"TRUTH IS STRANGER THAN FICTION."
The subscriber would respectfully call the following astonishing cure, effected by the use of Sands' Sarsaparilla.
This is to certify that I have a colored woman who has been afflicted for the last five years with scrofula, and all the remedies I used had no effect in arresting the progress of the complaint; on the contrary, she constantly grew worse, and after expending between $70 and $80 with physicians, besides using other popular remedies, I was induced to try the disease had eaten away the cartilage of her nose, made its appearance on various parts of her body, and had made a hole quite through in the root of her mouth.
In this dreadful situation, with the pro pect of death staring her in the face, I stated her case to the agency, for the agent for Sands' Sarsaparilla in Newburgh, N. Y., by whom I was advised to use that article; and to my surprise and that of my neighbors, to whom her case was known, after using four and a half bottles she was restored to perfect health, and that in the space of three weeks, and was able to work in two weeks from the time she commenced taking it.
In witness of the truth of this statement I have hereunto affixed my name, this 1st day of September, 1847. JOSEPH HECHTER J. P.,
"Mouth of Neuse River, Craven co N C.
The following is an extract from a letter received from Mrs. Bevan, who had been afflicted several years with scrofula, Sore Eyes, Dyspepsia, &c., and recently an affection of the throat and chest—
"BALTIMORE, Md., Dec. 13, 1845.
"Messrs. A. B. & D. Sands—Before I commenced using your Sarsaparilla, my sufferings were almost beyond endurance, I was completely debilitated, had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper, for one year, there was scarcely any threat existing, I intended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, I was sensibly improved, and my throat is now well; I am as free from cough and tightness of the chest as ever I was, and can hear quite distinctly. My throat has been free for three months, the cure of which has been effected entirely by the use of your Sarsaparilla. Your friend
The following testimonial to the value of the Sarsaparilla, is from the Rev Luther Wright aged 78 years, Congregational Minister, residing at Woburn.
"WOBURN, Mass., March 20, 1846
"Messrs Sands: Gentlemen—From what I have seen of the effects of your Sarsaparilla, I have recently received from a number of persons of high respectability who have used your Sarsaparilla, I have no hesitation in saying that it is a most valuable medicine, and that the numerous certificates you have received of its efficacy are fully entitled to publicity and credit, and stand in no need of my humble efforts to increase them, I want a bottle more, I will deliver it to the person intrusted with the efficacy and power of your valuable medicine.
I am, gentlemen, gratefully and very respectfully yours, LUTHER WRIGHT."

MEDICAL.

PROCLAMATION.
KNOW all men who are sick and afflicted with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c, that they can be cured by taking the Peruvian. You may talk about its being a nostrum as much as you please, but this does not make it so, for such as you please, but this does not make it so, for it proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from any of the ills enumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth to its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliot & D. M. Curry, Allegheny city, are the agents. jan31
