I have used your Vermifuge largely in my own family, and very frequently answering for expelling large quantities of worms from my children. I have also used your Liver Pills and Cordial Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising I am able to state that I have yet to hear of the first instance where your medicines have proved in my opinion of the contrary. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

**DR. JAYNE'S CARMINATIVE BALSAM**

FROM the Rev ASA SHINN, a well known and popular Methodist Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for other times without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. That he used according to the directions, and found the invaluable medicine cured the pain and distress in three minutes, and in fifteen or twenty minutes entirely took away sensation was entirely quieted. The effect was so astonishing to me, that I made inquiries of the persons who were present, and the pain was thereby proved. He continued to use the medicine every evening for a time, lasting, he has continued to use it ever since, and enjoys a good appetite, and is as well as any man. Dr Jayne's Carminative Balsam, is a valuable remedy for Cholera of the stomach and bowels.

DR SWAYNE'S

**COMPOUND SYRUP OF WILD CHERRY.**

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Spitting of Blood, Difficult Breathing, Pain in the Side, Breast and Lungs, Hoarseness, Croup, Whooping Cough, Influenza, Crup, Bronchitis, Sore Throat, Inflammation, Sore Throat, Croup, Whooping Cough, Hoarseness, Influenza, Pain in the Side, Breast and Lungs, Difficult Breathing, Spitting of Blood, Asthma, Bronchitis, Consumption, Coughs, Colds, &c.

Dr SWAYNE'S COMPOUND SYRUP OF WILD CHERRY is a certain remedy for all the above complaints, and has never been known to fail in the hands of any person who has used it according to the directions. It is free from all injurious ingredients, and may be administered to the most delicate female or youngest child with perfect safety. Its wonderful curative powers are derived from the Wild Cherry, which is known to be the most valuable medicinal production of the vegetable kingdom. It is a fact well known to the medical faculty, that the Wild Cherry possesses more medicinal virtues than any other vegetable production, and that a large proportion of the diseases to which the human family are subject, have their origin in a cold, which, if left to itself, or improperly treated, generally terminates in some pulmonary disease, and not unfrequently in Consumption, which, when once fairly established, defies the skill of the most eminent physicians. Hence the importance of arresting the first approach of disease, and of having recourse to a medicine which experience has proved to be the most efficacious in its cure. Dr SWAYNE's COMPOUND SYRUP OF WILD CHERRY is not offered as a cure for all diseases, but as a remedy for those of the Pulmonary Organs, which it will cure in a shorter time than any other medicine. Dr SWAYNE's COMPOUND SYRUP OF WILD CHERRY is not a new and untried nostrum, but has been in use for many years, during which time it has cured thousands who had been given up by their friends as hopeless victims of Consumption, and who had taken the most of other medicines without benefit. Many of the most respectable citizens of Philadelphia can testify to the efficacy of this medicine, and will cheerfully do so when called upon. Dr SWAYNE's COMPOUND SYRUP OF WILD CHERRY is now offered to the public, with the full confidence that it will cure any case of Consumption, Bronchitis, Asthma, and other Pulmonary Complaints, which may be cured by any medicine
