A MARVELLOUS REMEDY, FOR A MARVELLOUS AGE!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin whatever form they may assume, as the Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the directions of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 year's standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected and by otherwise following the printed directions around each pot.

BOTH THE OINTMENT AND PILLS SHOULD BE USED IN THE FOLLOWING CASES:

Bunions	Piles	Sprains
Burns	Rheumatism	Scalds
Chapped Hands	Salt Rheum	Swelling Glands
Chilblains	Skin Diseases	Stiff Joints
Fistulas	Sore Legs	Ulcers
Gout	Sore Breasts	Venerial Sores
Lumbago	Sore Heads	Wounds of all kinds
Mercurial Eruptions	Sore Throats	
	Sores of all kinds	

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London, and by all respectable Druggists and Dealers of Medicines throughout the United States, and the civilized world, in Pots, at 25 cents, 62½ cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

A DESIDERATUM!—A. M. JACOBS, No. 381, Poplar Street, Philadelphia, is now manufacturing a WRITING PEN, composed of metals which not being liable to corrosion will be found as durable as 8 or 10 steel pens. Resembling the quill more than the gold pen in elasticity, they will be preferred as not injuring the color of Red Ink or collecting any of that sediment about them which steel pens invariably do; they will be found an invaluable improvement. One trial will prove the fact that they are more economical than and superior to any pen in use. Price 12, 18 and 25 cents per dozen, or $1,25, $1,50 and $2,00 per gross. $1000! $1000!! AFFLICTED AND UNFORTUNATE,

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying hosts, false promises, and spurious recommendations (from the dead and unknown) of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the clemency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., without effect—having been deceived by misrepresented and exaggerated accounts of Self-Abuse, Secret Diseases and their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to increase sufferings, and alarm and frighten the unthinking, the more easily to extort large fees, (which is more evident, being sold for less than cost of printing and advertising)—having paid five to one hundred dollars to Foreign and Native Quacks,

WITHOUT BEING CURED,

having suffered much and long,—though the time lost cannot be recalled, nor the money recovered you paid and were defrauded of, yet you can be cured, however bad, long standing or afflicting your case, by Dr. LEIDY.

"Be wise—hesitate; Delays are dangerous."

"Time is Money; Time saved is Money earned."

YOUNG MEN OR OTHERS,

Single, married, or contemplating marriage, suffering from Self-Abuse or its consequences, or suffering from any other causes, defects, or diseases, and LADIES, whatever their diseases or situations, may honorably rely and confide in Dr. Leidy's skill and success. Dr. LEIDY has more patients, and cures them too, than all advertising Doctors, so called or otherwise, in Philadelphia combined, and proudly refers to Professors and respectable Physicians, many of whom consult him in critical cases, and respectable Citizens, Merchants and Hotel Proprietors, as to his known skill, reputation and unparalleled success.

"Reason's whole pleasure, all the joys of sense, lie in three words—Health, Peace, and Competence. (Pope.)

But when we have pains, affliction or anguish of diseases, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-beings suffer? Does not christ say: "With the same measure ye mete, it shall be measured to you again?"—Mat. 7, 2.—"Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James 3, 13.

IMPORTANT TO FEMALES! DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have these Pills proved successful. They invariably open those obstructions to which Females are liable, and bring nature into its proper channel, whereby health is restored and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females. To ladies whose health will not permit of an increase of their family, these pills will prove a valuable acquisition, as they will prevent pregnancy.—Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do most always arise from the interruption of nature; and whenever that is the case, the pills will invariably remedy all their evils. Nor are the less alleacious in the cure of Leucorrhœa, commonly called the "Whites." These pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter, pre-paid, to Dr. C. L. CHEESEMAN, No. 267, Bleecker street, New York, can have them sent to their respective addressive by mail.

HELMBOLD'S GENUINE PREPARATIONS.—HELMBOLD'S HIGHLY CONCENTRATED

COMPOUND FLUID EXTRACT BUCHU,

For disease of the Bladder and Kidneys, Secret Diseases Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known.—It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed, and the bones already affected.

Medicines.

MOST IMPORTANT TO THE LADIES.—Dr. Geissner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient; for which reason they must not be used during pregnancy, though alway mild, healthy, safe and certain in their effects.

TESTIMONY FROM PENNSYLVANIA.

J. D. Spring, Lacey ville, Pa., April 6, 1854, says, "can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c.

S. B. Lawson, Benford's Store, Somerset co. Pa., aug. 15, 1853, says, "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from it in disease of the Liver. I find it has a great effect on my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. Giles, Newton, Hamilton, Pa., May, 1951, said: "have used myself half a dozen bottles of your German Bitters for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of the latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary results. I think as many more bottles will cure me."

J. C. Young, Esq., of Dauphin, Pa., writes May 5, '5. "I was afflicted with General Debility, Intestinal Weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland German Bitters. I took a few bottles according to directions, and was completely cured. I have not been healthy for ten years as I have been since I took your Bitters, which is about one year ago."

These Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.
