WILLOUGHBY'S PATENT GUM SPRING DRILL.
THE FIRST PREMIUM DRILL.

The Farmers of Cumberland county are invited to call at the Carlisle Foundry and examine the above Drill, which we are now manufacturing. WILLOUGHBY'S INDIA RUBBER SPRING DRILL is unquestionably the very best Drill now in use. It was awarded the First Premium at the Pennsylvania State Fair held in Philadelphia in October, 1857. It was awarded the first Premium at the Cumberland County Fair last fall, and has received the First Premium at every Fair where it has been exhibited, with but one exception. Its superiority above all others is so apparent as to only need an examination.

For seeding on fields containing stones or other obstructions it is peculiarly adapted. The deep-sitting tubes of this Drill are so connected with India Rubber Springs, that when they meet with any obstruction they will spring back, pass over the obstruction and immediately regain their former position. Any rock or stump not over 18 inches high can be conveniently passed over without stoppage or injury to the Drill. The leveling apparatus of this Drill is also entirely new, being composed of Vulcanized India Rubber ladders, by means of which the seed is not discharged intermittingly but in a constant stream, and no irregularity of ground or change of speed will vary the amount of seed on the acre. It will sow wheat, rye, oats and barley equally well, and in any desired quantity, without the possibility of choking or breaking the grain It always grass seed. But without further enlarging upon the merits of this Drill we would respectfully invite farmers call at our establishment and examine it, confident that after seeing they will be satisfied as to its superiority and find it the very machine to suit the farmer and the field.

my 20'58. F. GARDNER & CO.

P. S.—The above described Drill will be sent to purchasers in any part of the United States, and to Agricultural Warehouses, to sell on commission. Licenses to make the Drill and county rights, to be had by addressing the proprietors, WILLOUGHBY & BLACK, Carlisle, Cumberland County, Pa.

HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

To all persons afflicted with Sexual Diseases, such as SPERMATORRHŒA, SEMINAL WEAKNESS, IMPOTENCE, GONORRHŒA, GLEET, SYPHILIS, the Vice of ONANISM, or SELF ABUSE, &c., &c.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their form and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their condition (age, occupation, habits of life, &c.) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or self-Abuse, and other Diseases of the Sexual organs, by the Consulting Surgeon, which will be sent by mail, in a sealed envelope, FREE OF CHARGE, on receipt of TWO STAMPS for postage

Address, for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth street, Philadelphia, Pa.

By order of the Directors.

EZRA D. HEARTWELL, President.
GEO. W. KNIGHT, LL.D., Secretary.
