Manhood: how Lost, how Restored.

JUST published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure without medicine) of SPERMATORRHŒA, or Seminal Weakness Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc; also, CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

CATARRH

CURED FOR ONE DOLLAR.

READ!—For one dollar per mail, I will send free to any address a recipe and medicine that I will guarantee to cure the worst cases of Catarrh in the head or bronchial tubes in a few weeks. It has saved my life, and made me a well man, from Catarrh and a severe and dangerous bronchial trouble I had suffered with for years. I tried the best physicians, and all the advertised medicines of the day, but found no relief till I obtained this. I would give one hundred dollars for this recipe and the medicine, if I now had the Catarrh and could not obtain it for less. I believe, if instructions are followed, it will cure any case whatever, that has not already reached the lungs and become a settled consumption. Cure it while you can.
