HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of puffing the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

Sold by S. Elliott, S. W. Haverstick, Carlisle; John G. Attick, John Stambaugh, Shippensburg; L. Kuhn, J. B. Homing Mechanicsburg; and Druggist generally throughout the county. Nov. 9, '59.

LINDSEY'S IMPROVED BLOOD SEARCHER

A STANDARD MEDICINE

For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPURITY OF THE BLOOD.

This medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous Diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes,
Old, Stubborn Ulcers,	Scald Head,
Tetter affections,	Rheumatic Disorders,
Dyspepsia,	Costiveness,
Jaundice,	Salt Rheum,
Mercurial Diseases,	General Debility,
Liver Complaint,	Loss of Appetite
Low Spirits,	Foul Stomach.

Female Complaints, and all Diseases having their origin in an impure state of the Blood.

We refer to the case of David McCreary, of Napier township, Bedford Co., Pa. who, on the 31st day of August, 1858 made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his lip, nose, and a portion of his left cheek were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can be had of any of the Agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula after being unable to get out of her bed for three years.

To the case of a lady in Ansonville, Clearfield county who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria county, Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had of any of the Agents.

which greatly facilitates the process of teething, by softening the gums, reducing all inflamation—will allay all pain and spasmodic action, and is sure to regulate the bowels. Depend upon it mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine never has it in a single instance failed in a case to effect a cure when time or did we attempt to stance of by anyone. On the contrary delighted mothers, as they have with its operation, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years experience and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skilful nurses in New England, and has been used with never failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity and gives rest and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND CHOLIC,

and overcome convulsions, which if not medied, soon produces death. We believe this to be the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudice nor the prejudices of others stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used.
