KRAUSER'S PORTABLE CIDER MILLS can still be furnished of improved construction and finish. Their grinding apparatus is peculiar, and gives them an advantage over all other mills. By the action of two reciprocating pistons, the apples are forced up against the teeth of a rapidly revolving cylinder and retained till ground to a fine pulp, which of course yields more juice when subjected to pressure than if the pomace was coarse. The Screw Press has been greatly improved and strengthened since last year, and the whole frame is tightened by strong joint bolts. It is adapted to either hand or horse power and can be worked by hand to the extent of six to eight barrels a day.

And the said act of Assembly, entitled an act relating to the elections of this Commonwealth, passed July 2, 1856, further provides as follows, to wit:
"That the inspectors and judges shall meet at the place appointed for holding the elections of the district to which they respectively belong, before nine o'clock in the morning of the Second Tuesday in October, and each of said inspectors shall appoint one clerk, who shall be a qualified voter of said district.
"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of the election, then the person who shall have received the second highest number of votes at the next preceding election, shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place; and in case the person elected judge shall not attend, then the inspector who received the highest number of votes shall appoint a judge in his place, or if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.
"It shall be the duty of the several assessors of each district to attend at the place of holding every general, special, or township election, during the whole time said election is kept open, for the purpose of giving information to the inspectors and judges when called on, in relation to the right of any person assessed by them to vote at such election, or such other matters in relation to the assessments of voters as the said inspectors or either of them shall from time to time require.
"No person shall be permitted to vote at any election as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in the State at least one year, and in the election district where he offers his vote at least ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State, and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in this State six months: Provided, That the white freemen, citizens of the United States, between twenty-one and twenty-two years, who have resided in an election district as aforesaid, shall be entitled to vote although they shall not have paid taxes.

Second, if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in this State at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe, from the account given him, that he is of the age aforesaid, and such other evidence as is required by this act, whereupon the name of the person thus admitted to vote shall be inserted in the alphabetical list by the inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax; or the word "age," if he shall be admitted to vote by reason of such age, shall be called out to the clerks, who shall make the like notes on the lists of voters kept by them.
"In all cases where the name of the person claiming to vote is found on the list furnished by the Commissioners and assessor, or his right to vote, whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided in the district for more than ten days next immediately preceding such election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is in said district, and that he did not remove into said district for the purpose of voting therein.
"Every person qualified as aforesaid, and who shall make due proof, if required, of the residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.
"If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window, or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use any intimidating threats, force or violence, with design to influence unduly or overawe any elector, or to prevent him from voting or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, and imprisoned for any time not less than three nor more than twelve months, and if it shall be shown to Court, where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or township where the offence was committed, and not entitled to vote therein, then on conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.
"If any person or persons shall make any bet or wager upon the result of any election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, challenge or invite any person to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or to be bet.
"If any person not by law qualified, shall fraudulently vote at any election of this Commonwealth, or being otherwise qualified shall vote out of his proper district, or if any person knowing the want of such qualifications, shall aid or procure such person to vote, the person offending, shall, on conviction be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not exceeding three months.
"If any person shall vote at more than one election district, or otherwise fraudulently vote more than once on the same day, or shall fraudulently fold and deliver to the inspector two tickets together, with the intent illegally to vote, or shall procure another to do so, he or they offending, shall on conviction be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.
"If any person not qualified to vote in this Commonwealth agreeably to law, (except the sons of qualified citizens,) shall appear at any place of election for the purpose of influencing the citizens qualified to vote, he shall on conviction forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months."
Agreeably to the provisions of the sixty-first section of the said act, every General and Special Election shall be opened between the hours of eight and ten in the forenoon, and shall continue without interruption or adjournment until seven o'clock in the evening, when the polls shall be closed.
And the judges of the respective districts aforesaid, are by the said act required to meet at the Court House in the borough of Carlisle, on the third day after the election, [being Friday, the 17th day of October,] then and there to perform the things required of them by law.
The return judges of the Congressional district, and those of the Senatorial district will meet at Carlisle at the time fixed by law.
Given under my hand, at Carlisle, this 4th day of September, 1856.
