Petroleum is no nostrum—no compound, put up for the purpose of imposing on the community, but it is a genuine, carefully elaborated remedy, for sale by druggists generally. Reader! if you are the happy man of number earth in its bowels to suffer from the blessings of health, remember humanity's a real remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Liver Complaint in its advanced standing, and of the worst and most obstinate kind. It has cured Cholera Morbus by one dose; two doses; it has cured old cases of Dysentery, which had baffled every other nostrum ever invented. As a last resort, every other nostrum has failed, and I have recourse to this compound or ointment that we know will do good. Rheumatism, Contracted feet, in a few applications, unknown in twelve months, as testimony of the truth contained in the above statement by calling on the Agent, Mr. Kier, Keyer & McDowell, or either of the agents.
Virgin Alley R. E. Sellers, 57 Wood street, Pittsburgh, and lot 69 St. Mary, Allegheny city, are the agents. jy21

PAUSE AND READ!
The most important Discovery on Record!—Sure Remedy for the Piles!
DR. D. P. BROWNE'S Vegetable Extract American Remedy for the Piles, has already proved itself to be the only sure cure ever presented to the public. Since the discovery of this valuable medicine, and the large number of extreme cases with which Dr. Browne has operated, no one has failed to be entirely cured. Unlike the many healing balms offered to the public, after a few days of experimenting, has too often left the patient worse than they commenced with, but after a few days will decide the case by effecting a perfect cure.
Pallow Complexions, I shall not enter into a labored argument to prove my medicine. I introduce it upon its own merits, and if it does not do what I claim for it, I do not want it or pay for it. But if you prefer that loathsome disease, the PILES, to the value of a few dollars, I rest the case with you.

FOR THE REMOVAL AND CURE OF THE FOLLOWING ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD
Scrofula or King's Evil, Rheumatism, Pains in the Bones, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sores or Ulcers, Ring Worm or Tetter, Scald Head, Enlargement of the Joints or Swelling of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Scientica or Lumbago, and other Diseases arising from an injudicious use of Mercury, Antimony or Peruvian Bark, Dyspepsia or Impotence in Life; Also—Chronic Constitutional Diseases.
This medicine has acquired a very extensive and established reputation, and it has been used, based entirely on its own merits, which have proved efficacy has alone sustained. The unfortunate victim of hereditary disease, with swollen joints, distorted limbs, and bones half carious, has been restored to health and vigor. The scrofulous constituent, covered with ulcers, leaprosome to himself and his friends, has been made whole. Hundreds of persons, who groaned hopelessly for years under cancerous and glandular disorders, chronic rheumatism, and the ills that arise from a derangement of the secretive organs and the circulation, have been restored to health and vigor, and are now, with regenerated constitutions, daily testifying to the efficacy of this inestimable preparation.
TRUTH IS STRANGER THAN FICTION.
The attention of the reader is called to the following astonishing cure, effected by the use of Sands' Sarsaparilla.
This is to certify that I have a colored woman who has been afflicted for more than two years with Scrofula, and all the remedies I used had no effect upon her. I tried the preparation of the compound, on the contrary, she constantly grew worse, and after taking two bottles and 9 or 10 with physicians, besides using other popular remedies without success, till the disease had eaten away the cartilage of her nose, and left a perforation on various parts of her body, and had commenced its ravages on the roof of her mouth.
In this dreadful situation, with the prospect of death staring her in the face, I started her case to Dr Dickinson, the agent for Sands' Sarsaparilla in Newark, N. J., by whom I was advised to use that article; her case was known, after using four or five bottles, she was restored to perfect health, and that in the space of three weeks. Her sores healed in two, or three weeks from the time she commenced taking it.
