GUM SPRING GRAIN DRILL,

which has taken over fifty First Class Premiums at State and County Fairs. To the Farmers of Cumberland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most complete Grain Drill now manufactured in the United States. It sows Wheat, Rye, Oats, Barley and Grass, evenly and regular, without bunching the seed. The gum Springs pass the drill over stumps and stones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum-Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to Farmers as reliable implements, of established character:

BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY.

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

DR. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, trembliings, dimness of sight or giddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c, impossible.

YOUNG MEN

Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously, confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE NO 7 SOUTH FREDERICK STREET.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

A CURE WARRANTED IN TWO DAYS.

No Mercury or Nauseous Drugs.—Dr. Johnston, member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears, when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsy, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption.

MENTALLY—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are sightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness—Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns."

It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that deadly poison, Mercury, ruin the constitution and make the residue of life miserable.

STRANGERS

Trust not your lives, or health, to the care of the many unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's advertisements, or style themselves, in the newspapers, regularly educated physicians, incapable of curing, they keep you trifling month after month taking their filthy and poisonous compounds, or as long as the smallest fee can be obtained, and when, and to despair, leave you with ruined health to sigh over your galling disappointment.

Dr Johnston is the only Physician advertising.

His credentials or diplomas always hang in his office. His remedies or treatment are unknown to all others, prepared from a life spent in one great hospitals of Europe, the first in the country and a more extensive private practice than any other physician in the world

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the renowned importance of Surgical operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED

Persons writing should be particular in directing their letters to this Institution, in the following manner:
