The Markets.

BALTIMORE MARKET.

MONDAY EVENING, May 7.

FLOUR AND MEAL.—The Flour market this morning was firm. Sales of 250 bbls City Mills at $10. These were offers, however, before 'change closed, of $10 25, and refused. Sales of 950 bbls Howard street brands at $10 25, but towards the close of 'change no sellers could be found at these figures—some were asking $10 37½ per bbl but found no purchasers. The market is evidently firmer, and holders are in anticipation of an advance. Receipts and supply very light.—Rye Flour—We quote at $7 a 7 18 per bbl. nominally. Corn Meal—Sales of country at $4 50 a 4 62, and city manufacture at $4 87½ per bbl.

GRAIN.—Wheat—The receipts to-day were unusually light; not over 500 bushels.—Holders firm but no sales reported. We quote good to prime white at $2 40 to $2 55, and Wheat at $2 40 a 2 45 per bushel—nominal. Corn—Market firmer to-day.—About 14,000 bushels offered, and sales of white at $1 01 a 1 03; yellow at $1 03 a 1 04 per bushel. These figures show an advance. Oats—Only about 300 bushels offered to-day, no sales. We quote Maryland and Virginia nominal at 62a65 cents: Pennsylvania at 66a68 cents per bushel.—Rye—About 900 bushels offered to-day, no sales. We quote Maryland at $1 36 a 1 40, and Pennsylvania at $1 48 a 1 50 per bushel.

DR. J. B. MARCHISI'S CELEBRATED CATHOLICON, FOR THE RELIEF AND CURE OF SUFFERING FEMALES.

It stands pre eminent for its curative powers in all the diseases for which it is recommended, usually called FEMALE COMPLAINTS. Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful Suppressed, & Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or of how long standing. This medicine has never been introduced by empty puffs, and misrepresentations nor is it intended that its present popularity shall be sustained by any medium but its merits and the approbation of the public.

NOTICE TO THE UNFORTUNATE FEMALE.

I feel it a duty incumbent upon myself to declare publicly the great blessing Dr. Marchisi's Uterine Catholicon has proved to me. For two years my health was miserable; I was almost unable to walk. Physicians pronounced my case falling of the womb, extensive ulcerations, commencing with fluor albus. The pains, irritation, prostration, &c., rendered life a burden. In this miserable condition, Dr. F. P. Newland recommended Dr. Marchisi's Uterine Catholicon. After taking four bottles I find myself in perfect health. Gratitude for my restoration makes me ardently desire that all my sex, alike unfortunate, may find sure relief from this inestimable medicine.

ELIZABETH A. NEWLAND,
No. 19 West-st., Utica, N. Y.

The above statement I know to be true.
F. P. NEWLAND, M. D., Utica, N. Y.

I have no hesitation in saying, Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally I have used it in Fluor Albus, Amenorrhœa, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.
JOHN C. ORRICK, M. D., Baltimore, Md.

Let all interested call and obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

STARTLING, BUT TRUE!

WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

THE BLOOMING BRIDE,

But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb), or from *fluor albus* (weakness, debility, &c.)
