The Best and Cheapest Horse Medicine IN THE WORLD:

SLOAN'S OINTMENT AND CONDITION POWDERS.

Have earned a great name. For Purity, Mildness, Safety, and Thoroughness, SLOANS OINTMENT *Excels* and is rapidly superseding all other Ointments and Liniments now in use for the cure of the following diseases:

Fresh wounds, galls of all kinds, sprains, bruises cracked heels, ringbone, windsores, windgalls, poll evil, callues, spavins, sweeney, fistula, sitfast, strains inwenesa, sand crack, foundered feet, scratches or grease mange or horse distemper.

The Powder will remove all inflammation and fever purify the blood, loosen the skin, cleanse the water and strengthen every part of the body, and has proved a sovereign remedy for the following diseases:

Distemper, hide bound, loss of appetite, heaves strein, yellow water, inflammation of the eyes, fatigue from hard exercise; also, rheumatism, (commonly called stiff complaint) which proves so fatal to many valuable horses in this country. It is also a safe and certain remedy for coughs and colds which generate so many fatal diseases. W. B. SLOAN

Grand Depot, 40 Lake st, Chicago, Illinois.

THE PROOF.

Extract from the "Galena North Western Gazette":

"By the use of Sloan's Ointment and Condition Powder, I have entirely cured a fistula on my horse and otherwise improved his condition more than 50% per cent. on the cost of the medicine. And a cow which was so feeble as to be considered worthless by myself and neighbors, was restored to good health and strength by the use of less than half a package of the powder, and is now daily better than any other cow I have. Small Pox, May 15, 1846. WM. VINCENT.

THE SUFFERING CHILD.

I hereby certify that one of my children, when six wed, fell into a large fire of live coals, and was burned severely from head to feet. The best of medical aid and attention was given to the child for four or five days without any relief—each day's sufferings increased till his groans could be heard at a great distance, at which critical period one of my neighbors recommended and prescribed to me a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is Hell township, Vermillion county, and State of Indiana. THEODORE L. TAYLOR.

Chicago, August 24, 1848.

EXTRAORDINARY CURE.

April 13, 1848. Four miles north of Chicago (on the road to Milwaukie), Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone, immediately under the collar, which lamed him and rendered his service of very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, but to least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until I became fully satisfied that it would never relieve the animal. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the first application the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in these columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powders."

These remedies no longer remain among those of doubtful utility, they have passed from the life of experiment, and now stand higher in reputation and are becoming more extensively used than all other articles of the kind—Mich. City News.

THE HALF HAS NOT BEEN TOLD.

For River, June 13, 1848.

Dear Sloan—Sir: Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never have my been disappointed in their effect, as I have been in the use of others, even the most celebrated Ointments, Liniments, &c., of the day. I like very much the testimonials in them, viz: that they do all that is promised and upon a thorough trial one is contrained to add, that "half has not been told."

Respectfully, M. DUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and partial in their operation—Sloan's Ointment is mild yet thorough—it reaches and removes the cause, hence it gives real and permanent relief. For purity, mildness, safety, certainty, and thoroughness, Sloan's Ointment excels, and is rapidly superseding all other Ointments and Liniments for sale in case.

WE CAN'T GET ALONG WITHOUT IT.

Bexar's Grove, Ill., Oct. 24, 1848.

Mr. Sloan—Sir: I have tested the virtue of your Ointment in the cure of rattlesnake bites, spavins, harms, and many other injuries, and in every case it has surpassed our expectations. As a family Ointment, I have never seen its equal, and for beasts we can't get along without it. —Yours, &c., MILES M. JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir: For a considerable length of time I was seriously afflicted with the rheumatic complaint, and applied freely the various liniments, painkillers, &c., without obtaining any relief. After which I came to this place informed me to try your Ointment, and within two weeks from the time I commenced using it, the pain ceased, and I was effectually cured, and shall recommend it to all my friends afflicted with the distressing complaint, to procure your excellent ointment without delay. OSCAR F. MOTT.

Princeville, Peoria co., May 1, 1848.

☞ From the Hon. H. V. S Brooks, Agent of the Illinois and Michigan Canal Packet Boat Company.

Chicago, June 26, 1848.

Dr. W. B. Sloan—Dear Sir: For the last 30 years I have had occasion to use your Ointment, and have tried the great variety of liniments and ointments in use, but have never found any thing equal to your ointment for injuries to horses. Within the last two months I have applied your ointment to some 80 horses, for various injuries, and in every instance it has proved a sovereign remedy.

