Medicines.

DR. M'LANE'S CELEBRATED VERMIFUGE AND LIVER PILLS.

WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to

Dr. Chas. M'Lane's Celebrated Vermifuge and Liver Pills.

We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:

THE VERMIFUGE,

For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.

THE LIVER PILLS,

For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEAD-ACHE, &c. In cases of

FEVER AND AGUE,

preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.

As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors,

FLEMING BROTHERS,
PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to

FLEMING BROS. Pittsburgh, Pa.

P.S. Dealers and Physicians ordering from others than Fleming Bros. will do well to write their orders distinctly, and *take none but Dr. M'Lane's, prepared by Fleming Bros. Pittsburgh, Pa.* To those wishing to give them a trial, we will forward per mail, post paid, to any part of the United States, one box of Pills for twelve three-cent postage stamps, or one vial of Vermifuge for fourteen three-cent stamps. All orders from Canada must be accompanied by twenty cents extra.

DR. COGGSWELL'S NEW MEDICAL SALT,

READ THE FOLLOWING CERTIFICATES TO THE efficacy of this medicine in inflammatory diseases.

"For the last twelve years I have been more or less troubled with Inflammatory Rheumatism, commencing early in the spring, and lasting until cold weather set in, when I would be relieved for a while, only to be attacked again in the Spring. All my joints would swell and be very sore, attended with the most acute pain. My feet, shoulders, arms, and hands troubled me most, so much so that I could scarcely walk, and almost always required assistance in dressing. During this time I would try everything I could hear of, in the hope of finding a cure. I also tried several physicians, but no thing seemed to help me the least in the world. About two and a half years ago I was attacked as usual, and as usual tried everything to get rid of it, but to no purpose. I kept growing worse, and finally had to give up and stay in the house where I was confined about four weeks. This time my feet swelled, and were so sore that I could not stand on them or get on my boots, and my hands swelled to twice their usual size. In fact, I was to all appearances and belief, totally used up. About this time my parents, who reside in Maine, sent for me to come home. I went, and after my arrival commenced trying another remedy, hoping to be cured, but resulting the same as all others. For weeks I had not been able to dress myself or raise my hand to my head, and suffering the most excruciating pain all the time. One day my father came in with a paper in which was advertised Dr. Coggswell's Medical Salt, for Inflammatory Diseases only, and wanted me to read and see what I thought of it. I read and laughed at it, pronounced it a humbug, and told him that I had been humbugged enough. He kept urging me, and at last said I could but try it, and if I would write to Dr. C., giving him a description of my disease, he would pay the expense. Of course I could not refuse such an offer and sent for one box. It came in due season, but my faith was not increased, and I laughed at the idea of so small a dose doing me any good, and told my wife that I believed Dr. C. and his Salt both humbugs.—However, I commenced using it and the result was perfectly astonishing. I could hardly realize it myself. I slept soundly all night, which I had not done for a long time, and when I awoke in the morning, strange as it may seem, I was entirely free from pain. I had then taken but one dose, and bathed freely before going to bed. That morning I felt so well that I hardly knew how to contain myself, and went down stairs and told the folks how well I felt, and from that day to this I have not suffered one moment's pain or had an attack of my once dreaded enemy, Rheumatism. I am perfectly well and hearty, and wherever I have a chance I recommend it. A friend of mine, residing in Brooklyn is now trying it for a bad case of neuralgic rheumatism, and so far it is working admirably. This is a long story, but I have told all the facts, which I can bring witnesses to substantiate if necessary; and will again say that in the *MEDICAL SALT*, a sure cure may be found for all inflammatory diseases, and would urge all who are afflicted to give it a trial.

GEO. H. DUNCAN,
No. 117 Wall Street, New York.

When it is remembered that the MEDICAL SALT is as efficacious in all other Inflammatory diseases as in Rheumatism, *(see descriptive circulars)* it will at once be seen that it is a most valuable remedy. Surely those thus afflicted will find in their own condition and in the above statements, enough to induce them to give the MEDICAL SALT a trial.

Price, One Dollar. Chronic Package, $2 50.

IRVING FEMALE COLLEGE, MECHANICSBURG, PA.

This Institution, designed for the liberal education of Young Ladies, has been in operation two years with the most gratifying results. It is now established on a firm basis, and its patronage already extends over several States.

It is located on the Cumberland Valley Railroad mid way between Harrisburg and Carlisle, in the most fertile and beautiful portion of the valley, and is in close proximity to one of the most moral, healthy, and enterprising towns in the State.

HOWARD ASSOCIATION PHILADELPHIA

A Benevolent Institution, established by special endowment for the relief of the sick and distressed, afflicted with Virulent and Epidemic diseases.

The HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practised upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms and to give MEDICAL ADVICE GRATIS, to all who apply by letter, with a description of their conditions (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of the Consulting Surgeon in the cure of Spermatorrhoea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self-abuse, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important but much despised cause.

Just published by the Association, a Report on Spermatorrhoea, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the Sexual Organs, by the Consulting Surgeon, which will be sent by mail, (in a sealed letter envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors.

AFFLICTED READ

PHILADELPHIA MEDICAL HOUSE—Established twenty-two years ago by Dr. KINKELIN, corner of Third and Union Streets, Philadelphia, Pa.

TWENTY-TWO YEARS'

Experience has rendered Dr. K. a most successful practitioner in the cure of all diseases of a private nature; manhood's debility, as an impediment to marriage; nervous and sexual infirmities, disease of the skin, and those arising from abuse of mercury.

TAKE PARTICULAR NOTICE.

There is an evil habit sometimes indulged in by boys, in solitude, often growing up with them to manhood; and which, if not reformed in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious and devastating affections.

Few of those who give way to this pernicious practice are aware of the consequences until they find the nervous system shattered, feel strange and unaccountable sensations, and vague fears of the mind. (See pages 27, 28, 29, of Dr K's book on "Self-Preservation.")

The unfortunate thus affected becomes feeble, is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak; he is dull, irresolute, and engages even in his sports with less energy than usual.

If he emancipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the attention of all who are similarly situated.

REMEMBER,

He who places himself under Dr. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and rely upon the assurance that the secrets of Dr. K's patients will never be disclosed.

Young Man—let no false modesty deter you from making your case known to one, who, from education and respectability can certainly befriend you.

Dr KINKELIN'S residence has been for the last twenty-two years at the N. W. Corner of THIRD AND UNION STREETS, Philadelphia, Pa.
