A MARVELLOUS REMEDY FOR A MARVELLOUS AGE!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, SALT RHEUM AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin whatever form they may assume, as the Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has, by command of the Allied Governments, dispatched to the hospitals of the East, large shipments of this Ointment, to be used under the directions of the Medical Staff, in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 year's standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if this Ointment be well rubbed in over the parts affected and by otherwise following the printed directions around each pot.

BOTH THE OINTMENT AND PILLS SHOULD BE USED IN THE FOLLOWING CASES:

Bunions	Piles	Sprains
Burns	Rheumatism	Scalds
Chapped Hands	Salt Rheum	Swelling Glands
Chilblains	Skin Diseases	Stiff Joints
Fistulas	Sore Legs	Ulcers
Gout	Sore Breasts	Venerial Sores
Lumbago	Sore Heads	Wounds of all kinds
Mercurial Eruptions	Sore Throats	
	Sores of all kinds	

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and 244 Strand, London, and by all respectable Druggests and Dealers of Medicines throughout the United States, and the civilized world, in Pots, at 25 cents, 62½ cents, and $1 each.

*** There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

AFFLICTED AND UNFORTUNATE,

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying boasts, false promises, and spurious recommendations (from the dead and unknown) of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the clemency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., without effect—having been deceived by misrepresented and exaggerated accounts of Self-Abuse, Secret Diseases and their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to increase sufferings, and alarm and frighten the unthinking; the more easily to extort large fees, (which is more evident, being sold for less than cost of printing and advertising)—having paid five to one hundred dollars to Foreign and Native Quacks,

WITHOUT BEING CURED,

having suffered much and long—though the time lost cannot be recalled, nor the money recovered you paid and were defrauded of, yet you can be cured, however bad, long standing or afflicting your case, by Dr. LEIDY.

"Be wise, betimes; Delays are dangerous."

"Time is Money; Time saved is Money earned."

YOUNG MEN OR OTHERS,

Single, married, or contemplating marriage, suffering from Self-Abuse or its consequences, or suffering from any other causes, defects, or diseases, and LADIES, whatever their diseases or situations, may honorably rely and confide in Dr. Leidy's skill and success. HAPPINESS! HAPPINESS!! WHAT CAN MAKE US HAPPY!

"Reason's whole pleasure, all the joys of sense,
Lie in three words—Health, Peace, and Competence. (Pope.)

But when we have pains, affliction or anguish of diseases, is not our pleasure, our joy, and our happiness thereby destroyed? Why let our sick fellow-being suffer? Does not Christ say: "With the same measure ye mete, it shall be measured to you again?"—Mat. 7, 2.—"Who is a wise man and endowed with knowledge among you, let him show out of a good conversation his works with meekness and wisdom."—James 3, 13.

IMPORTANT TO FEMALES!

DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have these Pills proved successful. They invariably open those obstructions to which Females are liable, and bring nature into its proper channel, whereby health is restored and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females.—To ladies whose health will not permit of an increase of their family, these pills will prove a valuable acquisition, as they will prevent pregnancy.—Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep do most always arise from the interruption of nature; and whenever that is the case, the pills will invariably remedy all their evils. Nor are the less efficacious in the cure of Leucorrhœa, commonly called the "Whites." These pills should never be taken during pregnancy, as they would be sure to cause a miscarriage. Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions accompany each box.

These pills are put up in square flat boxes. Persons residing where there is no agency established, by enclosing One Dollar in a letter, pre-paid, to Dr. C. L. CHEESEMAN, No. 267, Bleecker street, New York, can have them sent to their respective addressive by mail.

HELMBOLD'S GENUINE PREPARATIONS.—HELMBOLD'S HIGHLY CONCENTRATED

COMPOUND FLUID EXTRACT BUCHU,

For disease of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated, and no matter of how long standing.

If you have contracted the terrible disease which, once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent physicians the greatest remedy ever known.—It is a medicine perfectly pleasant in its taste, and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found acting both as a Cure and preventive.

This article is now prescribed by some of the most distinguished physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. Medicines.

MOST IMPORTANT TO THE LADIES.—Dr. Geissner's celebrated MENSTRUAL PILLS have been long and widely known as invariably certain in removing any stoppage, irregularity, or suppression of the menses.

In the Female Hospitals in Vienna, Paris, and Berlin, they have entirely superseded the use of all other remedies; because, where a cure is attainable by medicinal agencies, they are certain of success. Their astonishing efficacy would be almost incredible, if not vouched for by indubitable testimony, in numerous instances producing returns of the monthly period after all hope had been abandoned.

In every case, from whatever cause the obstruction may arise, as also to prevent pregnancy where the health will not admit of increase of family, they are always efficient; for which reason they must not be used during pregnancy, though alway mild, healthy, safe and certain in their effects.

Married ladies will find particular instructions in the directions, in which are stated in various symptoms by which the causes of the suppression may be determined.

Each box will be signed by Dr. R. G. GEISSNER.

Principal Office, 127½ Liberty Street, New-York City

Responsible agents will be appointed for their sales as soon as practicable. In the mean time, all orders are to be addressed to Dr. R. G. GEISSNER, 127½ Liberty Street New-York City, or to box 2456 N. Y. Post Office, and box will be sent by return mail, as they are put up in sealed envelopes, and can be sent with the strictest privacy to any part of the United States.

CAUTION TO LADIES.

As various not only ineffective but injurious compounds purporting to be "FEMALE PILLS" under all kinds of names as "IRON PILLS," "SILVER PILLS," "GOLDEN PILLS," "PERIODICAL PILLS," &c. are attempted to be palmed off upon the credulous or unwary, it is only necessary for ladies to be on their guard against the attempted imposition, and in all cases where there is no authorized agent for the sale of "Dr. GEISSNER'S MENSTRUAL PILLS," to order direct from him by mail, by return of which a box will be sent.

