GOOD TIDINGS FOR TAX-PAYERS!

Amount of the Reduction of the State Debt!

☞The Harrisburg *American* of the 13th inst, brings us the following *official* Proclamation by Gov. JOHNSTON of the REDUCTION OF THE STATE DEBT so far under the operation of the "Sinking Fund Law." It carries glorious tidings, truly, to the oppressed tax-payers of Pennsylvania:

PENNSYLVANIA, SS:

In the name and by the authority of the Commonwealth of Pennsylvania.

BY WILLIAM F. JOHNSTON,

Governor of the said Commonwealth.

A PROCLAMATION.

WHEREAS, In and by an act of the General Assembly of this Commonwealth, passed the 10th day of April, one thousand eight hundred and forty-nine, entitled "An Act to create a SINKING FUND, and to provide for the GRADUAL AND CERTAIN EXTINGUISHMENT OF THE DEBT OF THE COMMONWEALTH," it is enacted and provides as follows, viz:

SEC. 1. That the Secretary of the Commonwealth, Auditor General and State Treasurer, for the time being, shall be Commissioners, who are hereby authorized to receive the revenues appropriated by this act, or which may hereafter be appropriated for the same object, and to purchase therewith the debt of the State of Pennsylvania at its market price, if not exceeding the par value thereof, to the full extent of the said revenues, and to hold and apply the same, and the interest thereon accruing, firmly and inviolably on the trusts and for the purposes hereinafter specified.

SEC. 2. That all revenues derived from the following sources, to wit: the taxes on collateral inheritances, and the per centage assessed upon any bank or railroad, or coal mining, or railroad and coal mining, or improvement company charter, all taxes assessed on distilleries and breweries, or billiard rooms, bowling saloons and ten pin alleys, on new counties, on theatrical, circus and menagerie exhibitions, and on eating houses, beer houses and restaurants, and all such revenues as the Legislature may from time to time set apart for the purposes mentioned in this act, shall, so soon as the same shall be received at the Treasury, be paid over to the said Commissioners, who shall forthwith proceed to purchase the debts of the Commonwealth, on the terms and for the purposes set forth in the first section of this act.

SEC. 3. That the said Commissioners shall be authorized to receive the interest due and payable on the debt, so as aforesaid purchased and held by them, which interest shall be likewise applied to the purchase of said debt, so that the same shall form a constantly accumulating fund for the extinguishment of the public debt.

SEC. 4. That it shall be the duty of the said Commissioners, on the first Monday of September, in the year one thousand eight hundred and fifty-one, and on the same day, in every third year thereafter, to certify the amount of the debt of the Commonwealth held by them, to the Governor, who shall direct the certificates representing the same to be cancelled, and on such cancellation issue his proclamation, stating the fact and the extinguishment and final discharge of so much of the principal of said debt.

SEC. 5. That the Commissioners shall, within ten days after the organization of the Legislature, in the year one thousand eight hundred and fifty-two, and in every third year thereafter, specially report to the legislature the amount of the public debt, so as aforesaid liquidated and proclaimed by the Governor to have been cancelled, and what reduction of taxes may, in consequence thereof, be made, in order that the Legislature may provide for such reduction in the burthens of the people.

AND WHEREAS, Alexander L. Russell, Secretary of the Commonwealth, Ephraim Banks, Auditor General, and John M. Bickel, State Treasurer, Commissioners of the Sinking Fund, have CERTIFIED to me as follows, viz:

Office of the Commissioners of the Sinking Fund,
HARRISBURG, September, 1, 1851.

To his Excellency William F. Johnston, Governor of Pennsylvania.

SIR:—In compliance with the 4th section of the act, entitled "An Act to create a Sinking Fund, and to provide for the gradual and certain extinguishment of the debt of the Commonwealth," approved the 10th day of April, 1849, the Commissioners of said fund hereby certify that the amount of the debt of the Commonwealth purchased since the passage of the act of Assembly referred to, and now held by them, is SIX HUNDRED AND FORTY-NINE THOUSAND ONE HUNDRED AND TWENTY-TWO DOLLARS AND NINETY-EIGHT CENTS ($659,122 98) consisting of 5 per cent. loans negotiated under various acts of Assembly.

Your obedient servants,
A. L. RUSSELL,
E. BANKS,
JOHN M. BICKEL,
Commissioners of the Sinking Fund.

NOW, THEREFORE, In obedience to the requirement of the fourth section of the act of the General Assembly aforesaid, I do hereby issue this Proclamation, publishing and declaring the PAYMENT, EXTINGUISHMENT AND FINAL DISCHARGE of SIX HUNDRED AND FIFTY-NINE THOUSAND ONE HUNDRED AND TWENTY-TWO DOLLARS AND NINETY-EIGHT CENTS ($659,122 98) of the PRINCIPAL of the DEBT of this Commonwealth; and that I have directed the certificates, representing the same, to be cancelled.

GIVEN under my hand and the Great Seal of the State at Harrisburg, this fifth day of September, in the year of our Lord one thousand eight hundred and fifty-one, and of the Commonwealth the seventy-sixth.

BY THE GOVERNOR:

Insurance Companies.

The United States Life Insurance Annuity and Trust Company.

Charter Perpetual—Capital $25,000—Cash System.

THE constant, unsolicited application for Life Insurance, gives the most abundant and gratifying proof that the public mind is deeply impressed with the vast importance of this subject. The great object, however, of Insurance should be *safety*, otherwise the whole motive to insure may be disappointed. Too much care cannot be practised in the selection of an office with which to effect the contract.—The choice should be regulated not by present and constant large inducements, as this, is certainly incompatible with future *benefits.* The premiums on life are calculated for the *future*, if present and prospective benefits therefore are given, the result ultimately, must terminate in litigation, disappointment and ruin. The object aimed at by this institution is *stability* and *perpetuity.* The rates of premium have been carefully prepared with reference to fluctuations.—The cash system of payments has also been adopted. Unpaid premium notes constitute no part of the assets of this company, and every contingency being fortified with an ample capital, security stamps on the whole system. This feature, paramount to all other considerations commends the company to public favor. Explanatory pamphlets, blanks, application papers information, and every facility will be cheerfully furnished the public by Mr. E. CHERRY PECTORAL:

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyment, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following opinions of eminent men, and refer further enquiry to the circular which the Agents below named, will always be pleased to furnish free, wherein are full particulars, and indisputable proof of these facts.

FROM THE PRESIDENT OF AMHERST COLLEGE, THE CELEBRATED PROFESSOR HITCHCOCK.

"James C. Ayer—Sir: I have used your CHERRY PECTORAL in my own case of deep-seated Bronchitis, and am satisfied from its chemical constitution, that it is an admirable compound for the relief of laryngial and bronchial difficulties.—If my opinion as to its superior character can be of any service, you are at liberty to use it as you think proper.

EDWARD HITCHCOCK, L. L. D.

From the widely celebrated.

PROFESSOR SILLIMAN, M. D., L. L. D.
PROFESSOR OF CHEMISTRY, MINERALOGY, &c.
YALE COLLEGE, MEMBER OF THE LIT. HIST.
MED. PHIL. AND SCIENTIFIC SOCIETIES OF AMERICA AND EUROPE.

"I deem the CHERRY PECTORAL an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure."
