You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain, and suffering from disease, can for fifty cents, get relief from any of the ills enumerated above. Reader! it costs very little to make a trial: This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure. It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical ointment or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street, or either of the agents. Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents. jan31

CAUTION EXTRA. A man by the name of RUEL CLAPP has engaged with a young man of the name of Jacob Townsend to use his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it GENUINE, Original, etc. The man Townsend is no doctor and never was, but was formerly a worker on railroads, and lived in Troy. He assumes the title of Dr., for the purpose of gaining credit for what he is not. He is sending out cards headed "Tricks of Quacks," in which he says, I have sold the use of my name for $7 a week. I will give S. P. Townsend $500 if he will produce one single solitary proof of this.—This is to inform the public that I have not sold the purchase none but the GENUINE ORIGINAL OLD Dr. JACOB TOWNSEND'S Sarsaparilla, having on it the Old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 Nassau st, New York City.

OLD DOCTOR JACOB TOWNSEND, THE ORIGINAL DISCOVERER OF THE GENUINE TOWNSEND SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age, and has been known as the AUTHOR AND DISCOVERER of the GENUINE ORIGINAL "TOWNSEND SARSAPARILLA." Being poor, he was compelled to manufacture, by which means it has been kept out of market, for a sale circumscribed to those only who had proved its worth and known its virtues. The Old Gentleman's Sarsaparilla was manufactured on the largest scale, and is called for throughout the length and breadth of the land. Unlike young Dr. Townsend, it improved with age, and never changes, but for the better, because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the Art, have all been brought into requisition in the manufacture of the Old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains medicinal properties, and some properties which are injurious or useless; and others, which, if retained in preparing it for use, produce fermentation and acid, which is injurious to the system. Some of the Sarsaparillas are so volatile that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process, known only to some experienced in its manufacture. Moreover these volatile principles, which fly off in vapor, or are an exhalation, under heat, are the very essential medicinal principles of the root, which give to it all its value. The

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA is so prepared, that all the inert properties of the Sarsaparilla root are first removed, every thing capable of becoming acid or of fermentation, is extracted, and rejected; the every particle of medical virtue is retained, and is concentrated into a form, which is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful and efficacious

CURE OF INNUMERABLE DISEASES. Hence the reason why we hear commendations on every side to its virtues from those who have used it. We find it doing wonders in the cure of Consumption, Dyspepsia, and Liver Complaint, and in Rheumatisms, Scrofula and Piles, Costiveness, all Cutaneous Eruptions, Pimples, Blotches, and all affections arising from an impure state of the BLOOD.

It possesses a marvellous efficacy in all complaints arising from Indiscretion, from Activity of the Sexes; from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and coldness of the body, cold sweats, loss of sleep, &c. It has not had its equal in coughs and colds; and promotes easy expectoration, and gentle perspiration, relaxing stricture of the lungs, throat, and every other part. But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of FEMALE COMPLAINTS. It works wonders in cases of fluor albus or whites, falling of the Womb, Obstructed, Suppressed, or Painful Menses, irregularity of the menstrual periods, and the like; and is efficacious in curing all forms of the Kidney Diseases. By removing obstructions, and invigorating the general system, it gives tone and strength to the whole body, and cures all forms of NERVOUS DISEASES AND DEBILITY, and thus prevents or relieves a great variety of other diseases, as Spinal Irritation,