HOOFLAND'S CELEBRATED GERMAN BITTERS, prepared by DR. C. M. JACKSON, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, equalled, by any other preparation in the United States as the cures attest, in many cases after skilful physicians had failed.

These bitters are worthy the attention of invalids.—Possessing great virtues in the rectification of disease of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

TESTIMONY FROM PENNSYLVANIA.

J. D. Spring, Lacoyville, Pa., April 6, 1854, says, "can get you some good certificates for your German Bitters in this vicinity if you wish them. A lady purchasing some of it this week, says that it is by far the best medicine she ever knew, having done her and her daughter much good, &c.

S. B. Lawson, Benfard's Store, Somerset co. Pa., aug. 15, 1853, says, "I am much attached to your German Bitters, having used two bottles of it, which I procured from S. Kurtz, your agent at Somerset, and found great relief from it in disease of the Liver. I find it has great effect on my lungs, strengthening and invigorating them, which, as I am a public speaker, is a great help to me."

Dr. Giles, Newton Hamilton, Pa., May, 1951, said: "I have used myself half a dozen bottles of your German Bitters for Liver Complaint and diseases of a nervous character, resulting from the abuse of mercury. I was poisoned and afflicted with spasms from the use of the latter article. The German Bitters is the first article from which I obtained any relief. I have also given the article to many dyspeptics, with the most salutary results. I think as many more bottles will cure me."

J. C. Young, Esq., of Dauphin, Pa., writes May 5, '5. "I was afflicted with General Debility, Intestinal Weakness and Costiveness, for which I used many different remedies without relief. I at last used your Hoofland's German Bitters. I took a few bottles according to directions, and was completely cured. I have not been healthy for ten years as I have been since I took your Bitters, which is about one year ago."

These Bitters are ENTIRELY VEGETABLE, always strengthening the system and never prostrating it.

Man Eaten by Mackerel.

In 'Ross's Yacht voyage to Norway,' is the following extraordinary story:—Near the village of Sand, in Norway, lived an old woman who was constantly rowing about in the Fiord. She rowed her pram round the same circle, never deserting the spot, but whistling and chanting by turns; she kept her face turned in one direction that she might watch the central surface of the water. 'What means that old woman?' asked R. of several men who were observing her, and clustering round the pilot, seemed to be gathering all the information he could give. 'She is mad, my lord,' the sailor made reply. 'Mad!—why mad?" repeated R. "The pilot says, my lord, that she is so; and looking for her husband," the cockswain replied. "Where's her husband? Is he drowned, eh?" continued R. "No, my lord," the sailor said, twitching up his trowsers and walking aft towards the quarter-deck; "her husband was a fisherman, and lived hard-by, my lord—up there. About fifteen years ago the man was bathing hereabouts and was eaten up by Mackerel but the old woman thinks my lord, he has only dived, and will soon rise again." And so indeed the legend goes. One morning, fifteen summers past, the poor fisherman plunged into the element that had been his sole sustaining friend from youth, to bathe, and before scarce fifteen minutes had elapsed, surrounded by a shoal of mackerel, and in sight of home and her who had made home pleasant, was devoured by these ravenous fish. When he raised his arms out of the waters, to show the dreadful fate that threatened him, and to arouse the alarm of his unconcious wife, a hundred mackerel hung like plummets from the flesh. The fisherman sank, and was never seen or heard of more. From that morning until to-day, his widow, having lost her reason, ever rows her husband's pram about the spot where he perished, in full persuasion that he has gone to seek a sunken net, and in a little while will emerge again.

A LADY IN A RAFFLE.—The Paris correspondent of the New York Express says:—A young and beautiful girl, (oh! of course!) but unfortunately wanting in the substantial goods of the matter of fact world, has lately conceived the idea of putting herself up in a lottery. She has accordingly issued proposals, through some of the newspapers, to this effect. She values herself at 300,000 francs—which is dirt cheap for such fine goods.—She offers for sale 300 tickets, at 1000 francs each, and, when all have been disposed of engages to place herself and the 300,000 francs in the hands of the lucky dog who throws the highest number. This lady, however, manages her tickets in person, makes them not transferable, and only sells to such applicants as she can personally contemplate in the light of a possible husband.—This bit of speculation has an American sound but it is strictly French, I assure you. Another lady advertises in the journals for some benevolent gentleman, between the ages of 35 and 45, to come forward and marry her daughter—17 years of age, beautiful, accomplished, possessed of 20,000 francs per annum, and—afflicted with the St. Vitus's Dance!—The old lady thinks this would be a good chance for a physician. So do I.

INTERESTING DISCOVERY IN EGYPT.—An English clergyman, Rev. Mr. Stobart, when recently travelling in Egypt, obtained from an Arab of the Desert, four small tables, with hieroglyphic inscriptions, upon which the Arab did not set any value, but Mr. Stobart knew to be of considerable worth. On his return to Europe, Mr. S. took his early opportunity to submit his treasures to the renowned traveller Dr. Brugsch of Berlin, who has made very extensive researches in Egypt and the neighboring countries, and has published some remarkable works upon the old Egyptian language, whose difficulties he has completely surmounted. Dr. Brugsch immediately found that the inscriptions on these tablets were in the Demotic character, and that they contained astronomical information. On a closer examination he found no less than a thousand different data relating to astronomy, and particularly to the entrance of the five planets, Saturn, Jupiter, Mars, Venus, and Mercury, into the twelve signs of the Zodiac. Dr. Brugsch attributes these observations to the reigns of Trajan and Adrian, from the 8th to the 10th year of the reign of the former, and the first seventeen years of the reign of the latter.
