TO THE PUBLIC.

Whereas, a large public meeting of the citizens of Cumberland County, was held in the Court House in the Borough of Carlisle, on Saturday the 20th inst., to consider the present fearful crisis, and the positions and wants of the general Government: *And Whereas*, at said meeting a resolution was unanimously passed, requesting the Commissioners of the County to appropriate the sum of $15,000 towards the support and maintainance of the families of those who may need assistance, and who bravely volunteer to rush to the defence of the institutions of our unhappy and distracted country: *And Whereas*, we have reason to believe, from the representations of citizens from all the townships, and members of all parties that it is the unanimous wish of a patriotic people, that we should take such measures as will insure the faithful appropriation of the money, to the purposes intended: *And Whereas*, the action of our volunteers is an object of the first necessity. Therefore,

Resolved, By the Board of Commissioners of Cumberland County, all being present and concurring, that a Soldiers' Relief Committee be appointed, with the request that they will enquire, without delay, into the wants and circumstances of the families of those who have gone into the service of the United States leaving families dependent upon them for support; and they are further requested to report the result of their inquiries to the Commissioners, with the name and size of the families of each and every volunteer who may need assistance, with the pecuniary condition and situation of the volunteer and his family, with the recommendation in regard to the wants of each family.
