SELLERS' FAMILY MEDICINES—They are the Medicines of the day.

GRAHAM'S STATION, Ohio, May 25, 1849.
R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINKEL.

GREAT CURE OF LIVER COMPLAINT, by he original, only true, and genuine Liver Pill.

STONY CREEK, Ohio county, Va.
March 20th, 1849.

Mr R E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. B. Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

DR. JAYNE'S CARMINATIVE BALSAM FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Episcopal Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing pleurapain in the stomach for hour or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. This used with the accompanying directions, and found invariably that the medicine caused the pain to abate in three or four minutes, and in from fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were received, and the pain was thereby prevented. He continued to use the medicine every morning and sometimes in the morning, and in a few weeks found himself entirely free from the disease, and restored from a long session of oppressive pain, to health and enjoyment, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. VALUABLE DISCOVERY!
CONSUMPTIVES, BE ON YOUR GUARD.
THE GREAT REMEDY FOR
COMPOUND SYRUP OF WILD CHERRY.

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual and speedy cure ever known for any of the above diseases. ch 19

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily vaunted nostrums, which crowd the table of experiment, has on hand higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering humanity.

It has been introduced very generally through the United States and Europe, and there are few towns of importance in which cures of the extraordinary character of its good effects. For proof of the foregoing statements, and of the value and efficacy of the medicine, the proprietor will insert in a few days, a pamphlet containing testimony which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, unless they were what they profess to be—themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unanimous testimony of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, actuated from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and supposes, carries conviction of its truthfulness, and commends itself in a special manner to universal credence."—O'Hognis's Moral Maxims.

READ THE MORAL EVIDENCE!

STILL A WORKING CURE OF PULMONARY CONSUMPTION:—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.

CHESTER CO., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies I could procure to stop it, until increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my cough became so severe and constant that it was thought by me myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine. I did so and the result was that after the first bottle had the effect to loosen the cough, causing me to expectorate freely, and by the time I had used six bottles, I was entirely well, and enjoyed more health than I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit of it, which I have given you. Let the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, any of whom I purchased the medicine.

Respectfully yours,

JAMES MORRAN

Wonderful Cure of a Methodist Minister.

Dr. SWAYNE—Dear Sir: I feel a debt of gratitude due you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years ago, I was violently attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, so severe that I was in a state of profuse sweats (for which I could not allow my passengers to be robbed) by the swindling scamps that infest the ports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ship. We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

SELLERS' FAMILY MEDICINES—They are the Medicines of the day.

GRAHAM'S STATION, Ohio, May 25, 1849.
R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINKEL.

GREAT CURE OF LIVER COMPLAINT, by he original, only true, and genuine Liver Pill.

STONY CREEK, Ohio county, Va.
March 20th, 1849.

Mr R E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. B. Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.
I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Episcopal Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing pleurapain in the stomach for hour or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. This used with the accompanying directions, and found invariably that the medicine caused the pain to abate in three or four minutes, and in from fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were received, and the pain was thereby prevented. He continued to use the medicine every morning and sometimes in the morning, and in a few weeks found himself entirely free from the disease, and restored from a long session of oppressive pain, to health and enjoyment, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. Price 25 cents.

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed away from the thousands daily vaunted nostrums, which crowd the table of experiment, has on hand higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering humanity.

It has been introduced very generally through the United States and Europe, and there are few towns of importance in which cures of the extraordinary character of its good effects. For proof of the foregoing statements, and of the value and efficacy of the medicine, the proprietor will insert in a few days, a pamphlet containing testimony which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, unless they were what they profess to be—themselves no injustice. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unanimous testimony of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, actuated from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, such testimony, being contrary to their worldly interests and supposes, carries conviction of its truthfulness, and commends itself in a special manner to universal credence."—O'Hognis's Moral Maxims.

STILL A WORKING CURE OF PULMONARY CONSUMPTION:—There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood; power possessed by no other medicine.

CHESTER CO., April 25th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies I could procure to stop it, until increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my cough became so severe and constant that it was thought by me myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine. I did so and the result was that after the first bottle had the effect to loosen the cough, causing me to expectorate freely, and by the time I had used six bottles, I was entirely well, and enjoyed more health than I ever was in my life, and would be happy to give any information respecting my case, that other sufferers may derive the benefit of it, which I have given you. Let the truth of the above statement, I refer you to Peter Rush, Grocer, West Chester, any of whom I purchased the medicine.

Respectfully yours,

JAMES MORRAN

Dr. SWAYNE—Dear Sir: I feel a debt of gratitude due you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry.
