Washing, Bleaching and Cleansing Fluid.
Directions—Put the clothes into cold water and let them soak over night. In the morning, wring them out and put them into a kettle of boiling water, to which add the proportion of one pint of fluid to each gallon of water, stir it up and boil the whole twenty minutes. The clothes may then be wrung out and well rinsed in pure cold water. Two pints of fluid are quite sufficient for a boiler of 30 gallons of water, and for all other articles of clothing, may be slightly rubbed before soaking in cold water, will be found very good. Warranted not to injure the finest fabric and to give perfect satisfaction, or the money will be refunded.

INSURANCE.

State Mutual Fire Insurance Company,
HARRISBURG, PA.
THE very liberal patronage extended to this company, having issued policies to the amount of near One and a Half Million of Dollars, during the last three months, is a decided manifestation of the estimation and confidence of the public in the system of management on which its business is conducted.
The city or country merchants, and owners of dwellings and isolated or country property, it is believed the company affords advantages in point of cheapness, safety, and security, superior to no Insurance Company in this country.
Conducted on the equitable and greatly improved system of Charles Rich, of Boston, the stockholders are liable, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.
It is under the control of the following Directors—John P. Rutherford, A. J. Gillett, John B. Parker, Samuel T. James, Alexander Carrier, Philip C. Sedgwick, Robert Shoyer.
A. J. GILLETT, Secty.
A. A. CARRIER, Actuary.
