SELLERS' FAMILY MEDICINES—"They are the medicines of the day."

GRANNY'S STATION, Ohio, May 25, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

GREAT CURE OF LIVER COMPLAINT, by use of original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va. } March 9th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills, began to use them, at Sharp, in West Liberty, and recommended to me by a physician, Dr E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

B H COLEMAN.

DR. JAYNE'S CARMINATIVE BALSAM

PROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that the medicine caused the pain to abate in three or four minutes, and in from or twenty minutes after the agony sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficult Breathing, Hectic Fever, Night Sweats and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most effectual remedy for the cure ever known for any of the above diseases.

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

Two decades of years have proved its wonderful utility. It has passed away from the thousands daily launched upon the tide of human life, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of inflexible ills.

It has been introduced very generally through the United States and Europe, and there are few towns of importance but what contain some remarkable cures to testify to its good effects. For proof of the foregoing statements, and of the value and efficacy of the medicine, the proprietor will insert a few of the many testimonials which have been presented to him by men of the first respectability—men who have been cured of most dangerous and long standing disease, than to certify to facts, because it will do another a favor, and thus be no injustice to himself, he therefore subjoins the following, which speaks the surpassing excellence as established by its intrinsic merits, and the unquestionable authority of public opinion. The testimonials of those who have been the trial of one of these machines or small cords, and that too among the most inveterate cases of whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or to a particular fact, such testimony, being contrary to their worldly interests and purposes, carries conviction with it, and is accordingly sought for as special manner to universal credence."—Hogan's Moral Maxims.

STILL ANOTHER SCALPER OF PULMONARY CONSUMPTION—

There never was a remedy that has been as successful in desperate cases of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system, and appears to heal the ulcers on the lungs, creating new and rich blood, producing healthy tissue, under good diet.

CHESTER, Pa., April 25th, 1848.

Dr Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which settled upon my lungs, accompanied with a severe cough, that resisted all the remedies which I had recourse to, until I commenced using your valuable preparation, which so increasing until my case was declared by my physicians to be Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so rapidly that friends and myself gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine. I did so with the most happy results. The first bottle I got from Dr Swayne, I took, causing me to expectorate freely, and by the time I had used six bottles, I was nearly well. I continued to use it for a time, as I felt I was in my life, and would be happy to give any information respecting my case, that other sufferers may be benefited by your valuable medicine. For the truth of the above statement, I refer you to Peter Rosh, Grocer, West Chester, who I believe purchased the medicine for me.

JAMES MORGAN.

Wonderful Cure of a Mahoney Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony of the wonderful efficacy of your Compound Syrup of Wild Cherry. Some three years since I was suddenly attacked with cold and inflammation of the Lungs, which was accompanied with a distressing cough, pain in the breast and head, a very considerable discharge of offensive matter from the lungs, and generally speaking, in a state of imminent danger. My friends and I felt no alarm about my condition, but was pretty soon convinced that I was rapidly going into consumption. I grew weaker, and at length was scarcely able to walk about, or speak above a whisper, such was the exceeding weakness of my lungs. During this time I had tried various preparations and prescriptions, but found no relief—growing all the time worse. Some friends, who had seen the wonderful cures of Wild Cherry, persuaded me to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against them, and out of the hands of empirics, but understanding your claims to the profession and promotion of standing your claims to the profession and promotion of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr. Shaw, one of your agents, a few bottles, and I was soon convinced of its virtues, and in the course of 20 or 25 months' standing, consequently it was deeply seated. I found, however, considerable relief from the use of the first bottle. I am a public speaker, I frequently attempted to preach with my increasing strength, and thereby rupture those vessels which had already nearly healed, in the way, doubtless, my cure was greatly retarded. In consequence of acting thus imprudently, I had to use three or fifteen bottles before I was perfectly cured. I have no question, a much smaller number of bottles would have made the cure complete, but the rapidity with which the Syrup allayed the fever, at habit, took away the distressing cough, put a stop to the discharge of matter from the lungs, and gave the stomach a good relish, I have deemed it my duty to offer this certificate until now, for the purpose of being perfectly satisfied with the permanency of the cure, and now that I feel perfectly well I offer it with pleasure. REV. J. P. JORDAN.

Important Caution—Read! Read!

There is but one genuine preparation of Wild Cherry, and that is Dr. Swayne's, the first ever offered to the public, which has been sold largely throughout the United States and some parts of Europe. Of the imitations called by the name of Wild Cherry have been put out since this, under cover of some deceptive circumstances, in order to palm off the inferior article, a little observation, no person need mistake the genuine from the false. Each bottle of the genuine is enveloped with a beautiful steel engraving, with the likeness of William Penn thereon, also, Dr Swayne's signature: and as further security, the portrait of Dr. Swayne will be found hereafter, so as to distinguish his preparation from all others. Now, if it was not for the great curative properties of Dr. Swayne's Compound Syrup of Wild Cherry, persons would not be endeavoring to give currency to their "fictitious nostrums" by using the name of Wild Cherry. Remember, always bear in mind the name of Dr. Swayne, and be not deceived.

AMERICAN PULMONARY BALSAM

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who followed the use of it in their families ten years ago still prefer it to all other remedies of the kind, and where any have been induced to try other preparations, they have invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases. Prepared only by Dr D. Jayne Philadelphia. For sale by all agents.

DR. W. P. Inland's Premium Plaster.

DR. W. P. INLAND, of the Medical College of Philadelphia, now offers to the public his Indian Vegetable Premium Plaster, the qualities of which, after long and tried experience, has been satisfactorily established. To all women who may be afflicted with Prolapsus Uteris or Fallen Womb, he recommends his plaster, guaranteeing a sure and speedy cure in the short space of from two to three weeks, if applied with care and rest—discarding all the countless instruments and expensive bandages so long in use. This he feels conscientious in stating, inasmuch as he has not failed in one case out of three hundred and fifty-three patients.

Also for Rheumatism and Weak Breast or Back, attended with pain, there is nothing to excel this Plaster in affording relief or effecting a cure. For sale by

MURDOCH'S

PATENT DASHER CHURN

DELIVERED FREE TO ANY PART OF THE CITY WITHIN 10 MINUTES RIDE FROM NEW MILK.

The attention of the public is invited to this very valuable Churn, which has the advantage of all others in combining the old and new inventions together.

The utility of this invention is apparent, as by a simple process the air is forced beneath the dash, and thus we perceive the advantage of purchasing a new Churn, as it can be applied to any churn in use, and sometimes in the morning, and a few minutes of exertion will have all the improvements of the age combined with the old fashioned churning in the usual way.

The public are invited to call and judge for themselves before purchasing elsewhere at 87½ corner of Market and Fifth streets, or at 83 Diamond alley, between Wood and Market streets, Pittsburgh.
