Medicine

THE LIVER INVIGORAOR!

PREPARED BY DR. SANFORD.

Compounded entirely from GUMS.

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a CATHARTIC, easier, milder, and more effectual than any other medicine known. It is not only a CATHARTIC but a LIVER remedy, acting first on the LIVER to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operation of most CATHARTICS. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions; when the stomach is at fault, and the whole system suffers in consequence—the Liver—having for the diseases of that organ been more than twenty years, studying, in a practice of upwards of twenty years, whereby to counteract to which it is liable. At last found, with LIVER COMPLAINT, has but to try a remedy is at last found, with LIVER COMPLAINT, has but to try a remedy of this form, the plaint in any of its morbid or bad matter plying in their place a vitalizing the stomach, bottle, and purifying the blood to the whole machinery of the disease, and effectually removing the causes of the disease, and effecting a radical cure.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

One dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the perfect cure.

Only one dose immediately relieves Cholic, one dose often repeated is a sure cure for Cholera Morbus, Cholera.

One dose taken often and a preventive of sickness.

One bottle taken for **Jaundice** removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures **Chronic Diarrhœa** in its worst forms, while **summer and bowel** complaints yield almost to the best dose.

One or two doses cures attacks caused by worms. In children: there is no surer, safer or speedier remedy in the world, as it never fails.

We take infinite pleasure in recommending this medicine as a preventive for **Fever and Ague, Chill Fever and all Fevers of a Bilious Type.** It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are crying their unanimous testimony in its favor.

☞ Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

IS A GREAT SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than each bottle is required to cure any kind of LIVER Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a **Diseased Liver.**

SANFORD'S LIVER INVIGORATOR

A BEAUTIFUL HEAD OF RICH GLOSSY HAIR,

COMPLETELY PRESERVED

TO THE GREATEST AGE.

And who that is gray would not have it restored to former color; or bald but would have the growth restored, or troubled with dandruff and itching, but would have it removed, or troubled with scurf on the head, or other eruptions, but would be cured, or with sick headache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following:

ANN ARBOR, November 5, 1858.

FRIEND WOOD—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one hardly trumpeted quack remedies, until I met you in Lawrence County some months since, when you gave me such assurance as induced me to make a trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white and before exhausting one-fourth of your large bottle, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continued to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in regard to its character and value are entirely removed; and I can and do most cordially and confidential'y recommend its use by all who would have their hair restored from white or gray (by reason of sickness or age) to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,

SOLOMON MANN.

FRIEND WOOD: It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly, yours,

SOLOMON MANN.

CARLYLE, ILL., June 28, 1852

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but I by the use of his Restorative have resumed its original color and, I have no doubt, permanently so.

A VALUABLE BOOK FOR INVALIDS.

Sent by mail, and not to be paid for until received, read and approved of. If not approved no charge.

Dr. SAMUEL S. FITCH'S "SIX LECTURES", on the causes, Prevention and Cure of Diseases of the Lungs, Throat, Heart, Stomach, Bowels, Liver, Kidneys, Skin, &c., Female Complaints, and Chronic diseases generally, on the Laws of Life, and the true method by which health and vigor may be preserved to one hundred years. A volume of 375 pages, handsomely bound in muslin, with 25 illustrations. In this volume Dr. S. S. Fitch, (who is widely known as the author of a new and eminently successful method of treatment for the above complaints, and especially consumption and other diseases of the Lungs and Throat,) explains the leading features of the treatment and gives plain directions by which those inclined to these complaints may them selves prevent them or arrest their progress. Over 2,000 copies of this book have been sold, and there are persons in all parts of our land who gratefully acknowledge that it has been the means of preserving their lives and giving them many years of good health.

We present a few specimens of the numerous testimonials the book has received:—

The New York Tribune thus closes a lengthy notice of it.—"The great importance of the subject and our confidence derived from personal knowledge and testimonial of the benefit to be, Fitch's suggestions have impelled us to recommend this work. We trust we have said enough to induce those afflicted or threatened with consumption, to procure and read Dr. Fitch's book."

Letter from the Hon. HAMILTON FISH, former Governor of New York. "Washington, February 9th, 1854. Dr. S. S. Fitch Dear Sir: I beg to return my thanks for the volume you have been so kind as to present to me. The very hurried examination which alone I have been able as yet to give to it has excited interest and bestowed conviction that the reputation which these Lectures have achieved is based upon intrinsic merit."

Extract from a letter from the Hon. S. H. HAYES, late member of Congress from Erie Co., N. Y. "I have no doubt but it is a practical and very useful work. I hope it will have a general circulation, and it will, I have no doubt do much good."

Extract from a letter from the Hon. GILBERT DEAN, late member of Congress. "I read your Six Lectures on Consumptive diseases three years ago and shall again peruse them."

Extract from a letter from the Hon. JAMES LOCKHART, late member of Congress. "From reading it I have received many valuable hints. I regard it as a work of great merit."

SAYS SIDNEY WARNER, Esq., of Waterloo, N. Y.: "Six, bro her and most of his family are dead of consumption, but I and him are living and well; and I think it is owing much to the teachings of your book which I have followed carefully for the last nine years."

We could fill columns with similar statements.

☞ Wishing to make this book as useful as possible we will forward a copy of it by mail post paid to any address that may be sent to us, and the price, 50 cents, may be remitted to us in postage stamps or otherwise after the book is received and approved of. It may be applied for personally or by letter.

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a counterfeit of Morse's Indian Root Pills, signed *A. B Morse.* All genuine Indian Root Pills have the name and signature of *A. J. White & Co.* on each box

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in his wandering that the Indian Root Pills were first discovered. Dr Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, *corrupted and diseased: thus causing all pains, sickness and distress of every name.* our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus *our light of life will forever be blown out. How important* then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs and thus in a soothing manner, perform its duty by throwing off phlegm, and other humors from lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus enormously drawing large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and incorporates the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other channels are thus taken up and conveyed *off in great quantities by the bowels.*

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood; for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass: thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have already proved themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a *step of the silent grave, now stand ready to testify that* they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and also truly surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they once go to work at the foundation of the disease, which is blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

CAUTION.—Beware of a counterfeit signed A. B. Moore. All genuine have the name of A. J. White & Co. on each box. Also, the signature of A. J. White & Co. All others are spurious.
