAVE SELDOM found to you and the afflicted public, to avail myself of this opportunity of giving put forth the extraordinary effects of your Expectorant on myself. I have been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short life in intense misery, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the expiration of two of the most respectable physicians in the neighborhood without derriving any benefit, or the consolation of surviving but a few days or weeks at farthest—was the last ray of hope extinguished, I had recommended to me your Expectorant—and blessed be that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was at once free from my bed and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.

Respectfully yours, &c.,

COLUMBUS, Jan. 8th, 1849

MR. R. E. Sellers:—Your Vermifuge has sold well, and has been highly spoken of by all who have used it. From the success attending the administration of your Vermifuge in every case I have heard of, I am confident I can sell more of your Vermifuge in one year than I did last. I will be glad to receive another supply of 1 or 5 gross. Yours, respectfully,

FOGG AND FUCHTON, PROPRIETORS.

THIS establishment long and widely known as being one of the most commodious in the city of Baltimore, has recently undergone very extensive alterations and improvements. An entire new wing has been added, containing numerous and airy sleeping apartments, and extensive bathing rooms.

The Ladies' department has also been completely reorganized and fitted up in a most unique and beautiful style. In fact the whole arrangement of the House has been remodeled, with a single eye on the part of the proprietors, towards the comfort and pleasure of their Guests, and which they confidently assert will challenge comparison with any Hotel in the Union.

Their table will always be supplied with every substantial and luxury which the market affords, served up in a superior style, while in the way of Wines, &c., they will not be surpassed.

In conclusion the proprietors beg to say, that nothing will be left undone on their part, and on the part of their assistants, to render this Hotel worthy the continued patronage of their friends and the