A FINGER BITTEN ENTIRELY OFF.

Two miles south of Chicago, Sept. 14, 1848.

Dr. Sloan—Sir: On the 5th instant my son had a finger bitter entirely off by a horse. We immediately applied your celebrated ointment, which relieved him of pain in a few minutes, and prevented the finger from swelling the least particle, and the wound is healing rapidly. Respy yours, B. BROCKWAY.

DOCTORING IN GALENA

Mr. Sloan—Dear Sir: About three years ago I was severely injured in one of my legs by the falling of a pile of wood which occasioned large running ulcers. Nearly every doctor in Galena tried to cure them, but tried in vain, and from sympathy and improper treatment my other leg became as bad as the one originally wounded. I despaired of ever being well again, but in order that I might neglect no means within my reach, I purchased of your agent in Galena one box of your ointment and you can judge of my surprise and gratitude better than I can express it, to find myself entirely well before I had finished the second box. Now I feel bound to make known that others afflicted may believe and not delay using so valuable an ointment as yours has proved to be. Respy yours, &c., CYRUS FORD, Galena, Ill., Dec. 19, 1848. EVAN DAVIS.

ONLY 50 DAYS.

Before the following order, Messrs. Vaughn & Co. purchased a large supply of Sloan's preparations.

Jackson, Mich. Feb. 24, 1848.

S. K. Hibbard—Dear Sir: I am out of Sloan's Condition Powder and Horse Ointment. The sale far exceeds my expectation. If you can manage to send me 6 doz. Ointment, I will pay for them. The first time that you are here, and presume I shall be able to sell a large quantity in the course of the year, it will be an object to you, as it will be to me, to keep an constantly supplied. Very respy yours, S. S. VAUGHN & CO.

MISSISSIPPI RIVER.

St. Louis, Feb. 22, 1848.

Dr. Sloan—Sir: About two years ago, while rafting on the Mississippi river, in passing over the rapids, I was plunged into the water, and by the raft dashing against a rock, crushing my left leg and otherwise so grievously injuring me, so much that I lost all sensibility. When consciousness returned I found myself in St. Louis, surrounded by my weeping family. Good nursing and medical aid, enabled me in about two months to hobble around with the assistance of a crutch. My wounds only partially healed, leaving large running sores at the knee, which for many months discharged blood and matter of the most offensive character. My pains were inexpressible, at times my suffering was so great that death would have received a hearty welcome. Fortunately Mr. Wilson, one of my neighbors advised me to try your Ointment. I obtained a box applied it according to direction—the sore soon began to assume a healthy appearance, and in three months I was entirely cured, and enabled to do hard labor. Your obedient servant, HIRAM W. THOMAS.

We, the undersigned, neighbors of H. W. Thomas, were acquainted with the case above stated, and knowing the circumstances, most cheerfully confirm said Thomas' statement. REV J. DOUGLASS, JAMES WILSON, PETER LAMB.

GOOD NEWS.

CHICAGO, Jan. 8th, 1849.

W. B. Sloan—Sir: One of my horses was hoof bound and also wounded in the stifle, in which he took cold and became so crippled that he could scarcely travel. By the free application of your valuable ointment, his hoofs were soon softened and the stifle permanently cured. I have also used the Ointment for the case of a Poll-Evil and on several gails with equal success.

On a mashed finger that was very painful, it operated like a charm. Yours, &c., A. VAN ORDEN.

TESTIMONY FROM LITTLE SORT.

Sloan's Ointment and Condition Powder are acknowledged by all who have used them to be the best remedy for horses and cattle that has been discovered. Fresh wounds, galls, sprains, bruises, ringbone, poll evil, and in short every outward disorder or injury can be cured by this wonderful remedy. The Powder is designed for inward strains, distempers, blood bowels, fatigue from hard exercise, diseased eyes, &c.—Lake County Chronicle.

'RATHER DOUBTINGLY, BUT I THOUGHT WOULD TRY IT."

Wickliffe, Cook Co. Feb. 12, 1849

Mr. Sloan—Sir: I have a fine young horse that was taken with the scratches last fall. I paid out about three dollars for medicine to cure him, but he grew worse. I then bought a box of your ointment at your office when in Chicago last, rather doubtingly, but I thought I would try it. Judge of my surprise and my opinions of its beneficial qualities, when I found my horse's legs smooth and well in four days from the time I commenced applying it. Your obedient, E. F. COLBY.

