The Healing Art What is Life without Health?

IT is not necessary that man should become a walking Apothecary shop, to preserve his health; but it is essential that his system should be so regulated by Temperance and by pure air, as to require but very little medicine. Then, let that little be of the safest and most innocent kind? The proprietor of the following medical preparations warrants them to be *purely vegetable*, and as safe and harmless as the food we use.

An old gentleman who has devoted many years of his life to the important study of Botany and Chemistry, and the nature and virtues of the various herbs and plants, and has made and tried many preparations of them, for the cure of different diseases that "flesh is heir to!" and wishing to do all the good to his fellow man that he can, has established an agency for the sale of them at Carlisle, in their purity, at first cost, so that persons afflicted may probably find *a cure* at the Cottage on the Corner of Pitt and Pomfret streets, Carlisle.

Catalogues of diseases, and testimonials of cures, may, in a few days, be seen at the Cottage where various medicines may be had.

So confident of the efficacy of his preparations is the proprietor, that when he administers the medicine and attends the patient, he returns the money paid for it, if it fails to effect a cure in due time. Indeed, it is said to seldom or never fail when proper care and attention is paid, and when applied for the purposes for which it is intended.

CONSUMPTION,

Coughs, Colds, Asthma, Bronchits, Liver Complaint, Spiting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenzia, Cronp, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases, is DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY—ANOTHER WONDERFUL CURE OF CONSUMPTION.

PROVIDENCE, R.I., Sept. 20th, 1845.

DR. SWAYNE—Dear Sir.—I feel called by a sense of duty, I owe to suffering humanity, to acknowledge my grateful thanks for the wonderful effects of your "COMPOUND SYRUP OF WILD CHERRY" on me, after having suffered months after months with the most afflicting of all diseases, Consumption, with scarcely a ray of hope, or a "beacon light" to guard me against my own horrible forebodings. The circumstances which first led me to the awful state of debility, was from taking a very heavy cold, which seemed to fix itself upon the lungs, which gradually grew worse, with profuse night sweat, a hacking cough, oppression in the breast, spitting blood, with great general debility. My constitution seemed broken down, and nervous system very much impaired, with all the symptoms of confirmed Consumption. I went to Philadelphia, and was treated there by physicians of the highest respectability, but still grew worse, until they gave me up as incurable, and advised me to go South, but being very poor, after losing so much time from my work, and having spent all my money on the various "Patent Medicines" which were recommended so highly through the medium of the press, I was unable to take their advice. Being a member of the Order of Odd Fellows, they supplied me with money gratuitously to send me to my friends in Saco, Maine. I was treated by physicians of the highest standing there, but received no benefit whatever from them, but gradually grew worse, until my physicians and myself gave up all hopes of my ever recovering, and I felt like one who is about to pass through the valley of the shadow of death. At this "awful juncture," I heard of your COMPOUND SYRUP OF WILD CHERRY, and knowing you to be a regular practising physician in Philadelphia, gave me more confidence in the medicine, and concluded as a last resort, to make a trial of it. I sent to your agent in Boston, and purchased one bottle, which relieved me very much. I then procured two bottles more, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. It seemed to have a beneficial effect at once. I gained strength rapidly, although reduced to a mere skeleton, and I feel satisfied from its salutary effects in my own case, that Dr. Swayne's Compound Syrup of Wild Cherry will cure any case of diseased lungs, if taken according to the prescribed rules contained in the pamphlets accompanying the medicines. Even the physicians who witnessed my case are highly recommending it in similar cases—and I wish you to make this public, so that others who are suffering as I have been, may know where to procure a remedy at first, which will reach their disease, without tampering with and ruining their constitutions with the many "quack nostrums" with which the whole country is flooded, prepared by persons who have no knowledge of the science of medicine in theory or practice, but are got up merely with a mercenary view

I am a Scarlet member of the Hope Lodge I.O. of O.F., in Providence R. I., and will be happy to give any information in regard to the efficacy of your medicine, and can give ample proof that my case is not exaggerated in the least.

ALBERT A. ROSS.

To Dr. H. SWAYNE, N. W. corner Eighth and Race streets, Philadelphia.

CAUTION—The public should be on their guard against the many "Balsams" and "Mixtures" of Wild Cherry, which have sprung up in all parts of the country, purporting to be prepared by physicians, all of which will be found to be "false" by a little inquiry in the towns and cities where they originate. All certificates and statements in regard to Dr. Swayne's Compound Syrup of Wild Cherry are "strictly true," and the proprietor is daily recieving them from persons who have been cured by the celebrated remedy. The (original and only) genuine article is only prepared by Dr. SWAYNE, N. W. corner of EIGHTH and RACE Streets, Philadelphia.

Remember, all preparations of Wild Cherry are fictitious and counterfeit except that bearing the written signature of N. SWAYNE. The only agents in Carlisle are MYERS & HAVERSTICK and STEVENSON & MEHAFFY, and MARTIN LUTZ, Harrisburg.

Another Triumph over Consumption.

BY THOMPSON'S Compound Syrup Tar and Wood Naphtha. Consumptives read the following:

HARRISBURG, November 18, 1845.

Dr. S. P. Thompson:—Dear Sir—I consider it a grateful duty to publicly acknowledge the benefit I have derived from the use of your invaluable medicine, the Compound Syrup Tar and Wood Naphtha. In the spring of 1844 I was taken sick with Bilious Fever, and was very ill for a long time. After I had partially recovered, my physician informed me my lungs were affected, and treated me accordingly. His skill had no effect, for instead of getting better, I daily grew worse. I was finally informed by him that "I was incurable and must die, and that nothing remained but preparation for another world."—My weakness increased until I was confined to my bed; I had very severe pains in my breast, side and back, shortness of breath, and I was so very hoarse that my voice could not be heard unless the ear was applied close to my mouth. My cough was terrible, harrassing me night and day, so that I could obtain very little rest. While suffering in this manner, with no hope of relief, I saw your advertisement, in the "Union" of this borough, with the certificate of a lady of Philadelphia appended, which so nearly described my case, that I resolved to try your medicine, and its effects upon me. I accordingly sent to your agent, Dr. McPherson, and procured a bottle. I had not used more than one third of it before the hoarseness left me; I then took it regularly; the pain in my breast, &c. left me, shortness of breath and cough removed, and I am now able to walk about with renewed health and strength. You can make what use you please of this. I am willing to give any satisfaction that may be required of me if called on personally.

With great respect, I remain yours, &c.

JACOB SQUIER, JR.

STEVENSON & MEHAFFEY are the ONLY Druggists in the borough or county, who are agents, and from whom the GENUINE article can be had. *Beware of spurious imitations.* dec 17
