HARDEN & CO continue to bring persons from any part of England, Ireland or Scotland, by Packets, upon the most reasonable terms with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindlers at Liverpool, as is the case at other ports, as we take charge of them the moment they reach our premises, and see to their safe delivery on the Eastern boats which leave daily for Pittsburgh.

We say this fearlessly, as we defy one of our passengers to show that they were detained a single day by us. Having, whilst thousands of others were detained for months, until they could be robbed in some out door grog shop, which low proceeding we utterly abhor, rather than be robbed by such villains, we contract to perform our contracts, and what it may, and not actions, was the result, we succeeded with every difficulty, in landing our passengers safely in Philadelphia, when it suited their convenience.

SELLERS' FAMILY MEDICINES—They are the Medicines of the day.

GRAHAM'S STATION, Ohio, May 25, 1849.

R E Sellers—I think it only just on the benefit of others to share some facts in relation to our excellent Family Medicines.

I have used your Vermifuge ever since my own family, to great benefit, answering for expelling large quantities say 1 to 300 worms from two children. I have used your Liver Pills and Tough Syrup in my family, and they have invariably outstrip produced the effect desired.

As I am engaged in merchandising, I am able to state that I have seen none of the first quality where your Medicines were used in any section of the country. In conclusion, I may state that they are the medicines I use in my family, and are destined to have a very extensive popularity.

GREAT CURE OF LIVER COMPLAINT—By one of original, true and genuine Liver Pills.

SHORT CREEK, Ohio county, Va

Mr R E Sellers—Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with a Liver Complaint for a long time, and no doubt that an abscess formed and broke, which set me in a very low state. Having read of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. L. Smith, I procured one box and found them to be just what they are recommended. THE BEST LIVER PILL EVER USED. I shall continue taking four boxes more, which will complete my cure, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours at a time, accompanied, and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. This he used according to the directions, and found immediately that a medicine possessing such virtues had come to light. In one or two days, and in fifteen or twenty minutes in some cases, the sensation was entirely quelled. The disease no more returned, except whenever indiscretion on the approach of pain would be felt and the pain was thereby prevented. He continued to use the medicine every evening. He continued to use the medicine every evening, and sometimes in the morning, and in a few weeks his health was so far restored, that he suffered no more from its attacks, except on occasions of imprudence, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a sanative medicine for diseases of the stomach and bowels.

DR SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Hectic Fever, Night Sweats, Coughs, Hoarseness, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and speedy cure ever before known for all the above diseases.

DR SWAYNE'S

Compound Syrup of Wild Cherry

This medicine is no longer among those doubtful quackeries, but has passed away from the thousands quietly whispered upon its merits, and now stands a leader in reputation, and a becoming favorite, wherever it is used. Thus, this compound cannot mean what it produces for itself, but what it produces through the agency of the Great Author of Medicine.

It has been introduced very extensively through the United States and Canada, and there are few towns, or even villages, but what contain some remarkable testimonial of its efficacy. The proof of the foregoing assertions, and of the value and efficacy of this medicine, the proprietor will insert a few of the many testimonials which have been given him by those who have benefited by its use, because it would be an act of injustice to the first to withhold any thing from the second, whose frame is by the same complaint, rendered more susceptible of receiving the benefit which was reasonably disappointed in receiving the benefit which the proprietor, disinterested from the high praises bestowed by the proprietors, and have returned to the use of Jayne's Expectorant, as the best remedy that has come to light for the cure of Consumption, probably never had its equal in arresting pulmonary diseases.