FACTS FOR THE PEOPLE.

More than fifteen years of unrivalled success in the cure of every variety of external diseases and injuries such as sprains, bruises, cuts, burns, cutaneous eruptions, sore lips, sore breasts, chapped hands, chilblains, biles, ulcers, corns, pains in the back, sides, or other parts of the system, rattlesnake bites, &c., bears ample testimony that Sloan's Ointment is just the thing for the hour. Certificates without number have been received by the Proprietor from disinterested individuals, giving details of remarkable cures by its use.

A WISCONSIN WITNESS.

Granville, Milwaukie co. Wis., Oct. 13, 1848.

Mr. Sloan—Dear Sir: Recently my horses ran away with a log chain attached, which cut and otherwise injured them seriously, so much so that I concluded my team ruined for business. Fortunately a friend recommended the use of your Ointment. I went to Milwaukie and purchased a box. It soon removed the inflammation, and in a few days the wounds healed. The great benefit derived from the use of your Ointment, on my horses, induced me to acquaint you with the fact, believing its publicity would benefit you and the public. Respectfully yours, GEORGE COMSTOCK.

IT IS A POSITIVE FACT,

And has become a common saying, that Sloan's Ointment and Condition Powder are rapidly superseding all other remedies for all diseases of horses and cattle. The beauty of the medicines consists in their purity, safety, and certainty, they may be used over so freely without any danger of taking cold, or any other injury resulting from their frequent use, and never fail to cure if the directions are followed. 1y16ewly3

SELLERS' LIVER PILLS WAR MY DOCTOR.

Mr. R. E. Sellers—Dear Sir: I feel it is a duty I owe to the public, as well as to the credit of your Liver Pills, to state the great benefit received by their use in my own case. During the month of June, 1845, I took a severe cold, my appetite failed, and my strength was entirely prostrated. My bowels became in my side and shoulders. I was told by medical men that my disease was a severe attack of liver complaint. I took two several boxes of M'Lane's Liver Pills, and some syrups, which I was told was good for that disease, but after all I was worse and worse. I finally concluded to dose myself under the care of a physician for better or worse; but, fortunately, just at this time, I was told by the Rev. T. Ashby, of this place, that a friend had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I forthwith sent for a box of your Liver Pills, and by the time I was done using them, I was satisfied that it was just the medicine that suited my case. I sent for more, and took five or six boxes, and was as well as ever, entirely cured; but in March last I caught a severe cold, which brought back the disease, and in a short time I was as bad as ever. I again commenced using your Liver Pills, and took them every other night for a few weeks, and occasionally, and I am now as well as ever, that I can now say, that I feel little if any symptoms of the Liver Complaint, and my general health is as good as I could wish, and I owe it to your Pills.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by some pleasantry I have recommended a dozen of caring me. I am confident that when the public become acquainted with the value of your Liver Pills, the demand will be unlimited. Many of my neighbors, to whom I have recommended the pills, can testify to their value, as well as to the facts above stated.

Respectfully yours, GEORGE MILLER.

TO THE PUBLIC—The Original, only true and genuine Liver Pills are prepared by R. E. Sellers, and may be obtained of him at the Drug Store, 57 Wood st, cash Box, and his signature on the outside wrapper. ☞ All others are counterfeits, or base imitations.

Jaynes' Expectorant.

SALEM, Columbiana co., O., Apr. 24, 1841.

DR. D. JAYNE—Dear Sir: I have sold your Expectorant and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant. I have been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the physicians of this place, and my friends considering me in the neighborhood without deriving any benefit, or the consolation of surviving six few days or weeks at furthest, I was left to die. But, to their surprise, I vanish, I had recommended to me your Expectorant—and blessed by that being who does all things in the kindness of his heart, I procured it, at the solicitation of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to business, and enjoying since health and ease. I had for ten years previous. Respectfully yours, &c.

MR. ELIJAH EATON'S CERTIFICATE TO DR. JAYNE'S ALTERATIVE, that immediately after having attended my brother, who died of consumption in March, 1842, I was taken sick with the Consumption or Liver Complaint, and was reduced to so weak that I could not walk across the room, I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. Having taken above a year of time, I had expended for medical attendance on regular Physicians and medicines, to the amount of $350, without receiving any benefit whatever. In July, 1845, I commenced taking Dr. Jayne's Medicines, and have taken them more or less ever since, and believe that it was by persuading me to use them that I can now truly say that I have completely recovered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines in use. ELIJAH EATON.

