It is printed on a mammoth Sheet, in quarto form, and contains weekly forty-eight columns of original and selected reading matter, and advertisements. It is unequalled by any of its local contemporaries in the extent and variety of its correspondence, both home and foreign, and original contributions. Price, $2 per annum: five copies for $9; ten for $15—in advance.

It is certainly the very best Advertising Medium in Pennsylvania, out of the cities, not only because of its circulation, but also because of the substantial and thrifty character of its patrons. As a medium for offering REAL ESTATE for sale it is especially desirable, as it reaches a large class of Real Estate owners and dealers and business men generally, than any other local paper. Terms moderate. Advertisements may be sent directly to the Publisher, or through any paper in which this advertisement is inserted. Address

Summer Resorts.

PERRY CO'Y. WARM SPRINGS, PENNSYLVANIA.

Will be open for visiters from the 5th day of June.

H. H. ETTER, Proprietor.

This most desirable watering place is situated on the banks of Sherman's Creek, which flows at the base of Pisgah Mountain, some five hundred feet above the level of the creek, in front of the dwellings. This stream affords pleasure to the guests, as there are boats upon it to pass up and down, also a beautiful Island in it, well shaded with large forest trees: the walks up and down the stream are delightful, while there is pleasure for those who like to fish in the streams. The springs are numerous, and cannot be surpassed for bathing: there are bath houses separate for ladies and gentlemen, also large plunge pools for each, with an abundance of pure spring water.

The hills afford an extensive view of rich and rare scenery of mountains and valleys, being the most picturesque in the state. Among the attractions of the Warm Springs there are numerous shady and romantic summer walks, making them a pleasant retreat. Horses and vehicles will be kept the season to hire.

Having no expense in making a selection of first-rate servants, I flatter myself, they will give general satisfaction to the guests. There shall be no pains spared in supplying the table with the luxuries of the markets.

A person leaving Philadelphia or Baltimore in the morning train to Duncannon, on the Central Railroad, four miles northwest of Harrisburg, then taking a coach which is always in readiness, will arrive at the springs about 5 o'clock, the fare being but $1.00 through to the springs.

All communications intended for the springs should be addressed Duncannon Post office, Perry county, Pa., the day after the fifth of June. Persons wishing to engage rooms, &c., will please address Landisburg Post Office, prior to the 5th of June. Persons in the cities wishing information can have it by calling on the gentleman hereinafter attached. A Band of Music has been engaged.

NOTICE TO CONSUMERS.

COAL! COAL! COAL!!

The subscriber would respectfully inform his friends and the public, that he is now receiving 1000 tons of that very superior RED ASH COAL from the Luke Fidler, mines of Boyd, Rosser & Co., the only Red Ash Coal brought from the Shamokin Basin, introduced and known in Carlisle as the Helbenstine Coal. It is entirely free from slate and all other impurities, and is perfectly adapted to all mechanical and domestic purposes.
