PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth
Than are dreamt of in philosophy."

THE VIRTUES of this valuable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles with labels and directions for the benefit of the public.

The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, but just as flows from Nature's Great Laboratory! That it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, had a reputation for the cure of diseases. The constant and daily increasing sale for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can own work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Pains, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworm, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of PILES, that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it. None genuine without the signature of the proprietor. Sold by the proprietor,

S. M. KIER, Canal Basin, near Seventh st.

We do not allow our passengers to be robbed by the swindling sharps that infest the seaports, as we take charge of them the moment they report themselves, and see to their well being, and despatch them without any detention by the first ships.—We say this fearlessly, as we defy one of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others are detained months, until they could be sent in some sailing craft, at a cheap rate, which too frequently proved their coffins.

We intend to perform our contracts honorably, cost what it may, and not act as was the case last season, with other officers,—who either performed not all, or when it suited their convenience.

SELLERS FAMILY MEDICINES—"They are the Medicines of the day."

FRANKLIN'S STATION, Ohio, May 2d, 1849.

R. E. Sellers: I think it right for the benefit of others to state some facts in relation to your excellent Family Medicines.

I have used your Vermifuge largely in my own family, one vial sufficiently answering for expelling as many as forty (40) worms from two children. I have also used your Liver Pills and Cough Syrup in my family, and they have in every instance produced the effect desired.

As I am engaged in merchandising, I am able to state that I have yet to hear of the first failure where your medicines have been used in my section of the country. In conclusion, I may state that they are the medicines of the day, and are destined to have a very extensive popularity. Yours, respectfully,

W. H. PINNELL.

GREAT CURE OF LIVER COMPLAINT, by the original, only true, and genuine Liver Pill.

SHORT CREEK, Ohio County, Va.,
March 20th, 1849.

Mr. R. E. Sellers: Dear Sir—I think it a duty I owe to you and to the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abscess formed and broke, which left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by my physician, Dr. E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D H COLEMAN.

West Liberty, March 26, 1849.

I certify that I am personally acquainted with Mr Coleman, and can bear testimony to the truth of the above certificate. A R SHARP

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev A A SHINN, a well known and popular Methodist Minister in the Pittsburgh Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, commonly called by Dyspepsia, attended with cramps of from one to two hours without intermission, and after having tried various remedies with effect was furnished with a bottle of Dr Jayne's Carminative Balsam. This he used according to the direections, and found invariably that this medicine caused the pain to cease in from five to four minutes, and in the twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever occasion arose, and always with the same perfect effect, and the pain was thereby prevented. He continued to use the medicine every evening and morning, and in a few weeks was entirely restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, feels himself perfectly competent to recommend Dr Jayne's Carminative to others, as a valuable remedy for diseases of the stomach and bowels. A SHINN

DR. SWAYNE'S

Compound Syrup of Wild Cherry!

This medicine is no longer among the doubtful admissions, it has proved itself from the thousands daily launched upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than all other preparations of medicine ever produced for the relief of suffering man.

It has been tried in every country throughout the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing evidence, and of the value and efficacy of this medicine, the proprietor will insert a few of the many testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to trifle with the sacred name of truth, or wilfully lay in ambush to deceive and injure their fellow men, by the publication of spurious certificates, or the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the system, rendered it a most delicious and invaluable remedy for the afflicted.

REMEMBER!

"When men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or particular fact, they are not, ordinarily, but contrary to their interests and purposes, coerce conviction of the truth, and commends itself in a special manner to unbiased minds." SEVERE ANNUAL CASE OF PULMONARY CONSUMPTION—Here are more than a dozen testimonials of the wonderful effects of the Compound Syrup of Wild Cherry. It is recommended as a most powerful healer, and strengthener on the lungs, treating new and rich blood; power possessed by no other medicine.

CHESTER CO., April 25th, 1848.

Dr. Swayne—Dear Sir: I very believe your Compound Syrup of Wild Cherry has been the means of saving my life. I caught a severe cold, which gradually grew worse, attended with a severe cough, that resisted all the remedies which I had recourse to, until I was given over by my physician, with a severe case of Pulmonary Consumption. Every thing I tried seemed to have no effect, and my complaint increased so fast, that I was reduced as well as myself, given up all hopes of my recovery. At this time I was recommended to try your invaluable medicine. I did so with the most faithfulness, and the first bottle had the effect to loosen the cough, causing me to expectorate freely; and by the time I had used six bottles, I was entirely well, and my physician, and all my friends, men as I ever was in my life, and would be happy to give any information respecting my case, that some one may derive the benefit of a medicine so practical. For the truth of the above statement, I refer you to Peter Roth, Grocer, West Chester, Pa., for whom I purchased the medicine.

JAMES MORGAN.

Wonderful Cure of a Methodist Minister.

Dr. Swayne—Dear Sir: I feel a debt of gratitude due to you—and a duty to the afflicted generally, to offer my humble testimony in favor of your Compound Syrup of Wild Cherry. Some three years since I was violently attacked with cold and inflammation of the Lungs, which soon became so severe, that I became emaciated in the breast and head, a very considerable discharge of offensive matter from the lungs, especially upon clearing my throat, and I became so low, I was able to talk about my condition, but was pretty soon convinced that I was rapidly going into consumption. I spent much time and money, and sought was every thing I had ever heard—growing all the time worse. Just by friend no more could do, I was persuaded by a dear friend in this place to try your Compound Syrup of Wild Cherry. I must confess that previously I had been prejudiced against patent medicines, and I am still against those nostrums of the days of old, but I must understand your claims to the profession and practice of medicine, and having implicit faith in the saying of Sampson, I was induced to try your medicine. The sale of your agents, a few bottles, and commenced to use. My disease was at this time, of about six months' standing, and I verily believe, I was rapidly seated.
