GRAHAM'S PURGATIVE, Ohio, May 25, 1849.

R E Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family one vial frequently answering for expelling large quantities of worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va.
March 26th, 1849.

Mr R E Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and to health that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr D. Smith, I concluded to give them a fair trial. I took about one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease entirely left me, and I am now perfectly well. Respectfully yours,

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, accompanied by producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies without effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. This he used according to the directions, and found immediate relief, that medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented, and he continued to use the medicine every night and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was enabled from a large amount of oppressive pain, to feel comfortable. From his experience, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a salutary remedy for diseases of the stomach and bowels. A SHINN

VALUABLE DISCOVERY!
CONSUMPTIVES, BE ON YOUR GUARD.
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY,
THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Hoarseness, Old Coughs, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs, the most effectual and speedy cure ever known for any of the above diseases.

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful quality. It has passed away from the thousands of quacks, and has stood the test of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation for the relief of suffering man.

It has been introduced very generally through the United States, and there are but few towns of importance but what contain some remarkable evidence of its good effects. For proof of the internal evidence, and of the value and efficacy of this medicine, the proprietor will insert a few of the many thousand testimonials which have been given to him by persons of the highest respectability—men who have higher ties of moral responsibility and justice, than to use a few of many hundred testimonials, published to gull the public, because it is popular. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merit, and the unquestionable character of its public opinion. The instantaneous relief it affords, and the soothing influence diffused throughout the whole frame by its use, renders it a most agreeable remedy for the afflicted.

REMEMBER!

When men, acting from conscientious impulses voluntarily bear testimony to the truth of a thing, or particular fact, such testimony is worth more to the world than waste and cant for about the whole season of the truth, and commends itself in a special manner to every reflecting mind. Such testimony is the best evidence of the merit of HOME CERTIFICATES.

STILL ANOTHER CURE OF PULMONARY CONSUMPTION!

There never was a medicine which has been successful in the detection and cure of Consumption, as Dr Swayne's Compound Syrup of Wild Cherry. It strengthens the system and relaxes the tubes of the lungs, on the lungs, and rich blood, power possessed by no other medicine.

CHESTER CO., April 28th, 1848.

Dr. Swayne—Dear Sir: I verily believe your Compound Syrup of Wild Cherry, has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which had recourse to, viz, resisted all the remedies which had recourse to, viz, accompanied with all the symptoms of incipient pulmonary consumption. Every night I was expected to have no effect, and accompanied with a severe pain in my side, as well as myself, gave up all hopes of my recovery. At this time I was recommended to try your invaluable medicine. I did so with the most happy result. The first bottle had the effect to loosen the cough, cousine me to my room, from which I had not been for six weeks, I was entirely well, and in one week I was able to do my work in my life, and now as hearty a man as I ever was in my life, and would be happy to give any information concerning my case, to sufferers now desire the benefit of my experience. I do for the truth of the above, I remain so grateful. Yours respectfully, Statement, I refer, also to Boyd Crawford, Esq., of whom I purchased the medicine.

JAMES HOGGES.

Respectfully yours,

Wonderful Cure of a Metodist Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years ago, I was a victim of Asthma, Cough and inflammation of the pulmonary apparatus, which was accompanied with a distressing cough, pain in the breast and head, a very tender throat, cough, pain in the breast and head, a very tender throat, the discharge of offensive mucus from the lungs, expectoration, change of weather, however slight. At length upon change of my condition, was greatly fretted, fell into a fever, and was rapidly going into consumption, when I was advised to try your Syrup of Wild Cherry. I grew daily weaker, and at length was scarcely able to walk across my room, and was so hoarse, I was able to speak above a whisper. During the time I was subjected to these preparations and prescriptions, I had tried everything in all the same time, but found no relief—I was advised and persuaded by a dear friend in Wilmington to make trial of your Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those coming out of the hands of empirics, but those standing your claims to the profession and practice of standing your claims to the profession and practice of medicine, and having implicit faith in the saying of my friends, I forthwith purchased of Dr Shaw, one of your agents, a bottle, and commenced its use. My disease was at that time of 20 or 25 months standing, consequently it was deeply seated, I found, however, considerable relief from the use of the first four or five bottles. But being a public speaker, I frequently attempted to preach with my increasing strength, and thereby injured these vessels that had already begun to heal in this way, doubtless, I should have recovered, if I had not ventured, in consequence of acting thus imprudently, I was obliged to use twelve or fifteen bottles before I was perfectly restored. I have no question, a much smaller number of bottles would have made me sound, but for my other indiscretion. The Syrup allayed the fever, the above indisposition, the cough, and gave me a healthy look away the disease, and I was able to be about to the discharge of my duties. Men, by thousands, have taken the entire system good health. I have done so, and I feel as well as I ever did in my life, and I have no doubt but that I feel perfectly well, and I will be sure, and now that I feel perfectly well, I will be sure, and now that I feel perfectly well, I will be sure, and now that I feel perfectly well,
