IN QUART BOTTLES
FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD
OR TAINT OF THE SYSTEM, VIZ:
Scrofula or Kings Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Erysipelas, Mercurial Pains in the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Seminal or Lumbago, and all diseases arising from an injudicious use of Mercury, Acilites or Dropsy, Exposure or Imprudence in life; Also, Female Obstructions, Nervous Complaints, &c.
This medicine has acquired a very extended and established reputation wherever it has been introduced, and bears hitherto unknown testimony to its own merits, which its superior efficacy has alone sustained. The unfortunate victim of hereditary disease, the victim of imprudence or sinners, and hence half serious, has been restored to health and vigor. The scrofulous patient, covered with ulcers, abhorrent to himself and his friends, has been made whole. Hundreds of persons, who have suffered most severe pains in the joints and glandular disorders, chronic rheumatism, and many other complaints springing from a derangement of the secretory organs and the circulation, have been relieved as it were from the rack of disease, and now, with renovated constitution, gladly testify to the efficacy of this inestimable preparation.
TRUTH IS STRANGER THAN FICTION!
The subscriber feels a delicate reluctance in publishing astonishing cure, effected by the use of Sands' Sarsaparilla, viz:
"This is to certify that I have a colored woman who has been afflicted for the last five years with Scrofula, and the remedies I used had no effect in stopping the progress of the complaint; on the contrary, she constantly grew worse, and after expending more $50 and seeing physicians, she was using other popular remedies without success, till the disease had eaten away the cartilage of her nose, leaving a perfect hole in the middle of her face, and had finally commenced its ravages in the root of her mouth.
"In this distressing situation, with the prospect of death staring her in the face, I stated her case to Dr Throop, the agent for Sands' Sarsaparilla, in Newberry, N. Y., by whom I was advised to use that article; and to my surprise and that of my neighbors, to whom her case was known, after using four or five bottles she was restored to perfect health, and that in the space of three weeks, and was able to work in two weeks from the time she commenced using it.
"In witness of the truth of this statement, I have hereunto affixed my name, this 19th day of September, 1847. JOSEPH McCOTTER, J. P.

SORE THROAT.
The following is an extract from a letter received from Mrs. Bevan, who has been afflicted several years with Scrofula, Ulcers, Dyspepsia, &c., and finally an affection of the throat and chest—
"HALIFAX, Va., Dec. 13, 1848.
"Messrs. A. B. & D. Sands—Before I commenced using your Sarsaparilla, my sufferings were almost beyond endurance; my throat was completely ulcerated; I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; my glandes, the inflammation from my throat extended to my head, so that my hearing was very much impaired. By the blessing of God, I was restored, and my health was improved, and my throat is now well; I am as free from cough and tightness of the chest as I ever was, and can hear quite distinctly. My health has been well about three months, the cure of which has been effected entirely by the use of your Sarsaparilla. Your friend, LOUISA R. DEVAN"
The following testimonial to the value of the Sarsaparilla, is from the Rev Luke Wright, aged 70 years, Congregational Minister, residing at Woburn.
"WOBURN, Mass., March 20, 1846.
"Messrs. Sands: Gentlemen—Your Sarsaparilla I have not the least doubt but that it is a most valuable medicine, and that the numerous certificates you have received of its efficacy are fully sustained by experience, and although its reputation and utility are very extensive, I feel willing to add my testimony to the many others; I want all who are afflicted by disease to secure acquainted with the efficacy and power of your valuable medicine.
"I am, gentlemen, gratefully and very respectfully yours, LUKE WRIGHT."

MEDICAL AND SURGICAL OFFICE,
No. 68, DIAMOND ALLEY, a few doors in ow Wood street, towards market.
DR. SHEW, having been remarkably educated in the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. 14 years assiduously devoted to study & treatment of those complaints, during a time when had most practice and opportunities, enable him can ever fail to the lot of any private practitioner) amply qualifies him to offer assurance of speedy, permanent, and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.
Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured; he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others, to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and judicious manner, pointed out by a long experience, study, and investigation, which is impossible for those engaged in general practice of medicine to give to one class of diseases.
☞ Hernia or Rupture.—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.
GANGRENE also cured.
Skin diseases, also Tetter, Salt Rheum, &c., speedily cured. Charges very low.

Arrangements have been made by which they will be able to furnish young ladies facilities equal to any in the West, for obtaining a thorough English, Classical, and Ornamental education. A full course of Philosophical and Chemical Lectures will be delivered during the winter, illustrated by apparatus. The department of Modern Languages, Instrumental Music, Modern Languages, Drawing and Painting, will each be under the care of a competent Professor. By close attention to the moral and intellectual improvement of their pupils, the Principals hope to merit a continuation of the liberal patronage they have hitherto enjoyed. For terms, circulars or apply to the Principals.

## MEDICAL.

PROCLAMATION.
KNOW all men who are sick and afflicted with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c., that they can be cured by taking the Petroleum! You may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim to the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents, get relief from any of the ills enumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound, put up for the purpose of imposing on the community; but it is a remedy elaborated by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity, and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frosted feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel M. Kier, Canal Basin, 7th street; or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin Alley; R. E. Sellers, 57 Wood street, D. A. Elliott & D. M. Curry, Allegheny city, are the agents.
