DR. JAYNE'S CARMINATIVE BALSAM

is the Rev A A SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

He undersigned having been afflicted during the past year with a disease of the stomach, sometimes inducing great pain in the stomach for ten or twelve hours without intermission; and after having tried various medicines, without any effect was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he said according to the direction, and was astonished at the effect it produced in the space of a few minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used by me on the first indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and morning, and in a few weeks my health was so far restored, that the sufferer was relieved from a large amount of excessive pain. From experience I can confidently recommend Dr D Jayne's Carminative balsam, as a salutary medicine, satisfied that it would never relieve the sufferer.

CONSUMPTIVES, BEWARE ON YOUR GUARD.

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY FOR

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting of Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debilitation, and all Diseases of the Throat, Lungs and Breast and Lungs: the most effectual and speedy cure ever known for any of the above diseases.

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine is now ranked among those of doubtful fame, and has passed away from the thousands daily imposed on by the tricks of quack experiments, and now stands ranked among the tried and approved remedies, and is becoming more extensively used than all other articles of the kind.—Mich. City News.

THE HALF HAS NOT BEEN TOLD.

FOX RIVER, June 12, 1848.

Dear Sir—Sir Please send by the bearer a new supply of your Horse Medicines. They are the best articles of the kind that I have ever used, never failing to relieve the sufferer. I feel as if I have been in the use of others, seen the most celebrated Ointments, Liniments, &c., of the day. I thought they did what they promised, and upon a thorough trial one is constrained to add, that "half has not been told."

Respectfully,
M. DUDLEY.

THE DIFFERENCE.

The ordinary ointments and liniments it is well known are severe and painful in their operation—Sloan's Ointment is mild yet thorough—it produces a pleasant sensation, and effects a speedy and permanent relief. For purity, mildness, safety, certainty, and thoroughness, Sloan's Ointment excels. Sloan's Ointment is the only ointment and Liniments now in use.

WE CANT GET ALONG WITHOUT IT.

BEXER'S GROVE, Ill., Oct. 24, 1848.

Mr. Sloan—Sir: I have tested the virtue of your Ointment in the cure of rattlesnake bites, and find it to be a certain cure, and I have recommended it to other interests, and in every case it has surpassed our expectations. As a family ointment, I have never seen its equal, and for bruises we can't get along without it.

Yours, &c., MILES M JOHNSON.

EXCELLENT OINTMENT.

Mr. Sloan—Dear Sir: For a considerable length of time I was seriously afflicted with Rheumatism, complained and applied freely the various liniments, painkillers, &c., without obtaining any relief. After which your agent at this place induced me to try your Ointment, which I did, and within two weeks from the time I commenced using it, the pain ceased, and I was effectually cured, and I feel no moment but all who are afflicted with the distressing complaint, to procure your excellent ointment without delay.

Respectfully yours,
OSCAR F. MOTT.

Princeville, Peoria co., May 1, 1848.

☞ From the Hon. H. V. S Brooks, Agent of the Illinois and Michigan Canal Packet Boat Company.

CHICAGO, June 21, 1848.

Dr W. B. Sloan—Dear Sir: Your Ointment I have had occasion to use many horses, and have used the great variety of liniments and ointments in the market, but never found any thing equal to your ointment for injuries on horses. Within the last two months I have applied your ointment to some 50 horses for various injuries, and in every instance it has proved a sovereign remedy.

A FINGER BITTEN ENTIRELY OFF.

Two miles south of Chicago, Sept. 14, 1848.

Dr. Sloan—Sir: On the 8th instant my son had a bitch of mine bitten off his finger entirely off. I applied your celebrated ointment, which relieved him of pain in a few minutes, and prevented the finger from swelling to any extent, and the wound is healing rapidly. Respy yours,
S. BROCKWAY.

DOCTORING IN GALENA

Mr. Sloan—Dear Sir: About three years ago I was severely injured in one of my horses, and had a large running sore. Nearly every doctor in Galena tried to cure them, but succeeded in only making the sore worse. I then commenced and presented to me a box of Sloan's Ointment, and in less than fifteen minutes after the application of the ointment to the aggravated sores of the suffering child, the pain ceased entirely, and he speedily began to recover. My residence is Hell Township, Wilkinson county, and State of Indiana.

THEODORE L. TAYLOR.

Chicago, August 24, 1848.

EXTRAORDINARY CURE.

April 13, 1848. Four years I resided in Chicago (on the road to Milwaukie,) Cook county, Illinois.

Mr. Sloan—Dear Sir: One of my horses had a large bony tumor on his breast bone, measuring under the collar, which lamed him and rendered his services of very little value. I faithfully applied several bottles of Dr. Taylor's Nerve and Bone Liniment, without the least benefit. I then procured Wilder's Celebrated Horse Ointment, and used that until I became fully satisfied that it would never relieve the horse. Finally I obtained a box of your truly valuable Ointment, and in less than 60 days from the commencement the tumor entirely disappeared, and the horse was well. Yours, EDWARD ARMSTRONG.

POPULAR OPINION.