TRANSPORTATION LINES.

HARDEN & CO's

Passenger Line Packets.

HARDEN & CO. continue to bring persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants and comfort of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others are detained months, until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts accurately, not what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

SELLERS' LIVER PILLS WAR MY DOCTOR.

Mr. R. E. Sellers—Dear Sir: I feel it is a duty I owe to the public, as well as to the credit of your Liver Pills, to state the great benefit received by their use in my own case. During the month of June, 1845, I took a severe cold, my appetite failed, and my strength was entirely prostrated. My bowels became in my side and shoulders. I was told by medical men that my disease was a severe attack of liver complaint. I took two several boxes of M'Lane's Liver Pills, and some syrups, which I was told was good for that disease, but after all I was worse and worse. I finally concluded to dose myself under the care of a physician for better or worse; but, fortunately, just at this time, I was told by the Rev. T. Ashby, of this place, that a friend had sent him a box of Sellers' Liver Pills from Pittsburgh, which had benefited him very much. I forthwith sent for a box of your Liver Pills, and by the time I was done using them, I was satisfied that it was just the medicine that suited my case. I sent for more, and took five or six boxes, and was as well as ever, entirely cured; but in March last I caught a severe cold, which brought back the disease, and in a short time I was as bad as ever. I again commenced using your Liver Pills, and took them every other night for a few weeks, and occasionally, and I am now as well as ever, that I can now say, that I feel little if any symptoms of the Liver Complaint, and my general health is as good as I could wish, and I owe it to your Pills.

My neighbors ask me who was my doctor. I tell them that Sellers' Liver Pills was my doctor, and by some pleasantry I have recommended a dozen of caring me. I am confident that when the public become acquainted with the value of your Liver Pills, the demand will be unlimited. Many of my neighbors, to whom I have recommended the pills, can testify to their value, as well as to the facts above stated.

Respectfully yours, GEORGE MILLER.

Jaynes' Expectorant.

SALEM, Columbiana co., O., Apr. 24, 1841.

DR. D. JAYNE—Dear Sir: I have sold your Expectorant and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant. I have been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the physicians of this place, and my friends considering me in the neighborhood without deriving any benefit, or the consolation of surviving six few days or weeks at furthest, I was left to die. But, to their surprise, I vanish, I had recommended to me your Expectorant—and blessed by that being who does all things in the kindness of his heart, I procured it, at the solicitation of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to business, and enjoying since health and ease I had for ten years previous.

Respectfully yours, &c.

MEDICAL.

SELLERS FAMILY MEDICINES—"They are the Medicines of the day."

GRAHAM'S STATION, Ohio, May 2, 1848.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial frequently answering for expelling large quantities (say 1 to 200) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where our medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINNEL.

GREAT CURE OF LIVER COMPLAINT, by no other original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio county, Va., March 25th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed on my side which left me in a very low state. Having heard of your excellent Liver Pills I procured a box of your agent, Mr. Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I continued to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED; and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Methodist Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing a great pain in the stomach for twelve or twenty hours without intermission, and after having tried various remedies with effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam, which relieved me in the direction, and found invariably that this medicine cases the pain to take in three or four minutes, and in 15 minutes or more, sometimes even the sensation was entirely quieted. The medicine was afterwards used when aware of indications of the approach of pain, and was found invariably to have the same effect. I continued to use the medicine every evening and sometimes in the morning, and in a few weeks the disease left me, and has not returned. I feel relieved from a large amount of oppressive pain. From experience, therefore, I can confidently recommend Dr D Jayne's Carminative Balsam, as a valuable remedy for diseases of the stomach and bowels. A SHINN

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful utility. It has gone through a severe ordeal, and has launched upon the ude of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever produced for the relief of suffering man.

It has been introduced a few months only through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the truth of this statement, see the advertisements of the value and efficacy of this medicine, the proprietor will insert a few of the many thousands testimonials, which have been presented to him by persons of the first respectability—men who have higher views of moral responsibility and justice, than to certify to facts, because it will do mischief to his fellow-mortals, or injustice. Such testimony proves conclusively that its surprising excellence is established by its intrinsic merits, and by its unquestionable superiority of public opinion. The instantaneous relief it affords, and the soothing influence it exerts upon
