HOSTETTER'S

STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

For sale by S. Elliott, S. W. Haverstick, Carlisle; John C. Altick, John Stambaugh, Shippensburg; L. Kauffman, J. B. Henning, Mechanicsburg; and Druggists generally throughout the county. Nov. 9, '59.

MOTHERS

Thousands are daily speaking in praise of

DR. EATON'S

INFANTILE CORDIAL.

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason it commends itself as the only reliable preparation now known for **Children Teething, Diarrhoea, Dysentery, Griping in the Bowels,** Acidity of the Stomach, Wind, Cold in the head, and Croup, also, for softening the gums, reducing inflamation, regulating the Bowels and relieving pain. It has no equal—being an anti spasmodic it is used with unfailing success in all cases of **Convulsion or other Fits.** As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human Blood upon being

ANALYZED

always presents us with the same essential elements and gives of course the True Standard. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c. and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT or LUNGS inducing Consumption, use No 1, which is always the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over use, General Debility, and Nervous Prostration. No. 2, for Liver Complaints, No. 3, for Dyspepsia. Being already prepared for absorption it is taken by drops and carried immediately into the circulation, so that what you gain you retain. The No. 5 is for Female Irregularities, Hysteria, Weaknesses, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous, Kidney, and Bladder Complaints, take No 5. In all cases the direction must be strictly followed. Price of the Blood Food $1 per bottle.

THE ONLY PREPARATION

WORTHY OF

Universal Confidence & Patronage.

FOR STATESMEN, JUDGES, CLERGYMEN, Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given: see circular for more, and it will be impossible for you to doubt

40 Wall Street, New York, Dec 20th, 1859.

GENTLEMEN:—Your note of the 15th inst., has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to loose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I really had no expectation that gray hair could ever be restored to its original color except from dyes. I was however greatly surprised to find after the use of two bottles only that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend to all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.

Very respectfully, BEN. A. LAVENDER.

To O. J. Wood & Co., 444 Broadway, New York.

My family are absent from the city, and I am no longer at No 11 Carrol Place.

Slamaston, Ala., July 20th, 1860.

To Prof. O. J. Wood:—Dear Sir: Your "Hair Restorative" has done my hair so much good since I commenced the use of it, that I wish to make known to the public of its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative," the hair will return more beautiful than ever; at least this is my experience. Believe it all! Yours truly.

WM. H. KENEDY.

P. S.—You can publish the above if you like. By publishing in our Southern papers you will get more patronage south. I see several of your certificates in the Mobile Mercury, a strong Southern paper.

W. H. Kenedy.

WOOD'S HAIR RESTORATIVE.

Professor O. J. Wood: Dear Sir:—Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851 I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON.

The Restorative is put up in bottles of three sizes viz: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle: The medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, forty per cent more in proportion, and retails for three dollars.