If popular opinion is any criterion of the worth of an article, we invite the incredulous to read at least a few of the many voluntary certificates that appear in our columns respecting the great variety of remarkable cures effected by the use of "Sloan's Celebrated Ointment and Condition Powders."

These remedies no longer remain among those of doubtful utility, they have passed from the ordeal of doubtful utility, they have passed from the ordeal of public opinion, and have acquired the means of arresting disease, and averting its ravages. Notwithstanding the progress we have made, justice requires that we should inform the public, that thousands are annually of consumption.

One of the most important discoveries of the age, is mentioning the production of this large class of suffering humanity, is

DR. WISTAR'S BALSAM OF WILD CHERRY.

Wistar's Balsam of Wild Cherry is a fine Herbal Medicine, composed entirely of Wild Cherry Bark and Spanish Red Moss, the latter imported expressly for this purpose; it is a pure medicinal virtue of which are also combined by a new process the active virtues of Tar, thus rendering the whole compound the most certain and efficacious remedy ever discovered.

CONSUMPTION OF THE LUNGS.

Still further evidence of the remarkable curative properties of this inestimable preparation:

HUNTSVILLE, Brown co. O., Aug. 21, 1848.

Messrs. Jones & Fair: Gentlemen, About six weeks ago I received the agency of Wistar's Balsam of Wild Cherry, but with some reluctance, as I had been so long and so frequently imposed on by the agent of so many pills and other nostrums, which were cracked up to be something wonderful, but which turned out in the end to be a great deal worse than nothing, except to the manufacturer. But I cand dly admit that this time I have been deceived, and conscientiously believe that the virtues of Wistar's Balsam have convinced me that "good can come out of Nazareth." Your agent left me one dozen bottles, which I disposed of in a very short time, and I immediately ordered a fresh supply, which I have sold in this place, was cured of Consumption, when the doctors had given up the case, and Franklin Mills; Thomas Earl, do do; Genilkin do; Salt Rochester; Reidlin Mixture; Powd Rhubarb; Gum Elm; G. Arable; Liq. Root; Cochineal; Ipecac; Hyd Potash; Mace; Granville Lotion.

PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles with labels and directions for the benefit of the public.

The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, just as it flows from Nature's Great Laboratory!! Thus it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a suffering heart. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The count it and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can speak for its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworm, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief it will act as a general TONIC and ALTERATIVE in such cases, invigorating tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of PILES, that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it. Buy none genuine without the signature of the proprietor sold by the proprietor.

Mr. R. E. Having heard of your celebrated Liver Pills being for sale by A R Sharp, in West Liberty, and recommended to me by that physician, Dr. S. Smith, I concluded to give them a trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. These remedies no longer remain among those of doubtful utility, they have passed from the ordeal of public opinion, and have acquired the means of arresting disease, and averting its ravages. Notwithstanding the progress we have made, justice requires that we should inform the public, that thousands are annually of consumption.

One of the most important discoveries of the age, is mentioning the production of this large class of suffering humanity, is

DR. WISTAR'S BALSAM OF WILD CHERRY.

Wistar's Balsam of Wild Cherry is a fine Herbal Medicine, composed entirely of Wild Cherry Bark and Spanish Red Moss, the latter imported expressly for this purpose; it is a pure medicinal virtue of which are also combined by a new process the active virtues of Tar, thus rendering the whole compound the most certain and efficacious remedy ever discovered.

CONSUMPTION OF THE LUNGS.

Still further evidence of the remarkable curative properties of this inestimable preparation:

HUNTSVILLE, Brown co. O., Aug. 21, 1848.

Messrs. Jones & Fair: Gentlemen, About six weeks ago I received the agency of Wistar's Balsam of Wild Cherry, but with some reluctance, as I had been so long and so frequently imposed on by the agent of so many pills and other nostrums, which were cracked up to be something wonderful, but which turned out in the end to be a great deal worse than nothing, except to the manufacturer. But I cand dly admit that this time I have been deceived, and conscientiously believe that the virtues of Wistar's Balsam have convinced me that "good can come out of Nazareth." Your agent left me one dozen bottles, which I disposed of in a very short time, and I immediately ordered a fresh supply, which I have sold in this place, was cured of Consumption, when the doctors had given up the case, and Franklin Mills; Thomas Earl, do do; Genilkin do; Salt Rochester; Reidlin Mixture; Powd Rhubarb; Gum Elm; G. Arable; Liq. Root; Cochineal; Ipecac; Hyd Potash; Mace; Granville Lotion.

PETROLEUM, OR ROCK OIL.

"There are more things in heaven and earth Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles with labels and directions for the benefit of the public.

The PETROLEUM is procured from a well in this county, at a depth of four hundred feet, is a pure unadulterated article, without any chemical change, just as it flows from Nature's Great Laboratory!! Thus it contains properties reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering, and restoring the bloom of health and vigor to many a suffering heart. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The count it and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can speak for its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhœa, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworm, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief it will act as a general TONIC and ALTERATIVE in such cases, invigorating tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of life! The proprietor knows of several cures of PILES, that resisted every other treatment, get well under the use of the PETROLEUM for a short time. The proof can be given to any person who desires it.
