SELLERS' FAMILY MEDICINES—They are the Medicines of the day.

GRANGE'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, and was frequently answering for expelling large quantities (up to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. DUNNE.

A GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.

STOUT CREEK, Ohio county, Va.
March 25th, 1849.

Mr R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed in my side, when I was in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. K. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease is entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate.

A R SHARP.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and beloved Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, accompanied by violent pains in the stomach for long or twelve hours at a time, attended with severe bilious attacks, and various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably the first medicine taken the pain to abate in three or four minutes, and in fifteen or twenty minutes every one say distress was entirely quieted. The medicine was never withheld when the slightest indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From personal experience, he feels he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary remedy for diseases of the stomach and bowels.

VALUABLE DISCOVERY!

CONSUMPTION, BRONCHITIS, COUGH AND COLD.

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Hoarseness, Croup, Broken Voice, Inflammation, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, for which it is a specific and speedy cure ever known for any of the above diseases.

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has passed from the hands of experimenters into those of the sick for experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever introduced for the relief of suffering man.

It has been introduced very generally through the United States and Canadas, and in every case it has performed its good effects. For proof of the truth of this assertion, and the great efficacy of the medicine, the proprietor will insert a few of the many testimonials which have been given him, and which are of the first respectability—men who have higher ties as of moral responsibility and justice, than to certify to facts, because—as they think—it may be to their interest. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits and the unequaled cures it has effected in every instance. The instantaneous relief it affords, and its astonishing influence displayed in the cure, is from its effects, the most agreeable remedy for the afflicted.

REMEMBER!

It has been acting from conscientious impulses, voluntary best testimony to the truth of a thing, or particular fact, such testimony should be received as truly satisfactory and proper, coerces convinces of its truth, and commends itself in a special manner to universal credence. Such testimony is the Maxim.

SPECIAL CERTIFICATES OF PECULIAR CONSIDERATION.

Three never was a more decided case of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and I consider it the best medicine for Coughs, Colds, and New and New found power possessed by no other medicine.

CHESTER CO., April 20th, 1849.

In Swayne: Dear Sir: I cheerfully bestow your Compound Syrup of Wild Cherry, and have found it to be a very good medicine, which I have used in a severe cold, which resulted in a very severe attack of Bronchitis, which I attribute to the remedies I used, which were administered by a physician of the regular school, and which I consider the cause of the severe illness I experienced, and which I attribute to the use of the medicine, which I have used in my family, and have found it to be a very good medicine, which I would be happy to give my testimony to the public, if I thought it would be of any benefit to them. Yours truly, JAMES MESSER.

Wonderful Cure of a Mistaken Measure.

DR SWAYNE: Dear Sir: I have pleasure in informing you and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the lungs, which was accompanied with all the distressing symptoms of Consumption, such as a severe cough, the discharge of offensive matters from the lungs, expectoration of blood, night sweats, &c. &c. I was so reduced as to be almost in my coffin, but was prevailed upon to try your Compound Syrup, which I did, and found it to be a very good medicine, which I have used in my family, and have found it to be a very good medicine, which I would be happy to give my testimony to the public, if I thought it would be of any benefit to them. Yours truly, JAMES MESSER.

GOLD WASHERS.

H. PARRY has invented a machine for washing Gold, for which he has made application for a patent. They are now offered for sale at the warehouse of Parry, Scott & Co., No. 102 Wood street, Pittsburgh.

Adventurers to California are invited to call and examine the machine, and be enthusiastic with which they are in their construction, easily transported on the back of a pack horse, weighing eighty pounds each, and can be put in operation in half an hour. They can be fitted with provisions. It is the opinion of those who have seen them, and the opinion of their machines of similar size, that two men will wash the amount of from 150 bushels of sand or earth in a day, without the loss of a particle of the mineral. They can be increased in size and worked by water or mule power, if expedient. The operators work without going into the water or exposing themselves to wet, and consequently without endangering their health. They will require but a small size and water, and can be used the whole season, and can be put into operation where there is not sufficient water to wash in the usual way.

Price, from first size $35. Orders from abroad, accompanied by cash, will be promptly filled.
