INSURANCE.

State Mutual Fire Insurance Company, HARRISBURG, PA.

THE very liberal patronage extended to this company, having issued policies to the amount of near One and a Half Million of Dollars, during the last three months, is sufficient manifestation of the estimation and confidence of the public in the system of management on which its business is conducted.

To city or country merchants, and owners of dwellings, and isolated or country property, it is believed this company affords advantages in point of cheapness, safety, and security, inferior to no Insurance Company in this country.

Conducted on the equitable and greatly improved system of Classification of Risks, excluding all special hazards, insuring only a limited amount in any one locality, thus precluding the frequency and occurrence of large fires, and also on both the Stock and Mutual plan, it not only possesses the cheapness and accommodation of both methods, but entitles the insured to a participation in the profits.

It is under the control of the following Directors:—John P. Rutherford, A. J. Gillett, John B. Fasken, Samuel T. Jones, Alonzo A. Carrier, Philo C. Seidewick, Robert Kloiz. J P RUTHERFORD, Pres't. A J GILLETT, Secy.

DUNHAM'S PIANOS.

Sole Agency for Dunham's Pianos.

H. LEE, takes pleasure in announcing to the public that he has succeeded in securing the sole agency for Dunham's celebrated Piano Fortes, for Western Pennsylvania.

The Pianos made by Mr Dunham, of the firm of Stodart & Dunham, are too well and favorably known in this city, throughout the Union, and elsewhere, to require any remarks from us, suffice it to say, that for a long time no other Pianos were known in the Western country than those of Stodart & Dunham and Nunns & Clark.

Therefore, the practical partner of the above firm, has spent upwards of twenty years in the history of said firm, as practical manager and director of the business. Within a year or two Mr Dunham has perfected his celebrated Piano, in connection with the firm, and continues to manufacture, as before, in his own name. Dunham's Pianos have attained such popularity, that in some of the western cities, not only, but, as, they have sold two to one of any other manufacturer, yet, the demand increases, from the power and brilliancy of tone, and extraordinary durability.

N. B.—A large invoice of the above elegant Pianos now receiving. SIGN OF THE GOLDEN HARP. oc16
