A WHIG SONG.

J. GREINER—TUNE, 'Good by, John.

Come, Whigs, and raise your voices strong,
We'll sing a good old-fashioned song;
We've lots of timber, good and true,
For President, we think—do'nt you?

CHORUS—Then wake up, whigs, daylight's breaking,
We go for the whig, there's no mistaking;
And set these Locos shivering, shaking,
Ha, ha, ha, boys, well we will.

We've Judge McLEAN, the Bench adorning,
Cool and calm as a summer's morning;
A flashing eye, and noble form,
A whig in sunshine and in storm.
Then wake up, Whigs, &c.

The Rod-like DAN, in every station,
Boast of the varmint "Yankee nation;"
Where shall I go?—old Dan's a crowder,
Oh Constitution, law, and chowder!
Then wake up, Whigs, &c.

TOM CORWIN, Tom, we hail with joy,
Our 5th Ohio wagon boy!
He drives ahead, and flinches never,
A true blue Whig, and whig forever,
Then wake up, Whigs, &c.

Like Saul among the prophets tall,
A head and shoulders over all,
No plate of soup, though hasty, hot,
Nor "fire in the rear," can injure Scott.
Then wake up, Whigs, &c.

Old fashioned, honest, rough Old ZACK,
We love thee!—only take the track,
And we'll take out the "yaller kiver,"
And, hurra boys, old Zack forever.
Then wake up, Whigs, &c.

Pride of the Whigs—our HARRY CLAY!
Dread of the Locos—proud we say!
The' other men we may adord,
We love "our CLAY" a little more.
Then wake up, whigs, &c.

A long, strong pull—pull altogether,
Thro' sunshine, fair, and stormy weather—
We'll swell the chorus loud and hearty,
Our God, our COUNTRY, and our party.

CHORUS—Then wake up, whigs! daylight's breaking,
We go for the whig, there's no mistaking;
And set these Locos shivering, shaking,
Ha, ha, ha, boys, well we will.

Medicines.

To the Sick and Afflicted.

LET all those who are CONSUMTIVE, or affected with Coughs, Colds, Asthma, Bronchitis, Spitting Blood, Pain in the side or Breast, Sore Throat, Hoarseness, Palpitation of the Heart, whooping Cough, Liver Complaints, &c., remember that it is

THOMPSON'S COMPOUND SYRUP OF TAR & NAPATHA that is daily effecting such wonderful cures in all these diseases—

Therefore beware of all other mixtures that contain, or professes to contain Tar, and purchase of them only who are known not to deal in Spurious articles.

Read the following testimony to the value of the above medicine, from a well known citizen of Cumberland county.

DICKINSON TOWNSHIP, Nov. 20, 1847.

About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath which were soon followed by a failure of appetite, extreme wakefulness at night, and patial paralysis of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For about two years I was also occasionally thrown into convulsions which left me in a miserable state of feebleness and began to affect my mind. From time to time my sufferings were more or less severe until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year I was unable to attend to attend to any business. During this time I consulted some able physicians and attended to their prescriptions; but all their skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thomson's Compound Syrup of Tar and Wood Naphtha, in a case somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try the medicine, I was at length prevailed upon to do so, and I have now to say, that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual.

GARLEGAN'S BALSAM OF HEALTH.

An Approved Remedy for Dyspepsia, Colic &c., &c.

THE two reasons why this medicine is recommended to the public—one is, that most persons who have so high it buy it again, thereby showing that they regard it as a valuable Family medicine; the other is that certificates are in the possession of the Proprietor of permanent cures having been effected not only in persons afflicted for short time, but also in cases of long standing.

It is composed altogether of a vegetable matter, is perfectly harmless, can be taken at all times, and is no hindrance to business. It restores and revives the animal spirits, cleanses the stomach from all morbid humors which cause indigestion and acidities. It also removes nervous tremors, rhumatic pains, and prevents their return; cures all colics of the stomachs and bowels, and immediately takes away palpitation of the heart, and promotes the free circulation of the blood.

The direction accompanying each bottle contains a number of certificates one of which is given in this advertisement.

DEAR SIR:—about two years ago I was severely afflicted with dispepsia, which I had for the last fifteen years previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dispepsia and general debility and weakness, to such a decree, that two or three years previous to my using the Garlegant's Balsam, I never ate a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam advertised I was induced to try a bottle; after taken the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much that in the course of a few days my stomach began to retain and digest every thing I ate. I continued to use the Balsam until I used several bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all persons who are afflicted with dispepsia or dibility of stomach.

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

THE only known medicine that at the same time purges, purifies, and strengthens the system. Dr. Le Roy's Pill are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities, so that while they purge they strengthen, and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never pains or tortures the digestic functions, but causes them to work in a perfectly natural manner, and hence persons taken them do not become pale and emaciated, but the contrary, for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Medicines.

