IMPORTANT TO FEMALES!
DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have these Pills proved successful. They invariably open those obstructions to which Females are liable, and bring nature into its proper channel, whereby health is restored and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. To ladies whose health will not permit of an increase of their family, these pills will prove a valuable acquisition, as they will prevent pregnancy.—Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do most always arise from she interruption of nature; and whenever that is the case, the pills will invariably remedy all thert evils. Nor are the less afficacious in the cure of Leucorhœa, commonly called the "Whites." These pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely Vegetable, and free from anything injurious to life or health. Fulland explicit directions accompany each box.

These pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter, pre-paid, to Dr. C. L. CHEESEMAN, No. 267, Bleecker street, New York, can have them sent to their respective addressive by mail.

HAPPINESS! HAPPINESS!!
WHAT CAN MAKE US HAPPY?

"Reason's whole pleasure, all the joys of sense,
Lie in three words—Health, Peace, and Competence.
(Pope.)

But when we have pains, affliction or anguish of diseases, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-beings suffer? Does not Christ say: "With the same measure ye mete, it shall be measured to you again?" "Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James 3, 13.
