Medicines.

A MIRACLE OF SCIENCE.—Dr. C. L. Kelling, of Mechanicsburg, Cumberland county, Pa., announces to those afflicted with Tumors, Wens, Cancers, Polypus, Lupus, Moles or Marks, Scrofula, King's Evil and all diseases that have been usually treated with Caustic or Knife, he can remove them without cutting, burning or pain; neither Chloroform or Ether is administered to the patient. It is no matter on what part of the body they may be, he can remove them with perfect safety, and in a remarkably short time. No Mineral or Vegetable poison is applied, and no money required until a cure is perfected.

Prolapsus Uteri, Female Complaints, Chronic, Venereal and all other diseases treated with positive success. Full particulars can be obtained by addressing in either English or German, post paid. Patients can be accommodated with Board on reasonable terms.

Mechanicsburg is one of the prettiest and healthy towns in this or any other State. It is 8 miles from Harrisburg, on the Cumberland Valley Rail Road, and accessible from all parts of the Union. The Doctor will visit cases in any part of the State when desired.

☞ Kind reader if you know any afflicted fellow creature, delay not to tell them of this treatment.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS.

Prepared by DR. C. M. JACKSON, PHILADELPHIA, PA.

will effectually cure

LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight on the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choaking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is not now and untried article, but one that has stood the test of a ten years trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known Physicians and Individuals in all parts of the country is immense.

DERANGEMENTS OF THE LIVER AND STOMACH. Are sources of insanity. From disorder or obstruction, a morbid action of the sympathetic and other nervous follows, and the functions of the brain are impaired and deranged; derangement there will also produce diseases of the heart, skin, lungs and kidneys. It is owing to the same cause that thousands die with Cholera, Bilious or Yellow Fever, and that most baneful disease, Consumption.

The general want of success in treating diseases of the liver and stomach, has not been a deficiency of pathological knowledge of their functions—but of a suitable compound that would act upon the disease and all the sympathetic affections. That has been gained in these Bitters; and they can be used by persons with the most delicate stomach with perfect safety—as they at no time debilitate the patient, but gave strength and increase the nervous energy. They can be taken at all times, and under all circumstances. No ordinary exposure will prevent them having a salutary effect, and no bad effect can result from an over dose.

If patients will persevere in the use of this remedy, and use it strictly according to directions, it will cure the foregoing diseases in every instance, if not beyond the power of medicine; it has caused many to enjoy the blessing of renewed health, and in many desperate and abandoned cases, a perfect and radical cure.

PERSONS ADVANCED IN LIFE,

And feeling the hand of Time weighing heavily upon them, with all its attendant ills, will find in the use of the Bitters an Elixer that will instil new life into their veins; restore, in a measure the energy and ardor of more youthful days; build up their shrunken forms, and give health and happiness to their remaining days.

It is a well established fact, that fully one-half of the female portion of our population, are seldom in the enjoyment of good health, or to use their own expression "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of invalids, these Bitters are especially recommended. Their peculiar tonic and invigorating properties render them invaluable in such cases.

Persons visiting districts harrassed annually with FEVER AND AGUE, or ANY FEVER OF A BILIOUS NATURE, will find that by the timely use of one or two bottles, they will not in one instance take the disease, as the bitters will renovate and strengthen the system, and carry the bile off in its natural channel.—Prevention is better than cure.

THEY ARE ENTIRELY VEGETABLE

And free from Alcoholic Stimulant, and all injurious ingredients; are pleasant in taste and smell, mild in their operation, will expel all morbid secretions from the body, give bloom to the pallid cheek, and health and vigor to the frame.

Price 75 cents per bottle.

AFFLICTED, READ!—PHILADELPHIA MEDICAL HOUSE, established twenty two years ago by DR. KINKELIN, corner of Third and Union Streets, Philadelphia, Pa.

TWENTY-TWO YEARS!

Experience has rendered Dr. K. a most successful practitioner in the cure of all diseases of a private nature; manhood's debility, as an impediment to marriage; nervous and sexual infirmities, diseases of the skin, and those arising from abuse of mercury.

TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by boys in solitude, often growing up with them to manhood; and which, if not reformed in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious, and devastating affections.

Few of those who give way to this pernicious practice are aware of the consequences, until they find the nervous system shattered, feel strange and unaccountable sensations and vague fears in the mind. (See pages 27, 28, 29, of Dr. K.'s book on "Self Preservation."

The unfortunate thus affected becomes feeble, is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak; he is dull, irresolute, and engages even in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the attention of all who are similarly situated.

Cut out and preserve the following card. It is particularly important to STRANGERS AND TRAVELLERS, to prevent their being misled and deceived by the lying boasts, false promises, and spurious recommendations (from the dead and unknown) of Foreign and Native Quacks, of whom there are more in Philadelphia than elsewhere, because of the leniency of the laws of the State. Citizens know and avoid them.

Having tried one to twenty dollars worth of Quack Mixtures, Extracts, Invigorating Elixirs, Cordials, Bitters, &c., without effect—having been deceived by misrepresented and exaggerated accounts of self-abuse, Secret Diseases and their consequences, published in Advertisements, Books, &c., and misled by false receipts and wrong advice contained therein, purposely to increase sufferings, and alarm and frighten the unthinking, the more easily to extort large fees, (which is more evident, being sold for less than cost of printing and advertising)—having paid five to one hundred dollars to Foreign and Native Quacks,

TONICS WON'T DO.—They never did do, more than give temporary relief, and they never will. It is because they don't touch the cause of the disease. The cause of all ague and billious diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its natural antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New-York, to this effect, is attached to every bottle; therefore, if it does no good, it can do no harm.

This is more than can be said of Quinine, Arsenic or any other tonic in existence, as their use is ruinous to the constitution and brings on DUMB AGUE, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

WOOSTER, Ohio, March 17, 1856.

JAS. A. RHODES, Esq.—Dear Sir: Yours of 24 inst., is at hand. The Cure arrived late last year, and the difficulty in getting any one to purchase it was greatly increased from the fact that a remedy had been introduced which was growing in favor with the public as being better than using Quinine—not knowing, I presume, that the remedy they used to escape taking Quinine contained the DRUG ITSELF!

This remedy (known as "Smith's Tonic") would invariably BREAK an Ague, but it did not Cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your CURE. The following is the result;

Three persons took your "Cure," all of which were cases of "Quotidian Intermittant Fever," of many weeks standing. They had tried Quinine and other remedies, occasionally missing a chill, but it was (as in all such cases,) slowly wearing them out, and laying the foundation of other and severer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Tonic" had been used, and would, as before stated, break the chill, but after a period or two had elapsed it would return.

I think there will be no difficulty now in giving to your "Cure" the vantage ground of any other remedy now in use here, &c., &c. WM. BUCKNER, M. D.

RHODES' FEVER AND AGUE CURE, or ANTIDOTE TO MALARIA, the only harmless remedy in existence is equally certain as a PREVENTIVE as a "CURE." Take it when you feel the chills coming on, and you will never have a single one.

IMPORTANT TO EVERYBODY.—For the last three years I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum or $200 each, which has averaged me at the rate of $3,000 to $5,000 per annum; and, having made arangements to go to Europe in the Fall, to engage in the same business, I am willing to give full instructions in the art to any persons in the United States or Canadas, who will remit me the sum of $1. I am induced, from the success I have been favored with, and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from

at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively No Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. It is a business in which either

LADIES OR GENTLEMEN

can engage, and with perfect ease make a very handsome income. Several LADIES in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $8 per day at it. It is a GENERAL BUSINESS, and but a dollar or two is required to start it. Upon receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

In the month of May last, I sent my advertisement to the editor of the "Reading Gazette and Democrat," Reading, Pa., and also sent him one of my circulars of instructions. On its receipt, and on a careful examination, he inserted the following editorial in his paper:

"We call attention to the advertisement of Mr. A. T. Parsons, of New York, headed "IMPORTANT TO EVERYBODY," which will be found in another column. Mr. P. has sent us one of his circulars, alluded to in the advertisement, and on examination we find it, as he says it is, no humbug, but a light, easy and honorable business, and one that may be made profitable on a very trifling capital."