Dr. Wood's Sarsaparilla & Wild Cherry Bitters.

ARE an infallible Medicine for Dyspepsia or Indigestion, the universal complaint, Headache, Depression of Spirits, Pimples and Eruptions on the face, Habitual Costiveness, Rheumatism, Affections of the Bladder and Kidneys. Bilious Fevers. It is a perfect preventative of Bilious and Western Fevers, and the best remedy ever used in restoring the patient, after being prostrated by Fever &c. Erysipelas, Enlargement of the Bones, Fever and Ague, Flatulency, Foulness of Complexion, General Debility, for general prostration, caused by disease, medicine, or indiscretions committed in youth, abberation of mind, confusion of ideas, loss of memory, dimness of vision, a hopeless expression of countenance; and for this class of disease generally, this medicine has never had its equal. Gout, Gliddiness, Gravel, Impure Blood; Jaundice; Loss of Appetite; Liver Complaint; Leprosy; Looseness.

MERCURIAL DISEASES.—Never fails to eradicate entirely, all the effects of Mercury infinitely sooner than any other medicine. Night Sweats; Nervous Debility; Nervous Complaints of all kinds; Neuralgia; Organic Affections; Palpitation of the Heart; Painter's Cholic. Pains in the head, side, back, limbs, joints and organs; Rush of blood to the head; Scurvy; Salt Rheum; Swelling; sick Headache; Stiffness of the Joints; Scorbuta or King's Evil; Syphilis in its worst forms; Ulcers of every description, and the Erysipelas, Exposure and Imprudence in Life.

FEMALE COMPAINLTS—Ladies of pale complexion and consumptive habits, and such as are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two to bloom and vigor. It is by far the best remedy ever discovered for weakly children, and such as have had humors, being pleasant they readily take it. It immediately restores the appetite, strength and color.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the human frame, which is the great cause barrenness.

The following are some of the certificates and complimentary notices that have been received by the proprietor, of the efficacy of this medicine.

Mr. Philip Wilcox, of the well known firm of Wilcox & Richmond, shipwrights, of New Bedford, was entirely cured of a confirmed canker of the stomach, throat and mouth, with sore lips usually accompanying this disease, and his general health much improved by the use of only one bottle. Mr. Wilcox has suffered severely for a number of years with this disease, and attributes his cure entirely to the use of the Bitters.

Col. John Baylies, Deputy Sheriff of Bristol county, Mass., has voluntarily certified that he was cured by the Bitters, of Jaundice, Indigestion, Headache and Vertigo.

Col. Gibbs, of Sandwich, testifies that several persons in that town, well known to him, have been benefitted by the use of the Bitters, and in every case they have given the most perfect satisfaction.

J. R. Perkins, Esq. Attorney at Law, of New Bedford, was cured of an unpleasant eruption of the face, by the use of the Bitters.

[From the Daily Evening Bulletin.]

It is not our custom to puff Patent Medicines unless we know them to be really excellent.—Having ourselves a knowledge of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and having several friends who have been benefitted by their use, we do not hesitate to recommend them to the public, Both Sarsaparilla and Wild Cherry are articles of established reputation in the medical world, and this preparation is made with great care and appears to combine all the medicinal qualities of both in an unusual manner. For sale by the proprietor, E. Thornton, Jr. Water street, and by the Druggists generally. Any one suffering from diseases of the blood, indigestion, or headache, would do well to give these Bitters a trial.

Prepared by E. Thornton, Jr. Sold Wholesale and Retail by WYATT & KETCHAM, 121 Fulton street, New York; SAMUEL ELLIOTT, Carlisle, and Druggists generally throughout the United States. Price 1$, large bottles.

THOMSONS COMPOUND SYRUP OF TAR AND WOOD NAPTHA.

1000 PERSONS in Philadelphia and 500 in Cumberland county can testify to the wonderful efficacy of that powerful remedy THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPTHA Read! Read! Astonishing cure of Chronic Bronchitis!

Philadelphia, May 23, 1844.

Mr. S THOMPSON—Dear Sir. For more that our years past I had been dreadfully afflicted with an affection of the throat, which my physician pronounced "Chronic Bropchitis," caused by repeated and neglected colds. The distress suffered is indescribable. My throat was literally raw with violent coughing, so that blood would come from it; also great oppression, pain and tightness at the chest and fever—in short all the usual pulmonary symptoms showed themselves, showed themselves, causing entire loss of necessary repose—my throat was leached and blistered over and over again. I made trial of every known remedy, and at different periods had the advice of six physicians, and all with no avail. About two months since I made trial of your Compound Syrup of Tar and Wood Naptha, and before I had taken the first bottle I felt relief. I continued until I had taken seven bottles, which completely removed the disease and restored me to perfect health, and I firmly believe I should not now be living, had it not been for your invaluable medicine.
