I have known Hoofland's German Bitters favorably for a number of years I have used them in my own family, and have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these bitters, knowing from experience that my recommendation will be sustained. In this more than a Hoofland's Bitters is intended to benefit the afflicted, and is not a rum drink.

Yours, truly,

LEVI G. BECK.

F

L

From Rev. W. D. Seigfried, Pastor of Twelfth Baptist Church, Phila.

Gentlemen:—I have recently been laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoofland's German Bitters were recommended by persons who had tried them, and whose favorable mention of these bitters induced me to try them. I must confess that I had an aversion to Patent Medicines from the "thousand and one" quack "Bitters" so much do aims seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that you always sold a medicinal preparation I took it with happy effect. Its action, not only upon the stomach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great great and permanent benefit from the use of a few bottles.

Very respectfully yours,

W. D. SEIGFRIED,
No. 254 Shackamaxon Street.

A

From A. M. Spangler, Editor of the Culturist, No 25 North Sixth Street.

PHILADELPHIA, July 15, 1865.

Some eighteen months since I was a severe sufferer from Dyspepsia. I was not only unable to take plain food without suffering great distress, but had become so debilitated as to be almost unfitted for active business of any kind.

After trying a variety of so-called remedies, all of which proved worthless, I was induced at the suggestion of a medical friend to give Hoofland's German Bitters a trial. I accordingly purchased six bottles, which were taken in accordance with your directions

The result was complete removal of all distressing symptoms, after eating or drinking, and a full restoration of strength, so that I now eat all ordinary kinds of food with impunity, and am able to attend to all the active duties of a large and arduous business as well as at any period of my life. One good effect of the Bitters were manifested before I had taken the first bottle.

I have also used it in my family with the happiest results, and take great pleasure in adding my testimony to that of the many others who have been benefited by them. I find great benefit from the use of a bottle in the spring and fall. They not only create an vigorous appetite, but give a health tone to the stomach, by strengthening its digestive powers.

If the above testimony will be the means of inducing any who suffer from dyspepsia to give your bitters a trial (when it, I feel confident will give them relief,) it is at your service.

Yours, truly,

A. M. SPANGLER.

N

From the Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Phila

I have derived decided benefit from the use of Hoofland's German Bitters and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, truly. E. D. FENDALL.

From Rev. D Merrige, Pastor of the Passyunk Baptist Church, Phila

From the many respectable recommendations given to Dr. Hoofland's German Bitters I was induced to give them a trial. After using several bottles I found them to be a good remedy for debility, and a most excellent tonic for the stomach

From Rev. Wm. Smith, formerly Pastor of the Vincentown and Millville (N. J.) Baptist Churches, Phila.

Having used in my family a number of bottles of your Hoofland's German Bitters, I have to say that I record them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends, who have tried them, and found them greatly beneficial in the restoration of health

Yours, truly,

WILLIAM SMITH,
966 Hutchinson Street.

D

From J. S. Herman, of the German Reformed Church Kutztown, Berks County, Pa.

Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine but did see as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.

Yours, with respect,

J. S. HERMAN.