All letters must be addressed to A. T. PARSONS, 385 Broadway, New York. [June 25-1m.

The public are assured that all Safes manufactured by the subscribers are not only guaranteed to be fully equal, but in many respects even superior to these which have been so severely tried by fire. Few will forget their services in the burning of the "Tribune establishment," New York, and at the Great Fire in Strawberry street, at the large fire last July, opposite the Girard House; and still more recently in the Fire at Fifth and Chesnut sts., in the city of Philadelphia, in which these Safes came forth the acknowledged CHAMPION, when many other securities failed.

GREAT EXCITEMENT! PIANOS AND MELODEONS GIVEN AWAY!—JOHN MARSH, MASONIC TEMPLE, CHESNUT ST., above Seventh, Philadelphia, respectfully informs the public that he is prepared to make the following

SPLENDID OFFER.

TWENTY Boardman, Gray & Co.'s celebrated PIANOS, and TWENTY C. W. Fisk & Co.'s PREMIUM MELODEONS will be placed in the hands of a committee of gentlemen, to be by them distributed among the holders of my certificates.

To each purchaser of my Popular Music, a certificate will be presented, entitling the holder to an interest in ONE PIANO and ONE MELODEON, to be disposed of by the Committee for the benefit of those holding certificates when ONE THOUSAND DOLLARS worth of Music shall have been sold, so that each person investing One Dollar will not only receive in, and the value of money paid out, but will have secured to him an interest, in common with other certificate holders, in the above distribution. The succeeding distributions will be continued, subject to the same regulation, until the 20 Pianos and 20 Melodeons are distributed.

Particular attention is invited to that feature of this plan which calls for a disposal of the instruments when but 1000 certificates have been issued, thus avoiding the vexatious delay and probable disappointment attending certain schemes now before the public.

Music may be selected from my entire stock, which comprises every Catalogue in the United States.

Orders forwarded by mail will be faithfully and promptly attended to.

N. B.—Constantly on hand a splendid assortment of Pianos from the celebrated manufactories of Boardman, Gray & Co., of Albany, Jacob Chickering, C. A. W. Ladd & Co., of Boston, Ely & Manger, and Bennett & Co., of New York. Also, C. W. Fisk & Co.'s Premium Melodeons, to be had at the lowest manufacturer's prices.

[Read the following from Godey's Musical Editor.]

BOHEMAN, GRAY & CO.'S PIANO FORTE.—We are so well pleased with the instruments made by this firm that we have determined to be instrumental ourselves, that is, in furnishing our subscribers and others with an article that we can recommend and warrant. There is always a difficulty attending the purchase of pianos, because persons cannot rely fully upon the recommendations they receive from manufacturers, who are interested, of course, in the sale of their own manufacture. Now, we are not interested in the matter in any way, except so far as to see that those who patronize our "Book" shall be well served with the best pianos made. For a list of prices see cover, at which amounts we will send Pianos, warranted for one year, the freight to be paid by the persons ordering. We annex a letter received from a gentleman in Virginia, to whom we sent one of these Pianos:—

"L. A. Godey, Esq.—Dear Sir—I have great pleasure in acknowledging the receipt of the Piano Forte which you were so good as to order for my wife from Boardman & Gray's. It was delayed for some time at Winchester; but I am happy to say that it came in excellent condition. We are decidedly pleased with the instrument. The rosewood is of a beautiful quality; the case is plain (we like it the better for it); the touch is very easy for a new instrument, and the tone is firm, clear and sweet. All who have tried it, admire it and speak in the highest terms of its mellowness and sweetness of tone. We deeply regret that we did not order the 'Attachment;' we must have it yet.

"We are deeply indebted to you for your agency in procuring for us so good an instrument. Be pleased to receive our acknowledgments. Your obt. servt.,
