DUNHAM'S PIANOS.
Sole Agency for Dunham's Pianos.
HIGHLY valuing the patronage of the public that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes, for Western Pennsylvania.
The Pianos made by Mr Dunham, of the firm of Dunham & Peabody, are too well and favorably known in this neighborhood to require any comment at this time, suffice it to say, that for a long time no other instrument was thought of in the Western Country, since of Stodart & Dunham and Nunns & Clark.
Mr. Dunham, the practical partner of the above firm, is acknowledged by all competent judges of the factory of said firm, as practical manager and director of its business. Within a year or two Mr Dunham has bought out the entire factory and appurtenances of the firm, and continues to manufacture, as before, in his new establishment, the same class of instruments which have gained such popularity, that in some of the western cities, Cincinnati, &c. they have sold two to one of any other manufacture. They are distinguished for their power and brilliancy of tone, and extraordinary durability.
The N. B.—A large assortment of second hand Pianos now receiving. SIGN OF THE GOLDEN HARP.

MEDICAL.

FRICKENSTICHER.
KNOW all men who are sick and suffering with disease of the bladder and kidneys, with rheumatic pains in back or limbs, stiff joints, old sores, running ulcers, &c. that they can be cured by taking the Frickenstich. Yes may talk about its being a nostrum as much as you please, but this does not make it so, for we proclaim in the face of an honest community, that it has virtues which are not contained in any other remedy. The man who is racked with pain and suffering from disease, can for fifty cents get relief from any of the ills enumerated above. Reader! it costs very little to make a trial. This Petroleum is no mixture—no compound put up for the purpose of imposing on the community, but is a remedy discovered by the master hand of nature, and bubbles up from the bosom of our mother earth in its original purity; and offers to suffering humanity a ready remedy, a certain and cheap cure.
It has cured Piles after other medicines have failed to render any relief. It has cured Rheumatism of long standing, and of the worst and most painful character. It has cured Cholera Morbus by one or two doses; it has cured old cases of Diarrhea, in which every other remedy has been of no avail. As a local remedy in burns and scalds, it is better than any medical compound or ointment that we know of. It will cure chilblains or frozen feet, in a few applications; undoubted testimony can be furnished of the truth contained in the above statement by calling on Samuel H. Kier, Canal Basin, 7th street, or either of the agents.
Keyser & McDowell, corner of Wood street and Virgin alley; R. E. Sellers, 57 Wood street; D. A. Iutt & D. M. Curry, Allegheny city, are the agents.

BEAUTY—It is universally conceded that beauty is the greatest blessing we enjoy on earth in any other, while at the same time it is said, that no other boon is so fleeting and transitory. None but the fairest to a certain extent, but the loss is often caused by negligent. We say to all, do not neglect your personal appearance any longer, but do following, and you need not fear good looks. These articles are scientific preparations, and have all attained a high popularity.
Lyon's Kathairon, or Hair Preserver, and Warren's Hair Soap, for removing tan, sunburn; pimples, blotches, and every other eruptions of the skin the most perfect conservator of beauty every known. Purchase nothing purporting to be Nymph Soap, unless it has my name attached.
Julep Hazlett's Persian or Chinese Powder, for imparting to the most bilious complexion a radiant blooming appearance, which should a person be more careful than the use of a powder for the skin, as many of these sold are very injurious. My Chinese Powder is compounded in a scientific manner, and contains no ingredient which can possibly inflict an injury.
Lyon's Extract of Cologne, for removing superfluous hair. What is more unsightly than hair upon the face or arms of a lady. This article will remove it in a few minutes without injury to any sharp instrument.
Julep Hazlett's Vegetable Liquid Hair Dye will instantaneously impart to red, white, or gray hair, a beautiful black, brown, or auburn color. It will color the hair in a shorter time, and more effectually than any other Dye, being at the same time indelible.
Julep Hazlett's Shaving Cream. It is really a pleasure to shave with this cream. There is none of the smarting sensation usually experienced in the use of other Creams. On the contrary, it leaves the skin smooth and soft as an infant's, and not liable to become chapped.
Julep Hazlett's Rose Tooth Paste.—Next to the hair, we think the Teeth were intended as the greatest ornament to the human face; but when neglected, nothing can be more disgusting. This article is a superior Paste will impart to the teeth a pearly whiteness, at the same time keeping the gums firm and healthy.
Also on hand, a complete assortment of French, British, and American Perfumery and Fancy articles.
