THE OXYGENATED BITTERS.

The qualities of this medicine have placed it upon an imperishable foundation. In destroying disease, and inducing health it has no parallel.

For the following Complaints these Bitters are a Specific, viz:—Dyspepsia, or Indigestion, Heart Burn, Acidity, Costiveness, Loss of Appetite, Headache and General Debility.

In many sections of our country this preparation is extensively used by physicians in their practice, and it seems to have restored many to health who were apparently beyond the reach of the healing art.

Subjoined are a few tributes from well-known physicians:

MANSFIELD, Tioga Co., Pa., Aug. 26, 1858.

I have used the Oxygenated Bitters in my practice with decided success in debility and general prostration, &c., and confidently recommend it in General Debility, and diseases of the digestive organs.

E. H. WHITE, M. D.

AUBURN, N. Y., Sept. 6, 1858.

GENTLEMEN:—I have been in the drug business the last fifteen years, and have never sold a medicine which has given such great satisfaction in cases of Dyspepsia as the Oxygenated Bitters, and in this disease I always recommend it.

H. G. FOWLER.

BURLINGTON, Vt., Nov. 12, 1854.

GENTLEMEN:—I am pleased to state, that I have tried the Oxygenated Bitters for Indigestion and Debility, found immediate relief from using only a part of a bottle. I have the greatest confidence in it as a cure for Dyspepsia and General Debility, and recommend it with much pleasure. Yours, &c.,

PHILADELPHIA MARKETS.

Monday, Jan. 30, 1860.

There is no change in Flour, and the market is quiet but firm at previous quoted rates: the only sale we hear of for export is 1500 bbls. W. B. Thomas' superfine at a price kept private; good straight super is held at $5,-62½, which is above the views of buyers, and the trade are purchasing in a small way at from $5 50 to $6@7 ⅌ bbl. for super. extra and fancy brands, as in quality. Rye Flour and Corn Meal continue dull, and are nominally held at $4 25 for the former, and $3 75 ⅌ bbl. for the latter, Penna. meal.

In Wheat there is very little doing, and buyers are holding off, a few small lots only having been taken at $1 34@1 35, the latter for choice Penna. reds; and $1 40@1 45 for fair and good white. Rye rather lower, and Penna. is selling at 92c. Corn is dull; there is not much offering, and only some 2000 bus yellow, part Jersey, sold at 75c. in store and afloat; 1200 bus. damp also sold at 71c. Oats are not much inquired for, and Penna. sell as wanted at 44½@45c. Barley and Barley Malt are selling moderately at previous rates.

DYSPEPSIA REMEDY.

DR. DARIUS HAM'S

Aromatic Invigorating Spirit.

This Medicine has been used by the public for six years, with increasing favor. It is recommended to cure Dyspepsia, Nervousness, Heart-Burn, Colic, Pains, Wind in the Stomach, or Pains in the Bowels, Headache, Drowsiness, Kidney Complaints, Low Spirits, Delirium Tremens, Intemperance.

It Stimulates, Rebilitates, Invigorates, but will not Intoxicate or Stupify.

As a Medicine, it is quick and effectual, curing the most aggravated cases of Dyspepsia, Kidney Complaints, and all other derangements of the Stomach and Bowels, in a speedy manner.

It will instantly revive the most drooping and melancholly spirits, and restore the weak, nervous and sickly to health, strength and vigor.

Persons who, from the injudicious use of liquors, have become dejected, and their nervous systems shattered, constitutions broken down, and subject to that horrible curse to humanity, the DELIRIUM TREMENS, will almost immediately feel the happy and healthy invigorating efficacy of Dr. Ham's Invigorating Spirit.

WHAT IT WILL DO.

Dose—One wine glass full as often as necessary.
One dose will remove all Bad Spirits.
One dose will cure Heart burn.
Three doses will cure Indigestion.
One dose will give you a Good Appetite.
One dose will stop the distressing pains of Dyspepsia.
One dose will remove the distressing and disagreeable effects of Wind or Flatulence, and as soon as the stomach receives the Invigorating Spirit, the distressing load and all painful feelings will be removed.
One dose will remove the most distressing pains of Colic, either in the stomach or bowels.
A few doses will remove all obstructions in the Kidney, Bladder or Urinary Organs.
Persons who are seriously afflicted with any Kidney Complaints are assured speedy relief by a dose or two and a radical cure by the use of one or two bottles.

NIGHTLY DISSIPATION.

Persons who, from dissipating too much over night, and feel the evil effects of poisonous liquors, in violent headaches, sickness at stomach, weakness, giddiness, &c., will find one dose will remove all bad feelings.

Ladies of weak and sickly constitutions, should take the Invigorating Spirit three times a day; it will make them strong, healthy and happy, remove all obstructions and irregularities from the menstrual organs and restore the bloom of health and beauty to the careworn face.

During pregnacy it will be found an invaluable medicine to remove disagreeable sensations at the stomach.

All the proprietor asks is a trial, and to induce this, he has put up the INVIGORATING SPIRIT in pint bottles at 50 cts., quarts $1.

LUMBER YARD.—The subscribers having purchased a large fract of pine timber land and saw mills, on the west branch of the Susquehanna river, have opened out a lumber yard at

MECHANICSBURG,

on the railroad, corner of Allen and High streets, near the steam saw mill of Seidle, Eberly & Co., and also one

AT GREASONVILLE,

near Plainfield, where we will be able to sell lumber at such prices that will be to the interest of builders and others to call and see us before buying elsewhere. Our advantages over other dealers are that our lumber does not pass through the hands of one two or more speculators before we get it, and that will enable us to sell lumber cheaper than any others can sell at these places.

We will also wholesale lumber from our Harrisburg yard, and will deliver lumber at any point along the Cumberland Valley Railroad. If desired, builders can have lumber sawed suitable for any size of building, or for other purposes, by furnishing us with their orders in season.

AMERICAN AND FOREIGN STEREOSCOPIC EMPORIUM.

E. ANTHONY,
308 Broadway, New York.

After May 1st, 1860, at 501 BROADWAY, two doors from the St. Nicholas Hotel.

The Stereoscope is the most instructive, interesting, entertaining, amusing and exciting of modern inventions.

None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.

No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.

Photographers are everywhere exploring Europe, Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are constantly enriching our stock.

We have an immense variety of paper Views of Scenes in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St. Cloud, Fontainbleau, Tuileries, Palaces, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Groups Historical, amusing, marriage scenes, breakfast scenes, pic-nics, statuary, &c., &c. An exquisite assortment of Illuminated Interiors of Palaces, Churches and Cathedrals of France, Italy, &c., &c. The effect of these illuminated views is most remarkable.

Every gentleman of wealth and refined taste should have in his drawing room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful.

Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of instantaneous it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscopic Illustrations of the Scene of the FULTON STREET PRAYER MEETINGS, in which many hearts feel an interest. The particulars of this will be found in our catalogue.

OUR CATALOGUE of subjects and prices will be forwarded to any address on receipt of a stamp.

Parties at a distance sending us $3, $5, $10, $20, or $25, can have a good instrument and such pictures as they may request sent by Express.

Views alone, (without instrument) can be sent by mail.

Parties who wish to be advised of everything really valuable in the line that comes out, may send us their names to place on record, and we will keep them posted at our own expense.

Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out amateurs with everything necessary for their success together with instructions "How to take Stereoscopic Pictures."

E. ANTHONY,
Importer and Manufacturer of Photographic Materials, Stereoscopes and Stereoscopic Views.

Merchants from every section of the country are respectfully invited to make an examination of our stock, as our discount to the trade will be liberal
